The Members of Point Lookout Surf Lifesaving Club Inc. would like acknowledge the traditional owners of the land on which our clubhouse stands, the Quandamooka People, and pay our respects to Elders past and present.

NOTICE OF ANNUAL GENERAL MEETING

Notice is hereby given that the 71st Annual General Meeting of the Point Lookout Surf Lifesaving Club Inc. will be held at the Redlands Sporting Club, Anson Road, Wellington Point on Sunday 7th July, 2019 at 10.30am.

AGENDA

1. Attendance, apologies and proxies
2. Confirmation of previous Annual General Meeting minutes
3. Presentation and adoption of Annual Report
4. Presentation of and adoption of Auditor's Report and Financial Statements
5. Notices of motion
6. Election of Officers for the 2019/20 Season
7. Appointment of Non-Voting Members
8. Endorsement of Branch Councillor (Club President)
9. Appointment of all Committees as deemed required by the Club Council
10. Membership Fees
11. Election of Life Members (if any)
12. Affiliation
13. Confirmation of Club public liability Insurance
14. General business

Karen Bodger

Honorary Secretary

Point Lookout Surf Lifesaving Club Inc.

The Point Lookout Surf Lifesaving Club Inc. mourns the loss of members who passed away during the season.

Their memory and efforts will always be remembered. The Officers and members of this Club also extend their deepest sympathy to those members who have lost dear ones during the past twelve months and offer their condolences to their family and friends.

PRESIDENT

The President's report for the 71st season of the Point Lookout Surf Life Saving Club. I wonder if the intrepid band of young men and women who founded the Club in 1947 had any idea that we would still be writing and reading about the Club's endeavours 70 years later.

My third season as President is almost at an end and I am sitting here in front of the computer with so much to say, but conscious of the fact that sometimes my reports get a bit too long. This year I am going to try to be a bit more concise. Well I did say try!

To all members, whether you have donated one hour of your time across your whole membership, or 100 hours every season, you deserve to be thanked for your effort. Volunteering isn't easy especially with the competition from other areas for our time. In the not too distant past it seemed to be easier however, I have read numerous Annual Reports lately, and have noticed many Presidents and Club Captains writing about members not showing up for patrols and letting down their mates right back in the 40's, 50's, 60's, 70's you get the picture – it has always happened. I am not saying that it's right but every hour donated should be celebrated and thank-yous given.

What really hurts is when someone commits to helping and does not - that lets the team down as we rely on you to do what you have promised. We have numerous options for communicating these days, so do the right thing and either stick to your promises or tell someone, "Hey I cannot make it today, tomorrow or at all this season, " but please just tell us.

Please see below. I have copied this mantra from an old report. It used to get mentioned a lot and, while it makes me smile, it is very true. I would like to think that we have moved on from this position and can value everyone's input, however the one big take home for me has always been "try to put in above and beyond just turning up and you will generally get personal satisfaction from the effort. Simple but effective.

JUST A THOUGHT FOR NEXT SEASON

THE FIVE BEST WAYS TO KILL A CLUB

1. **DON'T** come to Meetings, then tell everyone what is wrong with the Club and how it **SHOULD** be run.
2. **DO** nothing yourself, but unfailingly complain about those who do. Say that the Club is being run by a clique.
3. **ALWAYS** pay your dues late, or better still, don't pay at all.
4. **STRESS** the importance of everyone co-operating but do nothing yourself.
5. **LET** someone else get the new members, organise the raffles, arrange the House to House, R.N.A and barbeques; in fact, do all the work.

LET'S HOPE THAT THE PEOPLE CONCERNED (IF ANY), WILL
NOW GET THE MESSAGE

That's the serious bit over for now.

We started the season a bit under-strength but rolled on till we got to a bit of a crisis point. Alex, our

Club Captain, and Dave, our Director Of Lifesaving, called a meeting, and, well done to everyone, you responded to the call. We had lots of people show up and we've learnt how to run the session better next time. We have since received separate and ongoing feedback but, more importantly, from that moment onwards our patrol strength has been generally fantastic on the beaches.

From the AGM we knew that it would be a season of changes, we had a new Club Captain and Vice Captain, new Administrator, new Surf Sports Director, new CHD, new Membership Director, IRB team manager and coaches plus some vacant roles carried over. It is easy to blame others when things don't seem to be going well but at the end of the day the vast majority are volunteers just doing the best they can.

The Club is always grateful for anyone who steps up to say they will help with something and thankfully people always do step up.

Also just a quick mention of the support from Bay FM. Ted, Jacko and the team, have given us a heap of mentions - support for our events, membership drive and even promoted community support for our Aussie Titles workforce.

Whilst on that sort of topic, thank you to Mike Stone for organising a workforce for the Staddie Salute. Present were Moscos, Keith Weinert, Calan Lovitt, Tony Langenberg, Michael White, Pauline Knowles, Don Jackson, Jacko's nephew Paul Kimmich, myself, Ciaran Smith, Adrian Marriott, Sarah Sammut and the new Canadian Bronzies.

This was a season without a Miss Summer Surf Girl, so the season tends to be more challenging on the income level, I am pleased to say that House to House, Prawns at the Point 2019 and Aussie Titles workforce opportunities all presented themselves and, as usual, the Club excelled and pulled in those much needed funds. We will have separate reports on those events a little further on.

There are a series of graphs and tables from SLSQ shown later in this report which display the general membership stats for our Club and how we have been going over consecutive seasons. Please note that our Club is going quite well against the trends seen in many other clubs BUT we cannot afford to be complacent. If you follow the logic through on the member retention, we are turning over 100% of the gross membership base every 4 years because of 25% of members are lost every year. As I said, most other clubs have it far worse than this, but we also know that our core of members is relatively strong though we do need to get the basics right and aim higher for better member retention.

These results mostly stem from the traction the Club

is gaining from the JAC programs that Matthew Robinson, Sharon Brennan, Jason Rasmussen and Pete Josefski and the rest of JA team have put together. Equally important is the cross-over moving from the juniors to seniors. Our thanks goes to the JAC team for their excellent results and also to those parents such as Michael Firman, Eddie Retimana and Jason Rasmussen who thought innovatively and organised the family camp to enable greater integration of the juniors into the Club.

Regrettably, we had our first Club Judiciary Committee meetings in several years this season. These were necessary to reinforce the discipline required in the Club. Mostly our members have been doing the right thing and this is thanks to the sound day to day management of our Club Captain, Alex, and his Vice Captains, Lachy and Moscos, along with mentoring from Dave Westby and Cal.

Your Club continues to uphold its 71 year old tradition of keeping the beaches of North Stradbroke Island safe for all beachgoers.

I would like to take the opportunity to pass on my thanks and convey many thank-yous on the behalf of all members.

Management, Patrolling Members, Junior

Activities Committee and Old Boys:

A special thanks to all members of the Club, your efforts in protecting the public are well and truly brilliant, we can measure it in terms of bravery awards but I prefer to think of it in terms of the time and money you give up each season to volunteer on our beaches.

To our Management Committee and our Club officers, the Junior Activities team, the Old Boys, the Supporters Club thank you to all of you for going above and beyond what is required as a volunteer. To Nat May, our new Club Administrator, thank you for your efforts, it is early days but I think the Club is very lucky to have you.

Thanks to my Deputy, Keith Weinert, a rock as always. There is no doubt that Keith has put in this season (can't wait to see how many hours he has done), as he is there on the beaches and is there for our members, always accessible, as a member of the Club Executive.

To Tony Dodd, a good friend to both the Club and personally, Daddy you have been a terrific treasurer, the Club cannot thank you enough for your continued and varied effort and wise counsel over many seasons. We understand you need to focus your efforts elsewhere and, while we wish you all the best, we hope to see you either on patrol or just enjoying a cold ale at the bar or on the Moreton trip, sometime in the

future. It really is time to step back and enjoy.

Thank you also to Karen Bodger, our Secretary, you had a very big year with work, Club, grandbabies, travel and a new Club Administrator. As a Club we thank you for your efforts as Secretary, and, as I mentioned previously, our members are really well represented by your advocacy.

Our Club Captain, Alex Langenberg, has performed well in his first year in role of Club Captain. Thank you Alex. I am sure you would all agree that Lachlan L'Barrow and Mick Stone have been excellent Vice Captains and I want to recognise their efforts in pulling the Club together on their respective weekends. The role of Captain is demanding, and sometimes a thankless task, so Alex and crew, a big thank you from the Club.

Our management line-up was Junior Activities

– Matthew Robinson, training
– Don Stevenson, lifesaving – Dave Westby, surf sports
– Mick Stone, membership – Michael White and Director of Clubhouse – Peter Burke for part of the season with the remainder of the season

being covered by a team of ladies who cooked and froze a heap of delicious food. Thanks to Louise Brier, Dianne Stevenson and Rose O'Connor. To use Dianne's words, " Louise deserves a medal for all of the bulk cooking she does for the Club". Emu and John Gardiner also stepped in to complete the season. What a great effort from several people to keep the patrol team fed.

To Merv Meares and John McInnes thank you also for your solid efforts around the Club and at Aussie Titles.

Members: Thank you to the members who give their time and paid the cost of attending the Club when you patrolled, or trained or helped out. You are the strength of the Club and this enables us to provide the lifesaving and other activities around the club - food, fundraising, Surf Girl, Club maintenance, training or school groups – the list goes on. This is what our Club is all about. Calan Lovit, thank you for your long standing contribution and support of the Club and its members.

Captains: I would like to recognise all of our Patrol Captains for their efforts this season. It can be a tricky job organising your teams and keeping them all focussed, showing up and doing the job. Well done and thank-you!

This season we had 212 members complete a combined 8304 patrol hours. Last season, remarkably, we had 212 members complete a combined 9062

patrol hours and this is terrific when you consider the effort involved in getting to a patrol from the mainland - it adds an extra 2 to 4 hours just to attend to your patrol. So thank-you for the commitment and investment in yourself and the Club. What this also tells us is that last season members were doing slightly more hours on average, 43 hours per member compared to 39 hours per member this season.

Training: I think everyone would agree that Don Stevenson works tirelessly in his role as Director of Training. Thanks to Don and the team of trainers and assessors for your efforts across the season and off-season, your efforts are amazing on behalf of the Club.

Competition: To Mike Stone as Director of Surf Sports and all Club members who compete on behalf of the Club, thank you for your exceptional efforts. The IRB competition season has just started, so best of luck to the team and the pool rescue teams flying our Club colours. I am sure Moscos will mention our own Club efforts but I will give an honourable to Fraser Toon, Callum Brennan, Patrick, Tammy and Johnny Hagan.

Club Assets: The building itself was once again very challenging from a maintenance perspective. This season it was those pesky termites which everyone on the island is concerned about. They have done a good job replacing the deck and retiling and it all looks better than ever. We have learned a lot and have taken steps to make the lower shed more visible to inspection and also treated the area. Once again the Old Boys have dug deep and transferred a massive amount of money to the Club to help cover the cost involved.

We also have had loads of damage to Thunderbird 1, so off to the smash repairers and insurers it goes. Guys, I know it's hard and I know no-one sets out to damage our vehicles, but please try to watch out for our buses they seem to attract loads of damage.

To the Building Committee – thank-you to the whole committee, particularly Andy Pryor, Mike Stone and Dave Westby, for the energy and effort you have put into the Committee and into these repairs and issues. Thank-you to Chad for an excellent tiling job and huge thanks to Peter Bayard for organising a lot of the day to day tasks on this project, keeping us on track and, more importantly, for the free tiles sourced through your contacts. Thank-you, also, to Greg Sills at DIY Tiles for your most generous support.

