The Members of Point Lookout Surf Lifesaving Club Inc. would like acknowledge the traditional owners of the land on which our clubhouse stands, the Quandamooka People, and pay our respects to their Elders past and present.

NOTICE OF ANNUAL GENERAL MEETING

Notice is hereby given that the 72nd Annual General Meeting of the Point Lookout Surf Lifesaving Club Inc. will be held on Sunday 26th July, 2020 at 10.30am at the Redland Sporting Club, Anson Rd Wellington Point.

AGENDA

1. Attendance, apologies and proxies
2. Confirmation of previous Annual General Meeting minutes
3. Presentation and adoption of Annual Report
4. Presentation of and adoption of Auditor's Report and Financial Statements
5. Notices of motion
6. Election of Officers for the 2020/21 Season
7. Appointment of Non-Voting Members
8. Endorsement of Branch Councillor (Club President)
9. Appointment of all Committees as deemed required by the Club Council
10. Membership Fees
11. Election of Life Members (if any)
12. Affiliation
13. Confirmation of Club public liability Insurance
14. General business

Karen Bodger

Honorary Secretary

Point Lookout Surf Lifesaving Club Inc.

The Point Lookout Surf Lifesaving Club Inc. mourns the loss of members who passed away during the season.

Their memory and efforts will always be remembered. The Officers and members of this Club also extend their deepest sympathy to those members who have lost dear ones during the past twelve months and offer their condolences to their family and friends.

THANK YOU - SPONSORS AND SUPPORTERS

Without the support of our Sponsors and Supporters, it would not be possible to provide our service and facilities.

Our appreciation is sincerely extended to the following for the support shown during the 2019/20 season.

PRESIDENT

As I write the Presidents report for the 72nd season of the Point Lookout Surf Life Saving Club, it is hard not to reflect on our current circumstances - A small, minute little virus has bought the world to a standstill.

You and I do not know what this all means for the future and, hopefully, by the time this report gets to your hands we will be allowed back to Straddie, onto our beaches and into our

beloved Clubhouse.

There have been lots of comparisons to Spanish Flu etc but all I know is that we all miss the freedoms and the kinship of friends and family which, of course, includes our Club life, the sand between our toes and the laughter and buzz of our fellow Club members.

So, let's reflect on the season we had before looking forward to the coming season with anticipation and hope.

I am especially proud of our members this season, we rallied to the new roster, and it has gone really well. Of course there were teething issues, but Alex Langenberg and his crew of Kyle, Jesse, Moscos and Lana have bought it all together making a successful template for coming seasons.

With my earlier statements in mind, it is through the planning of Alex that we were able to pull together our patrols for the final weeks of the season. This was no easy task as we had to submit attendance lists to SLSQ and Local Police each week, we were checked and questioned at the boat by police and then heckled by some residents on the island due to a misunderstanding of the situation and their personal concerns over the virus and its risks. I am pleased to say we have risen above it all and done what we needed to do; which was to keep people safe when visiting the beaches of Stradbroke Island. No matter the weather, the prevailing feelings of a few, the provision of first aid or resuscitation to a possibly infected person or the personal risks of a dangerous rescue you all stood up to ensure we fulfilled our role in the community.

This is the essence of Lifesaving, community spirit and altruism – put others ahead of yourself.

This is my 4th season as President and, as many of you know, while it is sometimes hard to show up to work each day, it still gives me a buzz to do the work involved with my position.

Pauline and I were married during this season so, when

I said at the start of the season that it was time for a break, she just shook her head and laughed - I think she already knows me better than I know myself! We will be back again next season so thank you, Pauline, for embracing my role and being so totally supportive of it.

On this point to my old mate Matthew 'Emu' Robinson. Emu has been there for me all season, he is a good friend and a good Deputy President. Emu stood in for me when we had to unexpectedly race back home to the UK and for our wedding celebrations. He takes on a lot, so thank-you to you, to Jen and the kids for putting up with his time spent on or at the Club. Emu thank you for your efforts within Junior Activities, on the beach, in the kitchen, at meetings, attending carnivals, training, Prawns, House to House - the list goes on - you are truly a dedicated member.