During his time as CHD, Peter Burke organised a lot to do with the roof replacement. Thanks, Peter, and there will be more on this next season as we move into the next chapter of the Surf Club roof.

Surf Girl: (a big grin on our faces) We have a Surf Girl for next season – watch this space next year!!!

Old Boys: Thank you to the Old Boys for sponsoring the Prawns at the Point and also your major support of the repairs to the deck and the Club working bee.

Tony will cover this further in his report on the finances for the Club.

As a final wrap up on the Old Boys, I want to call out how important it is to see these gentlemen at the Aussies Titles workforce, they seem to get unlimited energy when they go to Aussies.

Finance and fundraising: Amanda Lawson is no longer our Finance Director but that did not stop her from helping us out organising the Club Calendar together with Dianne Stevenson. She also organised all details of the House to House (SOS) appeal and appears to do this effortlessly. Thanks again to Julie Gillis for the use of her house and to the Old Boys for their support and cooking of the BBQ.

The team did really well with the grants this season and continues to submit them as I write this report. Thanks to Nat May for coordinating these and to Susan Ahmelm and the team at the Foundation, for all of your support. J.J. Richards, Redland City Council, Sealink, Port of Brisbane and Bob Hoffman continue to be terrific supporters of our Club.

Supporters Club: Well done to Rick Bodger and Simon Johnstone for your support of the Club and in driving the opportunities with the bar and Club House hire. Thank you to Peter Bayard who continues to support the Club in so many ways.

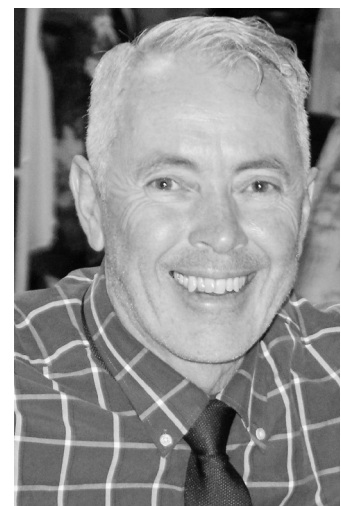

Sponsors: On behalf of the Club, I would like to formally recognise all of our sponsors for this season and also recognise and praise those long term sponsors who have been with us for many years. We thank you as your support is critical to our ongoing ability to provide the lifesaving service that we do. You will see a list of sponsors elsewhere in this annual report. Thank you to Phil and the team at J.J. Richards and also to Heather and the crew at Sealink (Stradbroke Ferries), Doug and the team at Sibelco and to Ted and his team at the Port of Brisbane. We don't often call out Hoffy, Julie and team at Bob's shop but a special mention also to you for your long time unswerving support of the Club.

To wrap up: Thank you to my partner Pauline (is that the sound of bells I hear?) Knowles you are amazing to have embraced the Club life so well, chalking up your first patrol hours and awards and working with me fundraising and sorting merch. Thank you for your love and support.

It is a great honour to represent our Club and thank you for your trust in me to do so. I look forward to next season with anticipation.

Yours as always in good times, friendship, sunburn, laughter and Lifesaving,

Sean Fallon
President

SECRETARY

Another successful season has drawn to a close and I'd like to extend my congratulations to all members for your contributions towards the smooth running of our club. Many people working together is our strength and we are very fortunate to have so many dedicated members - both patrolling and non-patrolling. You are what makes Point Lookout such a great and unique club.

It takes a lot to keep a club like ours ticking over so I'd like to recognise the efforts of:

- Club President, Sean Fallon. Sean does a huge amount of work and spends many, many hours behind the scenes, attending meetings - management Branch, State and with Redland City Council, sourcing and meeting with sponsors, organising clubhouse maintenance, writing grant applications and patrolling.....
- Pauline Knowles for her support of Sean (and putting up with him) through all of the above.
- Club Management. You guys constantly amaze me with your enthusiasm and genuine desire to keep our club functioning at its best.
- Club Captain, Alex Langenberg, and Vice Captains, Lachlan L'Barrow and Mike (Moscov) Stone. You did an awesome job keeping up the patrol standards and I'd like to congratulate both Alex and Lachie on their first season in the job. Well done, Guys.
- Don Stevenson. Don devotes many, many hours to planning, implementing and upskilling members.
- Di Stevenson who handles all the paperwork involved with training - and there is a lot!
- Our various committees that work behind the scenes to enable us to improve our facilities and function within our guidelines and policies.
- The Old Boys, especially John McInnes and Merv Meares - where would we be without you guys? Your involvement and support is greatly appreciated.

You guys certainly uphold the ethos of 'Club before man'.

This season saw a change in our Club Administrator. We farewelled Ben Whibley and welcomed Natalie May into the role. Nat has had to 'hit the ground running' and has certainly shown her professionalism in a role that is extremely challenging. Thank you, Nat, for your hard work, efficiency and patience.

In closing I would like to extend my best wishes to both our IRB and Pool Rescue teams for their upcoming season. To everyone else enjoy your off season and I hope to see you all back in the red, white & blue in September.

Karen Bodger.

LIFESAVING

Well another season has ended with no lives lost between the flags. We still have people that continually swim at Frenchmans Beach, which is by far the deadliest beach on Straddie. Unfortunately, Frenchmans claimed another life this season but we were able to rescue a number of others - too many though!

This season saw the smallest amount of members on the patrol roster that I remember, leading us to send out a cry for help. To the credit of our great members you answered the call to arms patching the gaps, which made me extremely proud to be a member of this great club. THANKS .

The layout of the patrol roster as changed with the second patrol on Sunday staying on at Cylinder till 3pm, taking lots of pressure off the last patrol. Well done Cal for coming up with the idea, we will be implementing a few more changes next season to make patrolling easier.

We had a new captain this season and some of us took a little time to change into his way of thinking. Personally, I think he finished strongly and look forward to being there next season to see what Alex has in store for us. Keep up your good work, Alex.

We are in a great position with gear for next season winning a few grants to replace boats and motors making them more reliable for which Vinnie and I are very happy about, having been put in a position not liked by either of us due to a motor stopping in the break.

To all who have patrolled this season it has been a pleasure serving with you, I would not want to be anywhere else other than Point Lookout SLSC.

GO THE POINT!

Dave Westby
Director of Lifesaving

THANK YOU - SPONSORS AND SUPPORTERS

Without the support of our Sponsors and Supporters, it would not be possible to provide our service and facilities.

Our appreciation is sincerely extended to the following for the support shown during the 2018/19 season.

CLUB CAPTAIN

This was my first season as Club Captain and, as I was absent for a large part of the beginning of the season finishing my university degree, we saw a number of differences in the running of each weekend. We saw numbers drop at the start of the season, however after New Year's Day patrolling numbers steadily

increased to the point that many of the patrols groups were complete towards the final few weekends.

First of all, I would like to thank every single member who put on the Red and Yellow and came to patrol over the season. Whether they were down on the beach, burning to a crisp on our beautiful beaches, or in our newly air-conditioned but just as stressful Radio Room, you all helped keep our island safe. All of those members who came over Friday nights for first patrol and stuck it out for the skeleton crew on Sunday afternoons, I can't thank you enough. You're the ones that keep our club alive, so thank you once again.

A massive thank you to Lachlan L'Barrow and Mike "Moscós" Stone, my two Vice Captains. When I was absent at the start, the pair of you ran the club beautifully and picked up my slack, for which I cannot thank you enough. Thank you both so much for helping out, putting in massive hours and filling in whenever you were needed.

Thank you also to:

- Kim Stallard and Jesse Mantell for ensuring the IRB's were always functional and ready to rumble
- Ollie Lawson for keeping our First Aid gear replenished after it mysteriously goes missing
- Calan Lovitt for keeping the gear shed as clean and organised as possible, even though we lost the bottom gear shed due to termites.
- Matthew "Emu" Robinson, Keith Weinert, Dave Westby and Cal Lovitt. I've relied heavily on the advice you have all provided throughout the season, and without your guidance I'd still be running around, lost, confused and wondering when to start pack up at the end of the day or how to deal with the latest group of Cadets

acting like a band of baboons on too much red cordial (at least they kept the place lively!).

- Old Boys who were the driving force for Club Clean up, who put in the extra hours to make the club sparkle.
- Moscos came over often midweek to paint the interior of the club himself, and to the entire building committee for organising repairs as fast as possible.
- John McInnes and Merv Meares for coming to the island whenever you could to do the little jobs that often went unnoticed.
- John Gardner and Emu who stepped up together to help with the CHD position, keeping the troops well fed.

Finally I'd like to thank the Management team, and all those who work behind the scenes. Without all of you and the countless hours you put in and all the personal sacrifices you all make, the club wouldn't function at all, so again, thank you all.

Despite everyone's hard work and hours of commitment, accidents still happen. On New Year's Day we had a major incident at Frenchman's Beach. Every person involved performed perfectly and embodied the values that Point Lookout SLSC strives to uphold. Each member that day had a part to play and they demonstrated their skills and ability perfectly. I'd particularly like to thank the people who were on scene that day, Logan Specht, Anna Prasek, Rhys Daley, Kurt Daley, Rhett Foreman, Caitlin Ferguson, Daniel Stone, Kaitlyn Winks, Shane Winks, Emily Neal and Ferhat Puris. These guys utilised their skills and demonstrated teamwork to the highest degree to try and rescue someone in need. Don "Jacko" Jackson was in the radio room that day and, under pressure, performed faultlessly, utilising the club members to support where they would be most effective.

I'd like to make mention of Gil Rhodes, who was Wave Runner Operator that day. He took command of the situation, liaising with Jacko to get everything we needed during the event and for the following weeks he took the time to call every member involved to check up on them. Gil ensured that everyone was coping in his own time, for which I will always be grateful.

There are definitely people I have missed and, for that I apologize, but thank you again to everyone who helped out in any way over the season. This club is not a one-man show, it's a team effort. Every single person contributes in their own way, whether it be fixing the club, helping patrols, running the club in the background, or providing some laughs and boosting morale. You've all made this season phenomenal, and I feel honoured to have been your Captain!

I'll see you all next season,

Alex Langenberg

PATROL CAPTAINS

PG1: Alexander Langenberg, Oliver Lawson

DISTINGUISHED SERVICE MEMBER AWARD

Our congratulations go to Merv Meares on receiving the Distinguished Service Award this past season.

Merv has been an outstanding member of Point Lookout Surf Lifesaving Club. He has been a stalwart of both the Senior Club and Old Boys committing endless time and effort.

Merv can be relied upon to do whatever is required - no job is too large or small - from Aussie Titles workforce to putting rubbers on the legs of our chairs.

The members thank you for your dedication, Merv.

OPERATIONS SUPPORT HOURS

Name	RWC	Progress
Jeffrey Daley	27.00	82.00
Michael Dawes	5.00	86.50
Rhett Foreman	50.80	50.80
Gemma Francis	13.50	13.50
John Hagan	27.00	278.50
Wade Harrison	148.67	390.17

Simon Johnstone	4.50	153.50
David Westby	2.25	207.25

(Prog = Total number of patrol hours completed for all Operations Support areas including Helicopter Service, Jet Boat Service, etc., excluding Surfcom)

TREASURER

Have you ever blown up an IRB with a foot pump?
It takes a long time to fill and only moments to empty with a simple twist of a valve.
The club's bank balances are the same – Hard to fill but easy to empty.

On this analogy I proudly present to you the 2018/19 season Treasurers Report.

Our full and detailed financials accompany this annual report. They provide an accounting view of our surf club world which, is highly valuable, yet daunting for those not used to so many figures.

Our club has always focused on the cash in the bank. This is a very easy and particle method of measuring the financial strength of our club as generally speaking our assets are either non saleable (our clubhouse as an example) or depreciate rapidly.

Our proud club is made up of 4 areas, maybe not technically but in reality:

- Surf Club
- Junior Activities
- Old Boys
- Supporters Club

This diversity combined with our unique environment provides both challenges and opportunities. The challenges being obvious from a financial viewpoint in that our expenses are generally exacerbated, and income opportunity reduced due to lack of exposure and public traffic. Our opportunities on the other hand, again referring financially, are generally labour intensive providing genuine environments for personal and team growth

In short, we have always had to work hard for our money, respect the things we own and spend consciously to ensure we achieve the best value for money. See the summary of our bank balances (next column) in comparison to last season. Overall you see a reduction of 8.5% in these balances. On the surface this would appear to be negative and in relation to the earlier statements they are however there are some definite silver linings.

Expenses Summary

To summarise our expenses for the year I am proud to acknowledge we controlled them relatively well. It is important to remember that saving money on any expenses has the same effect as raising valuable money. All members can play their part. It is matter of doing the little things which will all add up.

Capital Expenditure

Capital expenditure relates to assets we purchase.

Bank Account	Apr 30,19	Apr 30,18	Change	Area
WBC- JA Debit Card	1,000.14	1,000.34	-0.20	JA
WBC-JAC Surplus Res	20,886.60	12,109.10	8,777.50	JA
WBC-JA	21,042.21	10,577.95	10,464.26	JA
Old Boys General Acc	8,695.47	9,537.08	-841.61	Old Boys
Old Boys Savings Acc	10,690.15	30,342.96	-19,652.81	Old Boys
Old Boys Term Deposit	61,727.31	60,508.05	1,219.26	Old Boys
WBC-Donations Acc	1,358.91	13,257.47	-11,898.56	Surf Club
WBC-General Acc	66,236.92	86,920.36	-20,683.74	Surf Club
WBC-Generel Savings	66,236.62	86,920.36	14,276.79	Surf Club
WBC-SSG Acc	0.65	16,689.52	-16,688.87	Surf Club
WBC-Admin Debit Card	255.83	5,661.05	-5,405.22	Surf Club
TOTAL	432,803.31	473,236.51	-40,433.20	

These include items such as IRB's, Motors, Vehicles, Boards and this year an ice machine.

The club purchased two IRB's this season from funds received in previous years.

Purchasing of items is generally only done when we have a grant to off set the costs.

Clubhouse Maintenance

Our precious facility takes a lot of upkeep. Unfortunately, this year we got hit with termites with a cost of repairs around \$37,000 in the financial year. The total will be closer to \$40,000.

In previous years we have had the luxury of Clubhouse Hire covering a fair amount of our maintenance. However, this season the net amount of income from hire was down \$28,000.

The unfortunate part to this year's expenditure is that it is repairs only with no improvements. In past years the bar toilets and honour boards made the clubhouse a more enjoyable place.

As lifesavers we occupy the building for a relatively small amount of time. It is important we seek opportunities to grow income from this amazing location whilst we are not using it.

Administration

The professionalism of Surf Life Saving is a credit to the greater organisation. It is an expanding organisation that continues to evolve providing greater services for the public and greater opportunities for the members who volunteer their precious time.

Our club also continues to expand with record membership numbers (particularly in JA), increased fundraising demands, training courses and opportunities for our members to develop within the organisation. Our fine volunteers have increased workloads which has for some time been overflowing into paid administration. The cost of administration continues to climb. This is by no means reflective of the work of our valued paid employees, it is purely a by-

product of the before mentioned advantages.

I would like to reiterate though as it is a major expense to our club that moving forward, we need to ensure we embrace change and particularly technology to ensure we achieve good value for money

Insurance

Another huge cost at close to \$40,000. However, we have a large number of assets (including our members) to protect. This risk transfer is for the long-term protection of our club. Sometimes it is a little too well used when it comes to our vehicles

Competition

The development of our members through competition and training can never be understated. There is no point in having all this great equipment if we have no one to use. Competition is also an important part of a complete members development. At a total cost of \$27,000 it is money well spent as both activities are reward for elite volunteerism.

Income Summary

Our income was down this season. This can be attributed to several key areas including clubhouse hire and no surf girl activity.

Grants and Donations

Again, our grants are primarily used to purchase equipment. The major grants we were afforded this year were:

- VMR - \$23,090 – Used to offset administration costs
- Port of Brisbane - \$15,000
- Sibelco - \$15,000 – Clubhouse repairs
- Various other smaller grants totally over \$15,000

We have traditionally received \$20,000 from the Redland City Council. This is progressing through the council however by the end of financial year we had not received this payment.

All up we received in excess of \$80,000 in donations. A major thank you to:

- Supporters Club - \$35,000
- Old Boys - \$30,700

The remainder are smaller amounts (and don't include JA as I will let Emu do that). Donations from Prawns @ the Point are included as well.

Member Fundraising

We have four major fundraising events throughout the year. Fundraising is an integral part of what we do and vital to keep our club going. Some of these events have been icons that we can continue to build upon:

- House to House Collection - \$32,000
- Aussie Titles - \$17,300
- Prawns @ the Point - \$12,000*
- Calendar Sales - \$300

Prawns @ the Point - Old Boys agreed to sponsor for \$4,000 but put that money into their \$30,000 donation

These don't include competition team fundraising or JA Fundraising events.

Membership Fees

Membership fees exceed \$50,000 and although this looks like a significant sum they are quickly offset by administration and insurance costs. Our membership numbers continue to grow, particularly at JA Level.

Clubhouse Hire

As noted in the expenses Clubhouse Hire Income was significantly down this season. It is imperative we use this asset to assist with our fundraising ventures.

Overall, with the inclusion of Aussie Titles our income was quite good. Next season we will not have the luxury of the same level of donation from the Supporters Club nor the Old Boys and this needs to be factored in.

Of course, we can continue to build on a number of our mainstream activities with an aim to increase value of already popular events.

Thank You's

After seven seasons it is time for me to hang up the calculator and hand over to another member who will come in with renewed vigour and ideas.

Firstly, to Sean, Karen, Alex and Keith as the current Executive – It has been a pleasure to work with you all over the past number of seasons. Granted we have not always agreed but seem to find a way to work it for the betterment of the club.

To other Management Committee members both past and present again my sincerest thanks. There are so many positive ideas floating around it would be great to see them all executed.

Heidi Roscher continues to be the unsung hero of the Treasury department. Many people do not know or see the work Heids does in the background which saves the club thousands of dollars each and every year. She completes the role with humility, and I would not have been able to do the past seven years without her valuable assistance. Thanks again Heids.

Peter Josefski and Dave Finter - You both took on challenging roles in the JA and Old Boys respectively. Well done on taking on the responsibility with great enthusiasm. Your assistance has been invaluable for the overall club.

Ben Whibley and Nat May - Thanks crew – You've been a great help.

To my good mates - Emu, Merv, McInnes, John Bristow and Sean – I appreciate your advice and guidance. There are a few others who fit in the category.....

We have a great club, which is in great financial position, with plenty of gear and a strong membership base. Looking back at the start of my period as Treasurer the clubs bank balance was \$365k - It is now

20% higher. In no way do I take credit for this but using it as a yardstick it suggests we have all the successful ingredients to continue to prosper and continue the work of members who have come before us. Let's take the opportunity to make the next five years even grander than the last five years.

Tony Dodd – Hon Treasurer.

SOS APPEAL

Thank you Julie Gillis for opening your heart and your house to the Club yet again, it is the most perfect of venues for this activity. Not only that, Julie did most of the background money cross checking and banking administration.

Thank you to the Old Boys for your support and donations of time, money, food and drinks to make the day a success.

To the cooks on the BBQ, to those doing the running around, those manning the collection table, the counting team thank you everyone.

Michelle thank you for your tireless efforts in the kitchen, the shopping, the cutting, chopping and prepping for a great day.

Tony Dodd (Doddy), thank you for sorting out the counters, and all of those things you do to make the day and the Club a success.

Thank you to the skeleton crew for covering our patrols on the beach and keeping to our "purpose" of keeping the beaches of Straddie safe.

If I have missed anyone - sorry about that!

Oh yes, our members!!

Thank you to all Club members for showing up, for being there when we need you, for organising yourselves, for taking on new challenges eg the West End crew, the Norman Park/Carina collection families, and everyone else who knocked on doors, pounded the footpaths, stood at shopping centres and liquor barns and generally helped towards our **\$38,000**.

To all collectors and helpers we thank you from myself, the management team and all members who could not make it on the day.

The total collection amounts are listed at the back page of this book.

Regards Sean

PRAWNS AT THE POINT

Prawns at Point 2019 was proudly sponsored by the Point Lookout SLSC Old Boys

Prawns is an institution at our Club and we raised approximately **\$20,000** this year. Notable auction items were the Club safe and the helicopter joy flight as well as artworks from Jarod Coolwell and Scott Christiansen

We are on a winning concept though it is quite challenging to reinvent ourselves every year to find a new theme, prizes and auction items, but luckily the guests just love it.

What is a constant is the support we get from our dedicated Old Boys Committee. These guys do so much for the Club and were hugely supportive of sponsoring the Prawns at the Point again this year. They proudly covered the costs of all food and several other expenses.

Thank you to you, our members, you always show up in strong numbers and give us plenty of time as well as physical and moral support. The team of prawn peelers and skewerers, assistant cooks, cleaners, waiters, and BBQ'ers always do a great job and it is these hidden jobs that are the backbone of any great event.

A big thanks as always goes to Emu, John Gardiner, Moscos and the kitchen crew – wow what a hot gig in there, stuck in the kitchen with soaring temperatures and not much air. There is not enough beer in the world to make that pain go away! You turn out great food and keep the crowd coming back for more, both on the day and each year.

Thank you to Dave for being MC yet again and to Rick for his auctioning skills. Thanks, too, to Pauline for the 12 months of planning for the day.

It always gives me pleasure each year to see these things:

- 1) the look of pain on those faces that tempt fate with Gard's hot sauce,
- 2) the fact that we sell out the event every year without trying too hard,
- 3) the shock on Emu's face when we squeeze a few more in each year and the crowd just love the

atmosphere,

4) the concerned looks on our faces when either Westby or Whitey stand up to tell a joke,

5) the pleasure on Pauline's face with the atmosphere she creates with the hall decorations when the guests come in and say "wow"!

6) The surprised looks on people's faces with our auction items and with the amount of money they fetch. Remember if it's not tied down- I will try to auction it...

7) Peter Bayard who always pulls out all stops. He donates alcohol, he gets us table-ware, table cloths, curtains and kegs. He does a lot for the Club that we never see.

There were 38 people who rsvp'ed to help and we had loads of others who showed up on the day, to everyone who took part – a big thank-you on behalf of the Club...

AUSSIES 2019

2019 saw another year where we, as a Club, tendered on, attended and worked ourselves to the point of exhaustion as the Aussie Titles workforce.

When your Club gets the call up for Aussie Titles (and normally we get the call very late), we shrug our shoulders, curse a bit and say let's go for it, and, this year thanks to our friendly termite invasion, we needed those funds. Following that management decision, Doddy (Tony Dodd) responded and we had a tender response created, sent and agreed to by the organisers within 3 days of the original call up.

It is one of the most grueling, fun, frustrating, invigorating, tiring and most rewarding things that we can do as a club. Why you ask? It's difficult to explain so, next time, just come along and see for yourself.