Thank you to ALL MEMBERS for your time spent patrolling, every hour counts and not just on the beach. I have mentioned altruism already but it's that time spent in the kitchen, cleaning the hall, washing out the bathrooms and cleaning out the window tracks, which is the essence of the Club and without this we cannot patrol, keep the beaches safe and take pride in our Club.

The AGM for this season was very well supported and when we have to ask the Old Boys to count votes you know that the Club is alive and well. Multiple nominations for various roles show the interest that is there for the Club.

The Club is always grateful for anyone who steps up to say they will help and, thankfully, people always do step up.

This season the Club has been very proud to have Ann-Sophie Sullivan as our very own Miss Summer Surf Girl. WOW! What an amazing person Ann-Sophie is, she was into everything. She has so much energy, it was hard to keep up with her. Ann-Sophie was there for the big things and there for the small things too. She has a great eye for detail but also has the ability to bring it all together and keep smiling when things don't go exactly as planned. Thank-you so much for your efforts we are very proud of you and very grateful for the money raised.

The reports for the end of season from SLSQ (see right) for the Club show us in a healthy position. Please note that our Club is still going quite well against the trends seen in many other clubs BUT we cannot afford to be complacent. The challenge we have is, "what does next season look like?" Will there be drop off in members, JAC members? We do have a lot of

unknowns moving forward!

A lot of people commented last season that they enjoyed the stats that we included from SLSQ. Pictured right and towards the end of the report are some stats for those stat hungry members to see what is happening with our member base.

These results stem, in part, from the attraction the Club has to young families with growth in total membership and in JAC numbers. Well done, yet again, to the JAC Management team for these results and momentum it creates. Thank you, Jason, for an excellent season, the Club has benefitted from your calm and thorough approach. Once again the family camps are an excellent innovation and should lead to a strong cross-over into the Senior Club as these JA members progress through the ranks to take on patrols and roles. I am sure there were many involved here and a big thanks to all.

You can see from the below graph that we continue to grow our membership as we have for the last 5-6 years. This growth as mentioned earlier is strongly led by our Associate membership and JA membership. Your Club continues to uphold its 72 year old tradition of keeping the beaches of North Stradbroke Island safe for all comers and to do this we need you, our members, to be there to volunteer your valuable time.

On behalf of our bathing public – thank you to all Club members for your support and volunteering spirit.

To our Management Committee and Office Bearers, to the Junior Activities Committee, to the Old Boys Committee and to the Supporters Club Committee thank you to all of you for going above and beyond what is required as a volunteer.

To Nat May - our Club Administrator thank you for your efforts, you are doing a marvellous job. It's as if you have been with us forever. We are grateful for your effort and for your ability to juggle everything you do and still manage the kids, especially the big one!

Thank you to Karen Bodger, our Club Secretary. You are a rock for the Club, your knowledge and logic is always sound and, while we don't always agree on everything, we do get things done and outcome is always the best possible for the club.

Heidi Roscher does an enormous amount for the club behind the scenes and stepped in as Treasurer part way through the season. Heidi, It is a pleasure to be working with you again. Thank you for your sound knowledge of the systems, timely attention to the job at hand and to the caring for the Club and its finances. I know you have to juggle family and a challenging job so thank you, thank you, thank you on behalf of the whole Club.

To Len Stone, thank you for your efforts as Treasurer at the start of the season it was very much appreciated.

Thanks also to our Club Captain, Alex Langenberg. I am sure you all agree that the new roster and Alex's handling of the Club and the recent challenges this season has been excellent. Alex, together with his vice captains, Jesse Mantell, Kyle Trevor-Jones, Michael

Stone and Lana Burke; and Director of Lifesaving Dave Westby, have done a great job putting together our Lifesaving Operations for the season.

Don Stevenson, our Director of Training, has had a very big season as usual with proficiencies, bronze and IRB training. As well, Don assisted and drove a large number of our assessors through their TAEASS50 course. This is fantastic and Point Lookout is well positioned - compared to many other Clubs - when it comes to assessing and training in general. So, a very big thank you to Don on behalf of the Club.

On top of this I would like to recognise Will Hagan, our Director of Finance, who has driven the new Strategic Plan for the Club, together with Darren Woodward.