It is interesting to look at the patterns of those who come along. Like myself, most people start with doing just one day but over time that normally increases. There are now quite a few members that take a week or two off and come for the whole program.

It is fun doing the work. It is amazing watching the competitors, their grit and determination, and it is very rewarding seeing us, as a Club, pull together to complete task at hand. Not only do we perform well, we perform above the expectations of most of the organisers, officials and other Clubs competing.

Time and time again I have heard it said that 'if Point Lookout is doing the workforce it will be done exceedingly well.'

Why? It is because of the pride we take in doing the job and flying the flag for Point Lookout. No job is too hard or can't be done. We are still waiting for final bills to be paid and for the overall payment from SLISA, but we think we have raised just over **\$20,000** for the Club this year.

Thanks to Don Stevenson for being the brains behind the organising, Don is the quiet achiever: always there planning, taking time away from work and family to collect things from the island, pack trailers, move vehicles, shop, think, plan and do. Thank you Don!

To the Old Boys, we cannot say thanks enough! The Old Boys meetings are always spirited and fun and, as Old Boys Committee, they get a lot done for the Club. They expect nothing in return but a cold beer and our thanks.

On this list were attendees Merv Meares, Jim Comerford, John McInnes, Terry Daley, Bob Dempsey, and Peter Burke. These guys become teenagers again when they hit the beach, lots of energy, agreement and disagreement but they always got the job done. Thank you to Peter for organising and directing the day's activities.

There were lots of photos, laughs and happy memories from each of the Aussies but 2019 to me was special. We ended up with a house that could easily sleep about 15 people so this year we had everyone under the one roof. It was worth it to hear the Old Boys carrying on each evening, telling lots of good stories, bad lies, remembering lots of history and generally sitting in front of TV (but never watching a single show), helping in the kitchen (frequently removing beer from the fridge) but not getting in the way of any cooking or washing up. Just being around these guys you soak up a lot of the history of the Club and hear some of the stories that will never make it to an Annual Report.

Special thank goes to those people who attended Aussies 2019 that were not even Club members though they joined up on the spot. These people were Ann-Sophie's mum (or was it Ann-Sophie?), Eliza (McInnes granddaughter who calls him "Big Chief"), Tatum (Elize's best friend who also calls McInnes "Big Chief"), Paul (Jacko's nephew) and Greg from Mermaid SLSC who attended on multiple occasions and worked tirelessly. Alex also convinced a couple of former clubbies to come along.

Following is the list of people whose names have been recorded on the daily sign-on sheets for 2019, 2017 and 2015. These lists may not be complete but, if you are not mentioned in the report, then sign the sheet next time...

2019: Sean Fallon, John McInnes, Merv Meares, Don Stevenson, Peter Burke, Jim Comerford, Will Hagan, Ulf Winkles, Terry Daley, Bob Dempsey, Tatum Rodrigo, Eliza Trout, Greg Moreton, Pauline Knowles, Elisa Morris, Simon Johnstone, Adrian Marriott, Lilly Morris, Julie Verrall, Vassa Afa, Sharon Brennan, Rhys Daley, Linda Hagan, Nick Hughes, Don Jackson, Paul Kimmich, Alex Langenberg, Bridget Larnach, Peter Letnic, Wil Letnic, Brent May, Emma Meyer, Carolyn Morthorpe, Emily Neal, Julian Newton, Matt Robinson, Hayley Robinson, Kim Stallard, Mike Stone, Kate Turvey, Clayton Walker, Julie Ward, Michael White, Anna Bradley, Riley Brennan, Jackson Brennan, Jon Bryant, Brenda Casey, Jayden Cozayne, Tony Dodd, Tony Eccelston, Luke Edwards, Caitlin Ferguson, Dave Finter, Gemma Francis, Bree Hinchy, Lisa Jackson, Pete Josefski, Darren Kurkowski, Anita Langenberg, Judy Loble, Jesse Mantell, David Meyer, Ollie Meyer, Bruce Middleton, Emma Muller, Libby Muller, Peta Nash, Kayla O'Shea, Jamella Ogilvie, James Openshaw, Joel Pryor, Jason Rasmussen, Eddie Retimana, Jordan Roberts, Lincoln Somerville, Scott Stephenson, Ann-Sophie Sullivan, Brett Van-Dongen, Dave Westby, Hannah Woinarowski, Darren Woodward, Cassidy Young.

2017: Sean Fallon, John McInnes, Merv Meares, Ulf Winkles, Jim Comerford, Don Stevenson, Bob Dempsey, Peta Nash, Caitlin Ferguson, Karen Bodger, Rhys Daley, Jeff Daley, Linda Hagan, Callum Brennan, Sharon Brennan, Jackson Brennan, Will Hagan, John Hagan, Simon Johnstone, Jon Paterson, Ann-Sophie Sullivan, Julie Verrall, Vassa Afa, Riley Brennan, Jon Bryant, Terry Daley, Dave Finter, Wade Harrison, Pauline Knowles, Judy Loble, Jesse Mantell, Bruce Middleton, Elisa Morris, Cody Nash, Erin Oxeham, Janet Oxenham, Jason Rasmussen, Clayton Walker, Michelle Westby, Michael White, Rodney Winkleman, Cassidy Young, Kellie Young.

2015: Peter Burke, John McInnes, Bruce Middleton, Don Stevenson, Merv Meares, Jim Comerford, Karen Bodger, Kerry Iacopi, Carolyn Morthorpe, Jessica Verall, Di Stevenson, Ulf Winkles, Rick DiTrapani, Mike Flanagan, Sandra Middleton, Sharon Wade, Suzana Andracic, Lisa Jackson, Elisa Morris, Connor Stevenson, Kellie Young.

Some of the Point helpers at this years Aussies: Scott, Jordan, Nick, Emu, Eliza, Tatum, Julie, Sharon & Elisa

FIRST AID

I would like to start by saying thank you to all the people that have helped keep the first aid room clean this season. This task is vital because if a first aid does need to be conducted, we need the room to be as clean as possible for hygiene reasons. Keeping it clean also provides a better image for the club if a member of the public happens to be there. Finally, thank you to any member who properly checked the first aid kits and managed to find either missing or outdated first aid supplies, then contacted me or wrote it on the board. I would like to say that the most effective way to tell me if we have run out of something is to either text, email or give me a call, my number is in the first aid room.

First Aid treatment breakdown:

Fractures / Dislocations	0
Marine Stings	384
Major Wounds	0
Minor Cuts / Abrasions	246
TOTAL FIRST AID	630

Congratulations to all those patrolling members who achieved their Advanced Resuscitation award and those who received their First Aid award this season. It is great to see enthusiastic members upskilling in such an important area of surf lifesaving. If you don't already have these important accreditations please put them on your priority 'to do' list for next season.

*Ollie Lawson
First Aid Officer*

TRAINING

The 2018/2019 season saw another successful year in training at Point Lookout SLSC. Once again my congratulations go out to all members that have achieved a new award this season and indeed all of those that have continued with their annual proficiencies. Our members completed approximately 247

new awards this season not including JA Awards.

This season we had Katie Price and Caitlin Ferguson step up for a second season as Assistant Training Officers. During the first half of the season they met with me nearly every Thursday morning to help plan training courses and proficiency for the season. Katie was also our youth development officer again this season and Caitlin gained her Bronze trainer award and her Gold medallion. Katie and Caitlin spent many hours with me assisting to plan the season's training. I would like to thank them for their efforts and dedication to the role - Very well-done ladies.

Skills Maintenance went well this year thanks to help from my assistants and our club assessors and trainers. The proficiency weekends were well attended with most members able to attend the designated dates. Thanks to everyone that came on the designated proficiency weekends and assisted with the smooth running of these days.

This season has seen 42 Bronzies and 13 SRCs gain their awards - most of these participated on the patrol roster.

The Traditional September SRC / Bronze camp this season saw David Westby, Elisa Morris, Katie Price, Caitlin Ferguson, Michael Stone, Ashleigh Whelan, Bridget Larnach, Cassidy Young, Lilly Morris, Sarah L'Barrow, Ollie Meyer, Hayley Robinson, Kyle Trevor-Jones, Lili Leaney, Brooke Sawtel, Greg Moreton, and myself train up 11 SRCs and 22 Bronzies. Catering was handled exceptionally well by the amazing Louise Brier who made sure that we were all well fed. Next season we are going to need to have other parents step up to assist with the cooking as Louise will not be able to continue in this role.

Caitlin Ferguson delivered our only 9-week squad this season training 4 Bronzies and 2 SRCs and gained her Bronze Trainer award along the way.

We ran another Bronze Camp in January for adults this season. We had 10 members attend gaining their Bronze Medallion. These members are now assisting Junior Activities with water safety and assisting with patrols. Emily Neal, Wayne Cole and Gary Morthorpe

delivered the training with Emily gaining her Bronze trainer award during the course. The group was kept well nourished by Matt "Emu" Robinson who looked after catering for the group.

This season we have trained 5 Bronzies as part of the Canadian "Lifeguards Camp" with training done by Sarah Sammut who returned from Canada to train them. Thank-you Sarah!

We have had another massive year for IRB training with 7 new IRB Drivers and 28 new IRB Crew. A huge thank-you to Michael Stone and David Westby who between them gave up 19 Sundays to train them. Also thank you to all of the IRB Drivers who assisted with their training especially Keith Weinert who attended nearly every IRB training session this season. We also need to extend our thanks to Bruce Middleton who performed the role of TACO for our IRB squads.

Other training this year: -

12 Radio Operator; 4 Observers; 65 CPR; 49 First Aid, 16 ART; 2 SMBBM; 6 TAEASS502; 2 TAE40166
1 Assessor IRB

With all of this training comes the need for a lot of assessing. Our thanks go out to Wayne Cole, Gary Morthorpe, Michael White, Michael Stone, Garry Goodey, Bruce Middleton, Jeff Paskin, Wayne Cole and David Westby, for all of your efforts with assessing these squads. Also thank-you to the Assessors that have undertaken additional training this season to upgrade their Assessor skill set to remain compliant. Yes, guys I do know how hard it was!

As you can see, a lot of people have contributed to the training and skills maintenance of our current and new members. A big thank you to all members who assisted with training this season, Trainers, Assessors, Water Safety, Cooks and those people who subbed for their friends so they could train. You should be very proud of yourselves when it comes to participating in training either as a participant or training and assessing, Point Lookout punches way above its weight in the branch. It all helps to make Point Lookout the best club to be in – Go The Point.