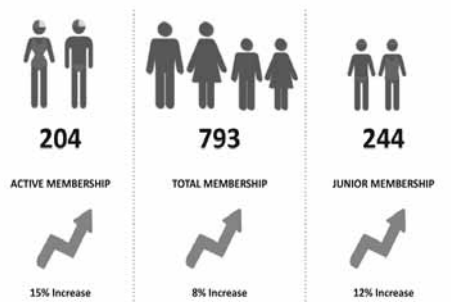

This has been a highly organised, very inclusive process and an absolute labour of love for Will and Woody.

The remainder of the Management Committee this season was; Director of Membership – Michael White, Clubhouse Director – Andy Pryor and Director of Surf Sports – Mick Stone, Thank-you, everyone, for your efforts above and beyond your regular patrols. To Merv Meares and John McInnes thank you as always for your efforts around the Club. We look forward to seeing you both back there soon.

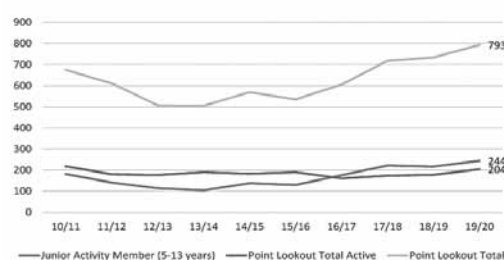

Captains:

We had some new faces as Patrol Captains this season, congratulations to you all for stepping up and providing this valuable service to the Community.

POINT LOOKOUT SLSQ MEMBERSHIP STATISTICS REPORT 2019/2020

TREND ANALYSIS

This season we had 241 members complete a combined 10,921.50 patrol hours. This is a terrific effort. On average we patrolled 45 hours per member this season compared to 39 hours per member last season.

A big thank you must go to the crews that attended the Club and the beaches during the virus shutdown. You were there when asked, you have provided the patrol service and on top of that kept a low profile on the Island and cleaned up the Club in readiness for the shutdown for the off-season. Cal Lovitt, thank you for your support and efforts. You, together with the Lifeguards, help with the Club, patrols and general Club life.

Old Boys:

Thank you to the Old Boys for again sponsoring our Prawns at the Point Event, Surf Girl and working bees throughout the season, and for always supporting the Club when needed. I attended a couple of the meetings this year and I recommend that members should go along to support the Old Boys. It's a lot of fun (yes, even the meetings are) and they run excellent raffles at the Moreton Bay Trailer Boat Club every Friday night. The Old Boys are always there to fly the flag for the Club whenever they get the opportunity or whenever we call for their support.

Competition:

I would like to thank all of you who trained tirelessly to compete on behalf of the Club. Unfortunately, most competition was cancelled this season but the effort was there. Thank you also to Moscos and to the trainers, managers, supporters and families – hopefully we will be soon be back on the beaches and in the pool wearing the red, white and blue and cheering on our Point Lookout Surf Life Saving Club teams.

Club Assets:

As always, the clubhouse keeps us on our toes. In the off-season we plan to have a lot of work done – money and weather permitting. When we get back to the Club next season, we should have a new roof on top courtesy of BlueScope Steel, Peter Burke and the Building Committee.

We also hope to remodel the Ladies bunkroom with several changes planned.

Money and time permitting we will then focus on the columns down the gorge side of the Club. We recently had the Club engineer review the columns and our plan and he provided some sound advice. We now have a definite plan in place for their replacement, once again, money, time and weather permitting.

Once again it looks like Thunderbird 1 has been in a bad hailstorm. There are so many dings and dents it's off to the smash repairers. The tractor will also be replaced before the start of the 20/21 season. Clayton Walker has for many years been an excellent mobile services officer – thank you. Mate, you have done an amazing job.

To the Building Committee – a big thank you. To Andy Pryor as CHD and head of the building committee who, together with Mike Stone, has been tireless in his efforts at the Club I say thanks. Thanks to Brent May who has also done a lot for the Club in this and many other roles. To Dave Westby for the energy and effort you have put into the Committee and into the repairs and issues. Thank you, also, to Chad

Murray for your odd jobs around the Club.

A huge thanks to Peter Bayard for organising a lot of the day to day things around the Club. Peter will be sorely missed in his role as Bar Manager – Thank you for your support and generosity to the Club. On behalf of all of us we appreciate your advocacy and voice for the Club on the island.

Finance and Fundraising:

Thank you to Amanda Lawson, Emu and the crew who organised and ran the SOS appeal this season. The mystery of the missing maps will forever plague us but thank you to Nat May and Kerryn Iacopi for doing a new set and yes, the missing maps showed a couple of weeks later. Thanks, as always to Julie Gillis for the use of her house and to the Old Boys for their support and cooking the BBQ etc.

Dianne Stevenson, thank you for your efforts on the Club calendar, it has become a major fundraiser for the Club.

Thank you to Nat May who, single handily, organises so many of the Club grants. Nat you are a treasure! Thank you also to the team at the Surf Foundation for their support and grant writing.

Supporters Club:

Well done to Rick Bodger and the committee of Heidi Roscher, Nadene Kugler, Matthew Robinson and Simon Johnstone for your support of the Club and in driving the opportunities with the bar. The Supporters Club has raised over \$30k for the Club this season.

Sponsors:

Without sponsors we, as a Club, would be really struggling. On behalf of the members of the Club, I would like to formally recognise all of our sponsors for this season. I wish we could do more to provide you with the value and recognition that you all deserve. Thank you to Redland City Council, Phil Richards and

the team at J.J. Richards and also to Heather Truman and the crew at Sealink for your unwavering support of our services. The ongoing support from Roy and Ed at the Port of Brisbane has meant we have completed lots of building maintenance, bought rescue boards and an IRB- thank you, most sincerely, for this.

Thank you also goes to Bob Hoffman, Julie and the team at Bob's Foodworks. Your support yet again at Prawns at the Point 2020 made for a fun and lively day of bidding and laughter. Also, to Jacko, Ted, and the crew at Bay FM thank you.

You would have seen a more complete list of sponsors at the start of this annual report.

Members:

Lastly, a huge thank you to you, the members of our Club, who give us your time. This is time away from family & friends when you are on patrol or training or helping out at Club events and camps. You are the glue that binds this Club together. You enable us to provide the lifesaving activities, you help out with food, fundraising, Surf Girl events, club maintenance, training, camps and school groups – the list goes on. This service is what our Club is all about and thrives on.

To wrap up:

Thank you to Pauline for putting up with my role, for being so creative at Prawns at the Point - And organising one of the greatest weddings ever seen! Thank you for your love and support.

I look forward to next season with anticipation.

Yours as always in lifesaving,

Sean Fallon
President

SECRETARY

Point Lookout Surf Club has faced many challenges this season, especially at the latter end with the restrictions imposed as a result of Covid-19, and, as usual, we have met these challenges head on. From conducting Management meetings via Zoom and Microsoft Teams to surveillance patrols we have managed to pull together to ensure that the beachgoers on North

Stradbroke Island have enjoyed a safe and fatality free summer between the flags. As you read through this Annual Report you will get a sense of the hard work and effort that goes into Point Lookout Surf Life Saving Club. Many people working together make a

great club and, while patrols are our core business, we are fortunate to have many dedicated patrolling and non-patrolling members who volunteer their time to keep our club ticking over. Obviously, the list is long so I would like to extend a huge THANK-YOU to each and every member who assists in any capacity. Please be assured that your efforts do not go unnoticed and are greatly appreciated.

As volunteers our time is precious so I'd like to extend a huge thank-you to our office bearers for their tireless efforts. Most people don't realize just how much time and effort goes into running a club like ours. Sean Fallon, Heidi Roscher and Matt (Emu) Robinson spend an enormous amount of time coordinating the 'behind the scenes' work ably assisted by the management team.

A huge thank-you must also go to Nat May, our Club Administrator, who keeps the wheels turning in this multi-faceted organization. Nat does an amazing job, anticipating and actioning needs, and I thank you most sincerely for all the work that you do – and for making me look good!

I'd also like to extend a big thank-you our sponsors. These days, our club requires the good will and generosity of our sponsors and supporters for survival as fundraising has become so much more challenging with so many clubs competing for each dollar. We are very fortunate to have many long-term core sponsors – we could not maintain our service without them.