Don Stevenson
Cheif Training Officer

NEW AWARDS GAINED 2018/19 SEASON

CPR and/or First Aid:

Jannine Bradley, Callum Brennan, Rian Brennan, Jonathon Bryant, Devan Casey, Luke Casey, Darren Chay Loy Soon, Wayne Cole, Luke Edwards, Caitlin Ferguson, Rhett Foreman, Nicolas Gibney, Linda Hagan, Brittany Hall, Wade Harrison, George Hill*, Kevin

Hogan, Don Jackson, Charlotte Johnstone, Pauline Knowles, Darren Kurkowski, Nicolas Langenberg, Sarah L'Barrow, Tyson Loskill, Deborah Madsen, Mia Madsen, Adrian Marriott, Brent May, Oliver Meyer, Elisa Morris, Carolyn Morthorpe, Gary Morthorpe, Emma Muller, Laura Munro, Jason Nankervis, Cody Nash, Peta Nash, Rosemary O'Connor, Kayla O'Shea, Serge Pankevich, Trent Pilon, Ella Rhodes, Jayden Robinson, Christopher Robson, James Ryan, Jeffery Saunders, Daniel Scanlan, Lincoln Somerville, Lachlan Stein, Scott Stephenson, Lucia Stevens, Hunter Stevenson, Alanah Swaney, Brody Trevor-Jones, Mikka Vende, Sacha Vende, Luca Walton-Smith, Neve Walton-Smith, Anne-Marie Westby, David Westby, Sarah Williams, Archie Wills, Ulf Winkles, Rodney Winkleman, Darren Woodward*

Advanced Resuscitation:

Jonathon Bryant, Rhett Foreman, Nicolas Gibney, Kevin Hogan, Donald Jackson, Sarah L'Barrow, Adrian Marriott, Brent May, Oliver Meyer, Trent Pilon, Ella Rhodes, Christopher Robson, Scott Stephenson, Ulf Winkles, Rodney Winkleman

SS S2 Boat Sweep Accreditation*:

Jeffery Daley

*DENOTES AWARDS UNDERTAKEN AT OTHER LOCATIONS

IRB TEAM

The 2018 season kicked off with the five round Ocean Roar series, providing the Point Lookout IRB Team the opportunity to prepare for State and National championship events. Aside from strengthening our already strong team spirit, these events also provide genuine opportunities for the reinforcement of essential lifesaving skills as drivers and crews are tested through a range of simulated rescue situations. These skills are important in keeping our many beaches safe throughout the season.

While the team did not secure any medals at the 2018 Queensland State IRB Championships held at Kurrawa, they placed 9th in the overall point scores out of a field of 17 which comprised of some strong competition.

Keen to show the other states how it is done, the Point Lookout team travelled to Thirroul to compete in the Australian IRB Championships. Again the competition was fierce, as were the conditions. Extreme surf conditions called for the first two days being cancelled, with only the Male and Female Surf Rescue and Male Team events being run on the final day of competition. These events saw two of our Female Rescue Teams and one Male Rescue Team knocked out in the semi-finals and Jordan Roberts, Rhys Daley and Lilly Morris going on to secure a bronze medal in the Open Male Surf Rescue event. Congratulations to the team and all who endured the long drive, cold weather and lengthy waits to be there to cheer them on.

Again we were blessed to have a big parent following throughout the season which was much appreciated by our team and the envy of many others. Many were in awe of the team spirit displayed by the team which is a credit to Natasha Dennis in her role as Team Manager for the past 8 years and Scott "Stepo" Stephenson who has coached the team for the past 10 years.

The 2018 season saw both Nat and Stepo step away from their positions leaving some big shoes to fill. While Jason Nankervis and I are honoured to be taking over their roles we are forever grateful for the commitment shown by Nat and Stepo into making the team what it is today. We enjoy seeing Stepo each carnival in his new role as an official and look forward to seeing Nat cheering her team on again at the 2019 State Championships being held on the island at the end of June.

Louise Brier
Team Manager

SURFSPORTS

Another Patrol Season been and gone, this being by first at Surf Sports Director. Its been sometime since I've attended any beach carnivals, but I did manage to get to a few. Notably, State Championships to see young Riley Shilling take out the silver for U17 2km Beach Run. Great Effort Riley!

Also, I got to see our Surf Rescue & Patrol Teams at Bilinga - too many names to mention - but it was a great representation of the younger members of our club. It was awesome to watch our First Aid teams, mainly made up of our young girls, go through their scenarios.

Our Patrol Teams excelled in the areas where our club has always been so strong. Notably, the Under 15's Patrol Team of Jayden Robinson, Charlotte Johnstone, Lincoln Somerville & Bailey Somerville wining Gold at States.

Over the years I've been with our Club, we have always punched above our weight in this area of competition and I am proud to say that tradition continues, especially with the guidance of members, such as Matthew "Emu" Robinson, who I must thank for his assistance throughout the season. The future of our youth is in good hands under his watch.

To our IRB and Pool Rescue teams are always flying the Red, White & Blue proudly. My involvement in IRB racing over the last few years has been fleeting, but I've had the privilege to be 'Boat Bitch' for our team this season and enjoyed myself immensely. Once again, a relatively young and new team have had some amazing results under the guidance of their new coach Jason Nankervis, and with the State Titles at our Home Beach this year they won't disappoint!

I must not forget our 'old fellas', Kim Stallard, Tony Langenberg, Simon Johnstone, Emu - our Pool Rescue Masters. You might not have won any medals, boys, but a least I can get your names in the report!

In closing, I would like to thank all the officials that helped us out at the Carnivals, all the parent supporters that showed up to watch, not just your own children compete, but also to support other families in the true Point Spirit. Also, to anyone that delivered Training and/or Teaching skills to our competitors I thank you. Many hours go into get to the starting line of these competitions and your efforts don't go unnoticed.

A full list of competition results is listed on the following pages.

Thanks again.

Michael 'Moscós' Stone
Director of Surfsports

2018-19 SPORTS RESULTS

2018 AUSTRALIAN IRB CHAMPIONSHIPS

13th – 15th July, 2018, Thirroul

3rd – Open Rescue Race

Rhys Daley, Lily Morris, Jordan Roberts

2018 QLD POOL RESCUE CHAMPIONSHIPS

21st/22nd July, 2018, Gold Coast Aquatic Centre

1st – U11 Male Patient Tow with Fins

CONGRATULATIONS!

RILEY BRENNAN (U13)

SOUTH COAST BRANCH TEAM REPRESENTATIVE

MEMBERSHIP

Hello and thankyou to everyone for a wonderful season.

It has been my pleasure to be the Director of Membership this year and I would like to start by thanking Sean, Karen and the rest of the team for their patience with me this year as work took me away for periods of time and I was not able to commit to many meetings. I would like to express my gratitude to Nat May for taking on the role of Club Administrator, Nat is doing a great job and has assisted me recently with getting this report ready.

The development of members and encouragement of new people to the club is a role for all of us, not a specific position for one person. From nippers who enthuse about their weekend exploits at school, to the positive and enthusiastic young members who actively encourage involvement in junior activities not only including patrolling duties, to the parents who encourage their friends to join their kids up for a great summer, we are all involved in getting the word out about our wonderful club and the life pathways surf lifesaving can offer.

We, as a club, provide a unique environment for family involvement to thrive. We are not the club where kids get dropped off and picked up after nippers. We are so lucky to be able to spend whole Saturdays together which assists in the bonds of almost family to thrive over years of club involvement. We need to ensure, as existing club members, we encourage questioning from new parents and encourage involvement in all events and educate all in the aspects of the day-to-day operations and facilities of our club. Everyone has to start somewhere and recognise that we all have something to offer, whether it be learning the communication skills necessary to be an effective

radio operator, or to have the fitness and ability to gain their Bronze Medallion and become an active patrol member. The success of our club in the future relies on our relationship and encouragement of new members now.

A surf club needs a variety of people with diverse skills to function effectively. Yes, we need our talented, fit and strong nippers to grow into proud patrol members who will brave all the elements our beloved Point can throw at us, but we also need to embrace the mums and dads, the nipper lunch teams, the pub raffle sellers, the BBQers, the talented chefs in the club kitchen and the organisers and orderers of all the food and drinks we enjoy.

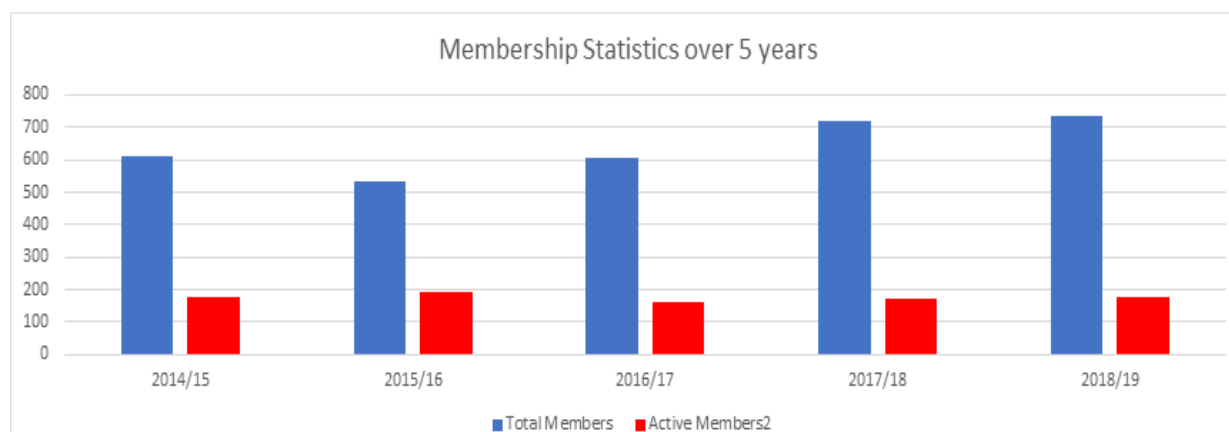

We are all lucky to call Point Lookout SLSC our club, but we need to ensure we encourage and assist in the education and support of new members with communication, enthusiasm and dedication to a worthy cause. This is a role for everyone.

In recruiting, there are no good or bad experiences - just learning experiences!!

This is a graph of members for the past 5 years. This shows that while our membership is quite healthy the numbers that are active members has stagnated which is a cause for concern as we constantly struggle for patrolling numbers each weekend. I would like members to please think about committing to patrols next year to help the club maintain our presence on the beaches at Straddie.

Enjoy your off season and see you all in September.

*Michael White (Whitey)
Director of Membership*

YOUTH DEVELOPMENT

Before I begin listing all of the incredible achievements that our Youth have accomplished throughout the season, I would like to say thank-you. Firstly, I would like to thank all of the under eighteen members who commit their weekends to our surf club, without you on our beaches, we would not be able to meet the required numbers on a lot of our patrols. Secondly, I would like to thank everyone who has unknowingly mentored our youth, from helping them out to complete duties, to showing them the ropes with gear set up, you are the leaders that are shaping the future of Point Lookout SLSC. Lastly, I would like to thank each and every member of our surf club, whether you are an active member, a junior, a cadet, a nipper or a parent, you all play an integral part in making our surf club the family that it is.

This has been my third season as the Youth Development Officer and over the past three years it has been my absolute pleasure to be able to stand alongside each and every Junior and Cadet whilst they have made their way through our club. I feel beyond grateful to have had the opportunity to get to know each of you, to be by your side whilst you train for your SRC and Bronze, and then to be able to patrol with you as a fellow surf lifesaver. You have all taught me something new and have allowed me to grow as a person and a lifesaver and I personally want to thank-you for that. Thank-you for all that you have done and continue to do for our surf club.

Throughout the season, our Youth are given the opportunity to attend Club, Branch, State and National leadership and development camps. These camps are an incredible opportunity for our members to meet like-minded lifesavers and make lifelong friends whilst personally developing themselves in fun and engaging environments. To start our season off we had our annual Cadet Camp which is for our Under 15's and takes place at the surf club each season. This camp is always a fun and easy going one where our Cadets are able to get back into the swing of things and get to know each other better before the season commences. We then had Survive the Point, so a massive thank-you to Will Hagan for once again running an action-packed weekend for our Gold Coast members. The next camp for the season was the Gold Coast Youth Development Camp for our Under 13's to Under 15's held at Tyalgum. It was great to see so many of our younger members make such a positive impact in each of their teams and the feedback we received across the weekend made me very proud of you all. BREAKA is always a great weekend for our Under 15's to Under 17's and once again the Point Lookout participants each represented the club with pride. The four participants this season showed me how unique and diverse leadership

can be and that dependent on the situation and dynamic, it is important to always employ adaptability. Congratulations to all of our members that attended any of the camps across the season.