This season also saw a very dedicated, and enthusiastic, fundraising effort from our Surf Girl, Ann-Sophie Sullivan, and her committee. Ann-Sophie did us proud from her very first event with both Christmas in July and Prawns at the Point highlights for many. Unfortunately, Covid-19 has impacted on the Surf Girl programme but, Ann-Sophie, I hope you have enjoyed the journey. The club greatly appreciates your dedication, hard work and wholehearted enthusiasm.

In closing, I would like to, once again, say a massive thank-you to Natasha Dennis-Weller. Nat has been my 'go to' girl for many seasons and has happily stepped in again this season while I was overseas. My thanks are also extended to Sean Fallon, Matt (Emu) Robinson, Heidi Roscher and Alex Langenberg for their assistance and availability throughout this season.

Good Luck to all during this period of isolation. Stay home, stay safe and, hopefully, I'll see you all back in the Red, White and Blue in September - Covid-19 permitting.

Karen Bodger
Honorary Secretary

TREASURER

Firstly, it has been a privilege to serve this great organisation once again as Treasurer for the 2019/20 season.

The Treasurer is responsible for empowering the committee to manage the financial affairs of the club. This is for protection of the club's cash, assets and the volunteers who handle them, ensuring the collection of all revenues

and payment of all financial obligations.

The Treasurer must also ensure that all financial transactions are recorded in the club's accounts and producing the club's financial reports for presentation to the committee, the members at the AGM, as well as complying with all financial reporting obligations contained in the club rules and the Incorporated Associations legislation.

This season started with a changing of the guard from Tony Dodd to Len Stone as Treasurer, unfortunately due to work commitments Len was unable to complete the season, the committee and I thank Len for volunteering for the role and acknowledge the time spent understanding the surf club accounts and operations. With Len stepping down during the season I stepped into the role of Treasurer again, having been Assistant Treasurer for some 7 seasons.

This year I converted the back office accounting system from Quickbooks to Xero. This has been a welcome change and has created efficiencies for those contributing to the accounts, I can't get far into this report with thanking Pete Josefski as JAC Treasurer, Nadene Kugler as Assistant Treasurer and Nat May, who as Administrator has refined the process to ensure our supporters and suppliers are entered in Xero for prompt payment.

The surf club started the season with strong cash balances, each and every season the club costs \$500k-\$600k to operate. This season saw our highest expenditure yet with total of \$628,000.

This season our income was similar to previous, our major sources of income being Fundraising of \$150,000, Club functions and activities \$140,000 and Grant funding of \$60,000, a 50% reduction from last season.

Without our sponsors this club would not operate as it does, we are forever grateful to our wonderful

sponsors each and every year, there are too many to call out individually, but a couple of special thanks to Sealink, Redland City Council, QFES, The Wylie Foundation, Port of Brisbane, Redlands Foundation and many many more. Thank you for continuing to support the lifesaving operations of the club, we are always indebted.

Our club relies heavily on fundraising, which in turn relies upon members volunteering their time to pound the pavement, serve people at Prawns, conduct raffles, BBQ's and take on the massive task of Surf Girl. This year I would like to acknowledge the outstanding efforts of Ann-Sophie as Surf Girl, although the end of the season stalled rather suddenly with COVID-19 and lockdowns, you contributed over \$60,000 into the fundraising income of the club. Ann-Sophie and her committee should be proud of their efforts, dedication and new memories created.

A breakdown of our expenditure this season shows that everything is costing us a little more, club functions and activities were \$126,000 repairs and maintenance on our clubhouse was \$45,000, Insurance expenses were \$44,000, club clothing was \$55,000.

Our Administrative costs including our Administrator and Professional costs were nearly \$70,000 albeit worth every cent. Nat May has supported me this season completely, nothing is ever too much trouble and she brings a smile and professionalism to the club, Nat – we are lucky to have you, thank you for being our Administrator.