During the season, there were a range of events and theme nights that were enjoyed by all that attended. Thank-you to all that were involved and we hope to continue these across the seasons to come. I look forward to another season filled with afternoon Adder trips, Mexican pool parties and movie nights in.

Point Lookout is a unique surf club and each member has a vital role to play. To our youth, you are our future and your commitment and dedication to our surf club is seen by us all. I can't wait to watch you all grow into the incredible young adults that I know you are all going to be.

Thank-you to everyone who has shaped these past three years of my being the Youth Development Officer. Thank-you for all of the help, patience and energy that you have all provided me and the love, laughter and good times that we have had. I feel greatly humbled to have been part of such a unique club, thank-you for being the second family that I never knew I needed so much.

Katie Price
Youth Development Officer

2018/2019 PROGRAM PARTICIPANTS

Survive the Point

Participants – Hayley Robinson, Kyle Trevor-Jones, Ashleigh Whelan

Leader – Katie Price, Ann-Sophie Sullivan

Co-ordinator – Will Hagan

GT Lifesaving Excellence Program

Participants – Alex Langenberg, Oliver Lawson

Co-ordinator – Sarah Sammut

Gold Coast Youth Development Camp

Participants – Bailey Somerville, Sophie Saunders, Maya Sheil, Nena Williamson, Satchi Ogilvie, Josephine Beqiri

Breaka Youth Excellence Program

Participants – Ella Montenegro, Libby Muller, Anna Prasek, Jayden Robinson

Mentors – Alex Langenberg, Katie Price

UQ SLSQ Leadership Excellence Program

Participant – Nic Langenberg

THE GT LIFESAVING EXCELLENCE PROGRAM

The 2018/2019 season saw another successful GT Lifesaving Excellence camp. Building from last years program, the program was offered to the South Coast and Point Danger Branches, and I hope to see the program continue to grow over the years.

Once again, I am indebted to Calan Lovitt and MJ Bates who continue to give generously of their time to train the attendees and ensure that the tradition of Point Lookout SLSC, and GT's legacy continues. They do, as he did, believe in un-compromised vigilance and service, compassion, and the pursuit of a full and rich life through continuous learning and harnessed opportunity. Their extensive knowledge and capability ensured that the visiting lifesavers felt supported to improve their skills and returned to their club with a wealth of new information and motivation to continue to enhance their skills.

The weekend had a strong focus on team work, decision making and scenario training in the ocean environment. It was rewarding to see the progression of the participants as individuals and as a group and to see them push the limits across all skill domains. For myself, it was most encouraging to receive such positive feedback from participants, particularly regarding the unique nature of the program. As trainers, we see the value in promoting continuous education between and beyond the formative lifesaving awards across the country.

I thank Point Lookout SLSC and all of the members who worked behind the scenes in supporting me to present this program.

With gratitude,
Sarah Sammut

CONGRATULATIONS

to Club Member, Bronzie and Nipper Dad **Stuart Donnachie** who swam the English Chanel in June 2019. What an accomplishment and great achievement.

This was not your average can swim!

IRB OFFICER

It has been a productive season in the IRB gear shed with many handy upgrades to fixtures including a new mobile motor stand and a replacement static motor stand rail. With the input of a lot of people, the gear shed has operated relatively smoothly with minimal disruptions due to untimely breakages.

The logistics of getting the gear off the island for repairs and servicing is an ongoing challenge but with the help of some key people this hurdle has been cleared successfully this season.

I would like to send out a big thanks to John at Neptune Marine for his great service in repairs and maintenance on our motors and boats. Their service has, as with previous years, been prompt and good value for money. Unfortunately, John has sold the business. Thanks again, John, for all the years of great service and all the best for the future. The new owner, Chris, has been very welcoming and I am confident the great quality of service will continue.

During the season we received some great donations and grant monies which has enabled us to finish the season with two new IRB motors and boats ready for the 2018/19 season.

Once again we have had a good number of new drivers and crew get put through their paces by a dedicated group of trainers which will help boost our numbers on patrol, well done all!

All the best to the IRB racing team for the off season competition events.

Have a safe and enjoyable off season and I look forward to seeing you all on the beach and in the water for the 2019/2020 season.

Kim Stallard

MOBILE SERVICES

With two busy beaches and being based on an island, our vehicles are more important to our activities than to most other clubs.

This season we used all of our vehicles to transport members and equipment between Main and Cylinder beaches. They were also used to carry members to carnivals, junior activities as well as being used for the transportation of training equipment for both new and existing members.

In all fundraising events throughout the season, our vehicles have been a vital asset, especially for our effort contributing to the workforce at the Australian Lifesaving Championships. Our club busses were also used to transport dignitaries to Queensland's Parliament House earlier this year.

As always, we would like to thank JJ Richards for supplying us with our diesel fuel, as well as Stradbroke Ferries for getting us to and from the island each and every week of the summer season. For keeping things running smoothly, I would like to thank Jeff Paskin and Gavin Kugler for all of their assistance during the season as well as Wayne Cole and Darren Woodward for all their ongoing help and support with the tractor.

For next season, our priority is for all members to keep our vehicles clean and damage free.

Clayton Walker
Vehicle Officer

GEAR & EQUIPMENT

What a great season!

The 2018/2019 season in the gear shed was well organised, and we had very few equipment issues.

The new stock of Kracka rescue boards are holding up better than ever, and are very light and great to paddle, unlike the boards from previous years.

We will be look at acquiring some new tents from another supplier, as the tents were not very durable. The flag bases (pinapples) will be replaced in the off season through the lifeguards, so they should be looking brand new for the start of the next season.

Thank you to every member that did patrols this season and for looking after our patrol equipment. Enjoy a well deserved break, and we will see you back on the island next season!

Cal Lovitt

COMMUNICATIONS

I would like to start by saying Point Lookout Surf Lifesaving Club has achieved yet another season of excellent service to the lifesaving community and general public around the North Stradbroke Island region. Every member who assisted in some way or another has contributed to a massive season.

This season, communications have been shown to be a critical part of the services we provide due to the geography of the patrolled/unpatrolled beaches. We may take it a little for granted, but the fact that we can get good, reliable comms to some remote locations around Point Lookout is not a bad effort.

Thank you to the radio operators throughout the season who spent their time in the radio room, keeping an eye on the beaches and being there when the patrol members needed you the most. Also, thank you to everyone who did their part and looked after the radios and the radio room.

As always, a big thank you to the other officer bearers, management, patrol members, supporters and everyone else who has contributed to a fantastic 2018/19. Look forward to seeing you all again soon on the beach.

Gil Rhodes – Communications Officer

MERCHANDISE

It is pleasing to report on Merchandise sales for the season. We have sold dozens of T-Shirts, back packs and men's togs this season approximately \$20,000 for the season.

This is mostly done at cost or as near to cost as we can get after allowing for delivery charges and any embroidery charges.

The special orders for backpacks and bronze jerseys have been working really well with people pre-paying for these sorts of one-off lines.

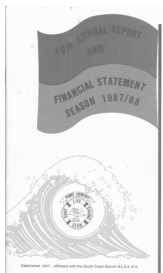

The really big hit for this season was the Club T-Shirts both for Aussie Titles and just for general sale to members. These are also available for non-members if ever you want them for Christmas gifts.

We are starting the season with plenty of stock of our core range of swimwear, shredskins, patrol uniforms, caps, towels, patrol jackets and polos so please yell out if you need anything to start the new season.

Have a great off-season, see you next season.

Pauline Knowles & Sean Fallon

CLUB HISTORY - 1987/1988 SEASON

Welcome to the "historical" section of this year's Annual Report – a walk down memory lane from 32 years ago in the 1987/88 Season.

A former Palm Beach life saver – Greg Batchelor, was President, George Hill Jnr was Captain for the third year. Other position holders which are still associated with the club included Ian

Ames (Treasurer & Vice President), Julie Keen (Assistant Secretary), Mike Stone (Clubhouse Director & Assist Chief Instructor), Shane Modini (Gear Steward & Assist Truck Officer), Jeff Daley (First Aid Officer & Carnival Manager), Darren Woodward (Power Craft Officer), Greg Keen (Radio Officer & Branch Delegate) and Matthew Stevenson (Assist Radio Officer).

Simon Johnstone and Sharon Wright (Brennan) were last year Nippers.

Surf Girl was school girl Helen Commons who along with her assistants in fundraising – George Hill and Darren Woodward raised a club record \$9,650.

Proficient Members included 27 Seniors, 18 Juniors and 7 Cadets however

the second half of the season saw a big drop in Senior members attending the Point causing the Captain major concerns – at this stage there was no Patrol Roster and patrols were made up of whoever came over for the weekend. The Captain would introduce a Patrol Roster the following season to ensure numbers.

Gary Terrell was awarded the 15th Life Membership – a very popular choice and thoroughly deserved.

There were 56 rescues of which 29 were carried out by IRB crews.

There were 135 minor and 25 major first aid cases.

Club Expenditure was \$109,600 and Income \$103,600. Main income items included state government subsidy \$16,000, Surf Girl \$9,650, Redland Shire Council \$8,000. The Nipper's section of our club was 20 years old and included 81 boys and 49 girls and a willing band of parents.

Old Boys Association Treasurer Peter Barnes – a big help to myself as Club Treasurer, was shot in the face in a hold up at the Wynnum bank where he

worked. He survived but was blinded and suffered facial injuries – a shocking crime to a fantastic club member.

Carnival wise the club performed very strongly in many areas including winning the Branch Patrol Competition held on our home beach then a second in the state. We also won the Branch Patrol Efficiency competition which earned us a new IRB motor.

First Aid wise Jeff and I got 2nd in the Branch, won the State and got 3rd in the Australian. Very pleasing was the results of our two Junior Teams – Rhonda Bostock & Matthew Robinson won the Branch and got 2nd in the State, and Matthew Stevenson & Richard Black got 2nd in the Branch

and 4th in the State.

The IRB teams scored well at the Branch IRB titles held at the Point with 3 firsts, 1 second and eight thirds.

In Club Championships the Open winner was Jeff Daley who also won the Senior Champion, Matthew Robinson was Junior Champion and T. Kite was the Cadet Champion.

Club's Highest Awards – Club Esteem – George Hill, Outstanding Achievement

– Peter Clancy, Best Patrol Member – Gary Terrell, Best Trier – Matthew Stevenson, Best Fundraiser – John Evenis, Most Improved Swimmer – Terry Gillis, Best Carnival Competitor –

Open First Aid Team Ian Ames & Jeff Daley and Screw Up Award – Paul Saffigna.

Bribie Island beat the Point in the Annual 2 way carnival which was a bitter pill to swallow.

There were 178 Awards achieved over the season which was a big effort by the Chief Instructor, Gary Terrell, and all involved.

As mentioned earlier – the IRB's are a vital piece of surf rescue equipment. This year our first IRB – SR37Q was retired after 11 very successful seasons. The two current IRB's – SR32Q and SR002Q will now share the responsibilities of patrolling and rescuing at the Point. The IRB team took possession of an Arancia IRB for competition.

Overall it was a very busy and successful season with many highlights. The drop in Senior numbers post Christmas was a concern and needed to be addressed.

I hope you have enjoyed an insight into life at our club 32 years ago.

Ian Ames
Life member

SLSA MERITORIOUS AWARD

On the 7th of April 2018, Point Lookout SLSC was called to the unpatrolled and secluded Frenchman's Beach. A family visiting the beach had entered the water when the brother and sister were swept 100m off shore in a strong rip.

Dangerous conditions challenged the Point Lookout IRB crew as they battles three metre swells to reach the two teenagers. A second IRB did not launch but remained on stand-by as the conditions were deemed unsafe to do so.

When David Westby and Ollie Meyer arrived on the scene in the IRB, one of the teenagers was floating on his back from exhaustion. The other teenager proved problematic to drag onto the boat, however after three attempts they safely got her aboard. Both patients were safely returned to shore where the rest of the patrol called the ambulance and made them comfortable.

Congratulations Patrol Group 4 for your dedication to service and ensuring a happy outcome for all involved.

SUPPORTERS CLUB

It is with great pleasure that I present my first Point Lookout Supporters Club report.

I'd like to say a big thank you to Pierce Gage, who after several years as President, stepped down this term for a well deserved rest. Pierce achieved a lot in his term as President, refining processes and policies.

To my committee, Sean Fallon, Simon Johnstone, Emu Robinson, Heidi Roscher and Nadine Kugler, thanks for your support, and not to forget the 'rock of all things financial and legal', Tony Dodd. You've all been awesome.

The year has been a testing one with white ants and roof issues forcing closures and reducing trading for the bar. To Moscos and Dave who have been fighting the battle of the leaky roof, thank you for all your blood, sweat and tears. Hopefully the battle is drawing to an end.

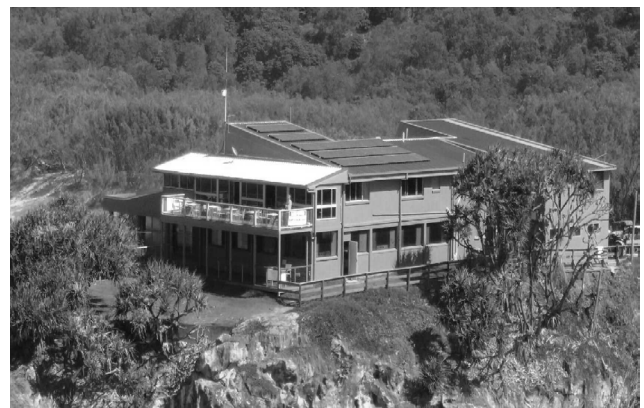

To our Facilities Manager, Peter Bayard, and his staff, Stacia and Deva, your services are appreciated not only by the members, but also by members of the public who enjoy a quiet drink on the deck on a hot afternoon.

Throughout the season they have had live music on most Sundays, hosted a clothes swap event, open mic nights and food truck nights just to name a few. It's great to see the locals enjoying our clubhouse again.

There are some testing times ahead due to a number of factors beyond our control. School group hire has been slow mainly due to changes in Camp Criteria, and added to that, alternate wedding venues have opened at the Point, further reducing our income stream.

Unfortunately it looks like the next 12 months will be just as challenging, but hopefully we'll turn the corner for better times sooner rather than later.

Cheers
Rick Bodger

OLD BOYS

It has been another active season for the Old Boys. The Old Boys were represented by the following committee members:

President – Larry Roberts
Deputy President - Gavin Kugler
Secretary - Tony Dodd
Treasurer – Dave Finter
Director – Simon Johnstone
Director - Jim Comerford
Recruitment Officer – Simon Johnstone

Thank you to all position holders for your diligence throughout the season.

Here are some of the highlights of the year:

Old Boys Events

The traditional Moreton Trip was held and attended by close to 40 members. It was a great time to catch up and enjoy each other's company.

Of course, there is a serious side to the weekend where we take the time to remember our past members. This was particularly moving as we celebrated the decorated life saving careers of Dave "Sprocket" Powles and Rod "Sportin Sam" Doolan.

Mark Tonkin organised a great Christmas Party which was attended by close to 60 members. Again, another great opportunity to enjoy each other's company and tell each other how good we once were.

With the Aussies Titles ramping up the Old Boys were there in numbers to put in solid days of hard work to assist the club in this large fundraising event. Our sincerest thanks to President Sean for being the perfect host and dealing with our many requests.

Earlier in the season our crew also helped with the annual clubhouse clean up. It was great to mingle with the current crew and help out where we could.

Old Boys Raffles

The Old Boys raffles at Moreton Bay Trailer Boat remain a success for the club and also the patrons who

enjoy the attempted comedian efforts of our sellers. These have proved very popular with operations going very well. Thanks, and well done to all Old Boys who have helped out or come along.

Old Boys Help and Assistance

The Old Boys were happy to assist with House to House, Prawns at the Point & Junior Activities. This be either financial or with man power. Towards the end of the season we were very proud to donate \$30,000 to the club to assist with building works caused by termite damage.

Thank You

The Old Boys would like to thank the Moreton Bay Trailer Boat Club for their continued support with our raffles.

MBTBC and Kugler's Concreting are the shirt sponsors for the Old Boys and we appreciate your financial support.

Summary

The Old Boys was formed to encourage good fellowship amongst its members, their families and guests. We are there to provide assistance to the club and encourage membership with the club. Our activities this year have fulfilled these objectives. In the coming years we have a number of major considerations to ensure the club continues to thrive whilst promoting the values that got us here today.

If you ever want to know anything about the Old Boys don't hesitate to give me a call.

Larry Roberts - Old Boys President

LIFE MEMBER

MICHAEL 'MOSCOS' STONE

Nominated By: Keith Weinert

Seconded By: Sean Fallon

Life membership is the Club's highest honour awarded to those who have distinguished themselves by providing extraordinary and conspicuous service to our Club.

Mike 'MoscOS' Stone is a person who typifies the motto of the surf lifesaving movement "Vigilance and Service".

MoscOS joined the Club in October 1971. Thus began an association with Point Lookout Surf Life Saving Club which has spanned more than 45 years.

His long association with the Club has taken many forms over the years but on the whole you can see a steady increase in his commitment and involvement and currently Moscos is a fixture at the Club, it seems like he's there 24/7.

MoscOS been a stalwart of our Club on many levels – whether its covering patrols, administration, building maintenance, the day to day running of the Club, housing and feeding our members, lifesaving support, examinations and training, competition, nipper education, attending fundraising events - he is always there.

Though he would prefer not to be known as CHD for the Club, he is 'that' person having served as CHD on more occasions than anyone else in the Club. He has excelled in that role, but has also taken on many other roles within our Club. Commitment to a Management position means that you inherit the duties that come with it, attendance at meetings, fiduciary obligations, you are automatically included in several committees, and on top of this he consistently volunteers to do more in Patrol Captain and Club Vice Captain roles. Roles carried out with passion and enthusiasm.

Patrols are at the foundation of the surf lifesaving movement - it is why we exist and since gaining his Bronze Medallion in the late 70's, Moscos has completed just over 2,000 patrol hours (at the completion of the 2017/18 season) with the Club. Even in the current days of better access to the island and patrolling two beaches, this is still to be seen as an outstanding effort. Moscos is still an active patrolling member for our Club, and is taking on new roles and sharing his knowledge and expertise to members both new and old.

Our motto of Vigilance and Service is strong with Moscos and he exemplifies this in his approach to lifesaving in general and in his focus on the beach and in keeping the Stradbroke Island beaches a safe place to be.

In 2013 he received his 30 year Long Service Award medal and in 2016, Moscos gained his 20 year National Patrol Award,

Along the way he has obtained his Gold Medallion in Advanced Lifesaving and Silver Medallions in Life Support, IRB Driver, Beach Management and Patrol Captain's Award in the 2004/2005 season.

MoscOS has contributed numerous hours to Operations Support Services with his RWC patrols at Point Lookout, and continues these patrols on a regular basis.

MoscOS started taking on positions within our Club in the 1980/1981 season taking on the role of Chief Instructor.

From there he has held the position of Club House Director for 8 seasons has served on multiple Committees over numerous years with his major impact being on the Building committee. Moscos has chaired the Building Committee for several years, and has been involved in many projects over his time on this committee working with a variety of Presidents. Alongside this, Moscos brings two very useful skills sets to our Club. As a qualified painter and pest controller Moscos is seen at the forefront of Club clean-up weekends and building projects ensuring that our clubhouse facilities are well maintained and safe to use.

He has also served on Lifesaving Selection, Surf Sports Selection, Trophy/Meritorious Selection and Surf Girl Committees.

MoscOS has spent nine years on the Club's Management Committee being involved with decision making at the highest level. As most people know these roles always comes with additional work and responsibilities and behind the scenes Moscos carries more than his fair share of additional work doing Clubhouse maintenance.

MoscOS has been a Chief Instructor, Instructor, Assessor, and Coach for over 25 years. He is an Instructor in the Bronze Medallion, Advanced Resuscitation, IRB Drivers and radio and has taken numerous squads through for these awards. He is an Assessor for the Bronze Medallion award, Resuscitation and IRB – thus making sure that our Club members have been trained to a suitable standard. He is a willing participant at many of the different camps that are run at the Club. Moscos' service to the education of club members can be summarised as 30 years of Service as a trainer, 29 years as an assessor, and 27 years as coach.

MoscOS has always been willing to assist with fundraising. He has collected at House to House, has been on Surf Girl committees and is always a willing helper manning BBQ's, helping at Prawns at the Point and the Sponsors day lunch, which obviously helps to keep the sponsorships flowing.

MoscOS has represented Point Lookout surf club, on many occasions, and competed at Branch, State, National and International levels. He has attended many Club Championships, winning various events including Open Club Champion.

He has been involved in Junior Activities where he has been an Age Group Leader, Age Group Manager, Beach Coach, Mainland Coach and provided many hours of water safety to the Club's youngest members.

Selection for Life Membership includes conspicuous service and being a shining example for the Members to not only see, but also be proud of and, more importantly, to aspire to. It involves service 'above and beyond'

Michael "MoscOS" Stone has been at the Club a long time. He has performed a variety of tasks, over 2000 hours on the beach, been a part of the management structure, competed, fundraised and certainly performed 'Above and Beyond'.

Michael "MoscOS" Stone is Point Lookout's newest, and very deserving, Life Member.

History of Leadership Roles and Achievements

- 1978-79** 52 Patrol hours, held Bronze, Advanced Resuscitation award and First Aid Award (B,A,F)
- 1980-81** 29 Patrol hours, held B,A,F and Instructors award (B,A,F,I), was Chief Instructor and Surf Boat Vice Captain.

MICHAEL "MOSCOS" STONE

YOUTH DEVELOPMENT & TRAINING

COMPETITION 2018/19

A large collage of 30 photographs capturing various moments from the 2018/19 competition. The images show athletes in different uniforms and swimwear, posing for group photos, running on the beach, surfing, and holding trophies. Many photos feature the 'SURF LIFE SAVING QUEENSLAND' logo and 'BOUSSIES' branding. The collage is arranged in a grid-like fashion, with some photos being larger than others, creating a dynamic visual summary of the event.

AROUND THE CLUBHOUSE

A large collage of 30 photographs showing various activities of the Surf Rescue team. The photos include group portraits of the team in their yellow and red uniforms, individuals in action (e.g., on a rescue boat, in the water, or on a beach), and team members at social events. The collage is set against a dark blue background with the title 'AROUND THE CLUBHOUSE' at the top.

JUNIOR ACTIVITIES

Once again it's a huge honour for me to be presenting my fourth and final Point Lookout Junior Activities Annual Report for the 2018/19 season. Annual reports are all about recognition. Throughout this report along with statistics and images, we recognise all the wonderful achievements that our members have been a part of throughout this year.