It would be remiss of me not to look to the future of our club in this report. For the first time in our clubs history, this season saw us end the season with only surveillance patrols due to the world-wide pandemic of COVID-19. What this means for the next few seasons financially for the club is uncertain, but my educated guess would be that funding will be harder to receive, grant funding will be competitive with many clubs losing their major sponsors of bars and supporters club and pokies. Sponsorships and donations will likely be less as the Australian economy tries to recover from the consequences of enforced lockdowns and shutdowns of so many businesses, small and large. So I would say this, every year we acknowledge the good position we are in financially but this will only ever sustain us for one season. The next season already has some large expenses with our roof and Tractor being replaced. So next season, we will need to be tighter with our spending, dig deeper for extra funding and fight for every cent that we need to run our amazing club.

Due to my own work and family commitments, this next AGM I will hand the role of Treasurer to Nadene Kugler and return to assistant. I am positive that Nadene and the committee will keep our clubs

financials in control.

A couple of personal thank you's....to Sean Fallon for your stable leadership and direction, it is always a pleasure working with you, to Karen for your passion for this club and steering us to what is right, to Emu your enthusiasm is catching, to the rest of the Management committee your time and love for this club means it will continue to provide members and the Stradbroke community with so much more than lifesaving. And finally, to my family, Andy, Tas and Hugo I know I have been up early at the computer every day and then running around each morning to make it to school and work. Thank you for letting me put the surf club before you this year.

Heidi Roscher
Hon. Treasurer

DEPUTY PRESIDENT

Members, it's a huge honour for me to be presenting my 1st annual report as Deputy President for this the 2019/20 season. I've mentioned in the past that I believe that annual reports are all about recognition. Throughout our reports, whether it's from the various position holders, or through various statistics and images, we recognise all the wonderful achievements that our members have been a part

of for that year. And this year is no exception for the Point!

It is also an opportunity where we can recognise and acknowledge our very special sponsors, Sealink (Stradbroke Ferries), Port of Brisbane and J.J. Richards. Thanks also to our loyal supporters including Redlands Sporting Club, Redlands RSL and Bob's shop. Without these sponsors and supporters, we do not have a surf club as we know it. Can I take this moment to say a special THANK YOU to all of our club sponsors and supporters.

From a Management Committee perspective everything this season seemed to run fairly smoothly. The Club Captains, ably led by Alex, along with the patrol captains, for many of whom this was their first season as a PC, did a fantastic job as the public face of our Surf Club. Especially towards the back end of the season in very trying times. As an older member I'm very proud of our young men and women and the way they turn up each weekend, putting their hands up for the Club. This season also saw the inaugural, Point Lookout SLSC

Beer n Cider festival. This was an event conceived by Cal Lovitt and myself as an afternoon/evening to bring our patrolling members together for a few drinks and some great conversation. Big thank you for the fantastic support from Kelly and Rod Winkleman, Paul Stevens and the team at Stone and Wood Brewing for helping to supply us with the tasty beverages. Thankfully the weather gods were on our side and it was a great event. Special thanks also go to John Gardiner, Cal, Sam, Ann-Sophie and Will for assisting in bringing the event together. Hopefully it's something that we can make into an annual event.

Once again House to House was really well supported right across all areas of the club this season. Another huge effort by our amazing JAC members and parents. Your enthusiasm and willingness to "go to that extra house" is a credit to you all. As we all know, more feet mean more money raised.

As always, the whole day ran smoothly thanks to our money handlers and food preparers. To Julie Gillis, thank you for letting us use your house as always. Thanks to Amanda Lawson and Nat for your organizing of the event and to the Old Boys for manning the BBQ.

Huge thanks and congratulations to Ann-Sophie Sullivan, our amazing Summer Surf Girl. You and your team did an amazing job this season, not only in your fundraising efforts but your unwavering dedication to driving surf awareness in our community.

To our Old Boys association, always there to lend a hand and support our club wherever and whenever they can. Thank you, and I have everything crossed that we make it to Moreton this year.

Our Junior Activities team had another huge season with numbers again being at capacity. Congratulations to Jason, Jeff, Pete and Kerrie. You guys did a fantastic job taking the nipper program to another level. Thank you also to the wonderful families that make up our nipper crew. You are the future of our club.

Finally, I would like to thank our legend of a president Sean Fallon. Sean your leadership and dedication, not only over the last 4 seasons but the last 15 years or so has been invaluable to the club. As a club we are very lucky to have a man of your experience in management as our President. I have learnt so much from you in the last 12 months as your deputy. Thank you most sincerely.

BRING ON 2020/2021 - GO THE POINT!

Matt (Emu) Robinson

CLUB CAPTAIN

What a crazy season we've had! The 2019/2020 season was my second as Club Captain, and it was filled with its own challenges but, luckily, all of the members jumped on and embraced the changes enthusiastically.

Before I go into specifics, I'd like to give a massive thank you to each member who did a patrol this season. You all really are the pieces of the giant puzzle called "Point Lookout SLSC".

Everyone who came down in their red and yellow contributed to a whopping total of 11,023.5 hours of patrolling at Point Lookout. The Club was noticeably different towards the end of the season with COVID-19 blocking access to and from the island. Thank you so much for coming over, helping out and ensuring we had another successful season!

First of all, I could never have made this season work without my vice Captains; Jesse Mantell, Kyle Trevor-Jones, Michael "Moscov" Stone and latecomer Lana Burke! All four of these enthusiastic and passionate members ensured the club continued to run smoothly, always keen to try new things, upskill the members and pass on their knowledge. They all have great passion for the club and uphold the values that we stand for. They brought to their respective weekends their own personal aspects and interests, so each weekend you knew exactly what kind of activities you could look forward to. This ensured that the club was fun and tempted more members to come and stay as long as they could. Between the five of us we had all weekends covered, especially as the groups were spread out further than in previous seasons, but we were able to ensure the club ran efficiently.

This season we tried to restructure the patrolling roster, making the big change from three patrols a day to two. This meant we were going to have members putting in more hours on the beach each day, but everyone embraced it with open arms (especially with the bribe of a free lunch being delivered in the middle of the day). With a one-hour crossover time with two patrolling groups on the beach at the same time, it was the perfect opportunity for upskilling members and getting the blood pumping! With the roster change, it also meant that patrols changed from being every third weekend to every fourth, opening opportunities for members who could not commit to the old roster to join the new one, swelling our patrol groups and making sure we had a huge amount of

experience on each patrol. These changes never would have been able to happen without the tireless efforts of the patrol captains ensuring that everything ran smoothly. I cannot thank you guys enough!

With COVID-19 taking out the end of the season and severely restricting access to and from the island, I heavily relied on the Patrol Captains to help organise the small teams that were looking after the beaches, all weekend long. A special thanks to every single member who helped out over those weekends, as patrols were very different and we were very much in the public eye, being one of the only groups allowed access to the island. We were constantly being observed by the public, and I'm proud of how you all represented the club. I also apologise to those who were unable to get to and from the island, obviously it's not at all how anyone wanted to end the season but thank you for your understanding and patience.

For the juniors, we tried a few new programs including the SLSQ Youth Involvement Program (YIPs) and a Great Barrier Reef trip (similar to the Sydney Trip from years gone by). We were supposed to be travelling to the Great Barrier Reef for a few days over winter (obviously COVID-19 again took this out) but the trip has been postponed, not cancelled! It was great to see the juniors taking on a series of challenges to be part of the trip, and I'm excited to see where they end up in the next few years! Thanks to Hayley Robinson and Ann-Sophie Sullivan for helping me with the Junior trip, and to Eddie Retimana for taking on the role of YIPs manager and keeping all of the kids on track to achieve their goals.

At the start of the season we did recognise that as a club we focused heavily on the juniors and keeping them involved but we were missing a bit for the seniors... A massive thank you to Emu and Calan Lovitt for creating the "Beer and Cider festival" at the club, it was a great event where we all enjoyed catching up with each other and of course, enjoying the beer and cider. Definitely an event we will continue in years to come!

A special thank you to Ann-Sophie Sullivan, our Summer Surf Girl. Always leaping at opportunities to help the club, through fundraising, community awareness and running a heap of activities for our own club members. She even broke a Guinness World Record at Main Beach using our Nippers, locals from the island and people coming over for the day to have the largest Surf Safety talk at a beach. We all appreciate everything you did and still do for us, and even though the Surf Girl Dinner is postponed (again that COVID-19!) you're an absolute legend to us! Thank you Ann-Sophie!