It is also an opportunity where we can recognise and acknowledge our very special sponsors and their families, of whom, without them we do not have a nipper program as we know it. Can I take this moment to say a special THANK YOU to Steve and Jenny Heisig (Heisig Constructions) who have given incredible financial support to Point Lookout SLSC Junior Activities for the last 7 years, and who have personally dedicated countless hours in helping bring our program to life. Thanks guys! And of course to our other sponsor families - Mark Tadros (Brisbane Rehab), Andy and Jannine Bradley (XBÜRO) and Andy and Sandra Heathcote (Migration Buro) - Thank you all so much for your support. I would also like to thank our other major sponsors, Stradbroke Ferries (SeaLink), Redlands RSL, and our newest sponsor this season Binna Burra Lodge (David Smith).

Thank you to our incredibly dedicated and often very patient Age Group Leaders. This band of merry men and women, half of whom no longer have children in nippers, give up their Saturday's between October and March to teach our children the various essential surf awareness and water safety skills. To Shelley and her team **THANK YOU!**

I would also like to thank our water safety coordination team led by Simon Johnstone, Jon Bryant and Gil Rhodes for keeping our children safe through sometimes challenging ocean conditions that we encountered this season.

Massive thanks also goes to Nat And Brent (Tut Tut) May, Zoe and David Attridge, Kirsty Firmin and Sandra Heathcote and all the parents who have helped out with lunches, drinks, clothing and everything else that makes what we do at Point Lookout unique.

To our tireless Judy Lobley and her right hand gal, Julie Verrall, after all these years Jude, you and Donna continue to show the passion and

dedication to Point Lookout that sets us apart from most Clubs. Can you believe their "couple of raffles" up the pub each week raised over \$7000 for the nippers! Thank you Ladies

There are a few other special people I would like to recognise, but I will get to them a bit later.

Prior to the 2018/19 season starting, Point Lookout JAC were asked to support a fundraising initiative for Bris Bricks (LEGO Club) on what was their major Expo of the Year which ran over the October long weekend. With huge support from our members we were able to raise over \$5000. Congratulations and thank you to everyone involved. Junior Activities also strongly supported numerous other fundraising activities which included, the Annual Surf Safe Appeal (House to House), Kozii

Iron Challenge and Prawns at the Point. Whenever there were vital \$\$ to be made our dedicated Nipper families were there in numbers.

With the new season starting, we saw our nipper numbers continue to be at capacity with 220 nippers again this year. Once again this season we had to effectively "close the books". This is a great reflection on the quality of our nipper program and the dedication and commitment of our members who give many hours throughout

the year to bring the program to life. We again saw record numbers of nippers attending our pool swims nights and board training sessions. Thank you to our helpers and coaches that make these sessions happen - JB, Robbie, Andy Pryor, Pat Trevor-Jones and Amanda Montenegro.

This season saw another first for Junior Activities with the Inaugural U9/U10's nippers and parents' clubhouse sleepover. Congratulations to Mick Firmin, Eddie Retimana and Jason Rasmussen for pulling together what was an awesome weekend. Hopefully we see it replicated for years to come.

As always, this time of year we bid farewell to our U14's. This year's group has been somewhat unique in that a large number of children and their families call "Straddie" home. Not a bad back yard!

Some have been together since green caps, some

joining in later years. Can I wish you all the best and I hope to see you on the beach wearing the red and yellow in the coming years.

It was another huge year in the competition arena this season. Point Lookout Junior Activities fielded competitors again in every area of surf sports competition. We also saw once again the Point have a representative in the South Coast Branch Team - Congratulations Riley Brennan.

A big thank you to our Team Managers - Richard "Smiffy" Smith, Robbie Swaney, Sharon Brennan and Sandra Heathcote for your efforts in getting our kids to the line, well most of them...

Our pool rescue season was again hugely popular, with a number of new competitors testing their skills throughout the various carnivals seeing a fantastic haul of medals achieved at the State and Australian Championships (23 State, 2 Australian) and numerous personal bests.

For the rest of our surf sports season, it was "full on". Whether it was the Qld Endurance Champs, Surf Rescue Competition, Little Dudes, Kozii Iron Challenge, Board Riding, Beach Series, Qld Youth and National Youth Championships, the Red, White and Blue of Point Lookout was there. All our members who competed throughout the season performed extremely well taking home numerous medals and more importantly, life long memories. Once again it was an amazing season culminating in over 30 Branch, 23 State and 2 Australian medals for the U11-U15 Age Group.

Of course, none of these results happen without the tireless dedication of our coaches. Thank you to JB, Robbie, Eddie, Vicki, Charlotte and Hayley. Thanks also to our dedicated officials who supported our carnivals this season – Mrs Johnstone, Simon Johnstone, Bill and Sue Simpson, Kevin Love and JB.

As this season marks the end of my journey as your Junior Activities Director, I would like to take this opportunity to recognise and thank a few very special people. Firstly (because I usually leave her to last!!) to my wife Jenny, who over the years has not only helped out in various roles at nippers, but has also been the rock for myself and our children. What your support means for Hayley, Jayden and I cannot be put into words. Jenny I love you and THANK YOU.

To my former and current Executive Committee Members. Just over 6 years ago I along with Graham Toon, Nadene Kugler and Sharon Brennan put our hands up to be a part of the JA Exec. At the time, Junior Activities was running at a loss and our numbers had dwindled to about 109 Nippers. It was time to

think a bit differently. Together we came up with a structured plan to attract solid sponsors, look at more cost effective transport options, reinvigorate our program and attract more members. Along the way with help from Matt Healy, Clarissa Swaney, Peter Josefski, our future JA Director, Jason Rasmussen, and of course all our hard working nipper parents, we have developed Point Lookout SLSC Junior Activities in to what you see today.

To you all, THANK YOU. As both myself and Sharon step down this season and pass the baton on, we know that the JA Program is in good hands.

And finally to our tireless Secretary, Life Member, Mum, and friend Sharon Brennan. Shaz,

we have known each other since we were about 15, and if someone would have said then that Shaz and I were going to be one day JA Director and JA Secretary I would have certainly had a little chuckle. We were a little different back then.... but one thing that hasn't changed, is our love for lifesaving and in particular Point lookout SLSC. So Shaz THANK YOU! Thank you for putting up with countless phone calls, sometimes crazy ideas and the occasional "Emu sermon". (As we are not going too far there might be a few more of them).

Matthew (Emu) Robinson
JA Director

(LtoR): Nena Williamson (Vice Captain), Bailey Somerville (Captain), Maya Sheil (Captain), Sophie Saunders (Vice Captain).

COMMITTEE'S REPORT

Your committee members submit the financial report of the POINT LOOKOUT SURF LIFESAVING CLUB INC ("the association") for the financial year ended 30 April 2019.

Committee Members

The names of committee members throughout the year and at the date of this report are:

President - Sean Fallon
Vice-President - Keith Weinert
Secretary - Karen Bodger
Treasurer - Tony Dodd

Principal Activities

The principal activities of the association during the financial year was to save lives on the beaches of North Stradbroke Island. Our organisation encompasses lifesaving services, community education, membership services and surf sports.

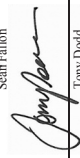

Significant Changes

No significant change in the nature of these activities occurred during the year.

Operating Result

The surplus/(deficit) of the association for the financial year amounted to (\$5,894) (2018: (\$26,943)).

Signed in accordance with a resolution of the Members of the Committee.

Sean Fallon

Tony Dodd

Dated this 18 day of June 2019.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act 1981 (Qld). The Committee has determined that the Association is not a reporting entity.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following material accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

(a) Plant and Equipment

Plant and equipment are carried at cost less, where applicable, any accumulated depreciation.

The depreciable amount of all fixed assets are depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use.

Leasehold improvements

Leasehold improvements are amortised over the remaining life of the lease.

(b) Income Tax

The Association is a not for profit which is exempt from Income Tax.

(c) Employee Benefits

Provision is made for the association's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits have been measured at the amounts expected to be paid when the liability is settled.

(d) Impairment of Assets

At the end of each reporting period, the entity reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the income statement.

(e) Cash and Cash Equivalents

Cash and cash equivalents includes cash on hand, deposits held at call with banks, and other short-term highly liquid investments with original maturities of three months or less.

POINT LOOKOUT SURF LIFESAVING CLUB INC
 ABN 67 892 838 556
 FOR THE YEAR ENDED 30 APRIL 2019

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES - continued

(f) Revenue and Other Income

Grant and donation income is recognised when the entity obtains control over the funds, which is generally at the time of receipt.

If conditions are attached to the grant which must be satisfied before it is eligible to receive the contribution, the recognition of the grant as revenue will be deferred until those conditions are satisfied.

All revenue is stated net of the amount of goods and services tax (GST).

(h) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

(i) Accounts Receivable and Other Debtors

Accounts receivable and other debtors include amounts due from members as well as amounts receivable from donors. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

(k) Accounts Payable and Other Payables

Accounts payable and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the association during the reporting period that remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

POINT LOOKOUT SURF LIFESAVING CLUB INC
ABN 67 892 838 556
FOR THE YEAR ENDED 30 APRIL 2019

STATEMENT BY MEMBERS OF THE COMMITTEE

The committee has determined that the association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

In the opinion of the Committee of POINT LOOKOUT SURF LIFESAVING CLUB INC the financial report as

- (1) presents a true and fair view of the financial position of POINT LOOKOUT SURF LIFESAVING CLUB INC as at 30 APRIL 2019 and its performance for the year ended on that date.
- (2) the operations of the Association have been carried out in accordance with the Associations Incorporation Act Queensland; and
- (3) at the date of this statement, there are reasonable grounds to believe that POINT LOOKOUT SURF LIFESAVING CLUB INC will be able to pay its debts as and when they fall due.

The statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee by:

Sean Fallon

Tony Dodd

Independent Auditor's Report

To the Members of the Point Lookout Surf Life Saving Club Inc

I have audited the financial report of Point Lookout Surf Life Saving Club Inc (the "Club"), which comprises Balance Sheet as at 30 April 2019, and the Income Statement and Statement of Cash Flows for the year ended and notes to the financial statements, including a summary of significant accounting policies and statement by members of the committee

In my opinion, except for the qualifications below, the accompanying financial report gives a true and fair view of the Club's financial position as at 30 April 2019 and of its performance for the year then ended in accordance with the requirements prescribed by the *Associations Incorporation Act 1981*.

Qualification

As common for organisations of this type, cash receipts are a significant source of fundraising revenue for the Club. The Club has determined that it is impracticable to establish complete control over the collection of cash donations prior to entry into its financial records. Accordingly, as the evidence available to me regarding fundraising revenue was limited, my audit procedures with respect to cash receipts had to be restricted to the amounts recorded in the financial records. I am therefore unable to express an opinion whether cash receipts the Club recorded are complete.

In addition, I did not attend the stocktake held on 28 May 2019. Accordingly, I am unable to express an opinion on the completeness and valuation of ending inventory as at 30 April 2019.

The audit opinion expressed in this report has been formed on the above basis.

Basis for Opinion

I have conducted my audit in accordance with Australian Auditing Standards. My responsibility under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of my report. I am independent of the Club in accordance with the ethical requirements of the Accounting Professional and Ethical Standard's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to my audit of the financial report in Australia. I have fulfilled my other ethical responsibilities in accordance with the Code.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Emphasis of Matter

The financial report has been prepared for the purpose of fulfilling the committee's financial reporting responsibilities under the *Associations Incorporation Act 1981*. As a result, the financial statements may not be suitable for another purpose.

Responsibilities of Committee for the Financial Report

The committee of the Club is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the *Associations Incorporation Act 1981* and for such internal control as the committee determines is necessary to enable the preparation and fair presentation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Committee is responsible for assessing the Club's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the Committee either intends to liquidate the Club or cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Club's financial reporting process.

Auditor's responsibility for the audit of the financial report

My objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of user taken on the basis of this financial report