A massive thanks to Andy Prior who took on the CHD position this year (partially due to peer pressure at meetings) but he did an outstanding job, alongside

Moscós and Matthew "Emu" Robinson, making sure the troops had plenty of food every breakfast, dinner and the newly added lunch.

Thank you to the clubs "old married couple" McInnes and Merv, who are always seen wandering around the clubhouse, fixing a thousand little things that most people don't even notice, conjuring equipment we need out of thin air, especially McInnes who called me almost every week to see what the club needed. I can't thank these two enough for how much effort they've put into the place.

Thank you to Kim Stallard for your tireless effort in making sure our IRB's were always operational across the season. You've had this position for as long as I can remember, but you always do an incredible job and working with the IRB team we're all so happy with how many shiny new IRB's we've begun acquiring. I won't mention how you and your assistant Jesse Mantell were the only two to puncture the boats this season... but without you and your team we would have been in big trouble on several occasions, so thank you again.

Don Stevenson as always put in a huge amount of work behind the scenes, not only with the usual courses but with all of the mandatory changes with Assessors. Don and Julie Ward have put in a massive amount of work in their own time to help our members complete university-level subjects just to remain proficient. I believe we may have more Assessors in our Club at the moment than anyone else in Queensland and it never would have happened without you, thank you so much, Don.

Thank you to Clayton Walker and his assistants for keeping our vehicles alive. It's thanks to you that we're able to physically get from Cleveland to Point Lookout every weekend. Wayne Cole thank you for running over to the club every time there's something else wrong with the tractor (every second weekend). Thank you all for your work!

Thank you to Sean and the rest of management for having my back, for keeping me on track (especially Emu and Nat) and ensuring that everything in the background ran smoothly, so that the Club could keep running. Most people have no idea of the massive amount of work you all put in to keep the clubhouse alive, without you all so many things just wouldn't happen. Thank you all!

Again, thank you to every member for putting in the hours across the season, on the beach, in the club, with the Nippers, or on the mainland. We really couldn't have done it without you. So enjoy your break, put your feet up and we'll see you all next season hopefully on a COVID-Free island.

Yours in Lifesaving,
Alex Langenberg

PATROL CAPTAIN OF THE YEAR

LIFESAVING

Well, what a year - fires, drought and coronavirus. We had a great start to the season with the patrol roster changing to half day, which a few people were sceptical about, but we came through with flying colours. Half day patrols led to Alex introducing lunch for patrol members – a great initiative. It was a little slow to start but we got there in the end.

Club Captain, Alex Langenberg, found his own style this year taking charge and infusing the members with his way of thinking. Alex led by example especially with the coronavirus making things very difficult in the latter half of the season. GOOD JOB, ALEX!

Thanks must also be extended to the Vice Captains, Patrol captains and patrolling members for the work that you have done this season ensuring the safety of the bathing public on Straddie.

As we come to the end of our season we need to consider the maintenance on our club and gear to ensure we continue to go forward strongly, especially as coronavirus impacted on our end of season maintenance routines.

Unfortunately, I will not be taking on the Director of Lifesaving position next season as, all going well, Moscos and I will be taking over the bar. As I pass the baton to the next Director of Lifesaving, I know the club is in good hands.

A good mate of mine once said,

'IF YOU SEE THAT SOMETHING CAN BE DONE BETTER, IT'S YOUR JOB.' Thanks, Coley.

Something for each member to ponder!

Great things and big changes will be on us next season so be ready to make our club the best in the country.

Thanks for the season - loved it all!

Dave Westby

MEMBERSHIP

To state the already obvious, the end of this season has been a huge challenge for everyone in society, not only the Lifesaving community. Therefore, I would like to thank everyone on the Point Lookout Executive Committee for their time, effort, persistence and forward thinking during this season. The later part of this season has kept everyone on their toes adjusting

to the ever-changing world we are now living in and trying to keep a sense of humor while keeping the club moving forward.

I would like to recognise a couple of people who I believe have been outstanding with their passion and commitment, those being Will Hagan and Darren Woodward for delivering our Strategic Plan which was formulated with input from other members who gave up their time on the required evenings to enhance the outcome of the Plan. I'd also like to recognize Our Club Captain, Alex Langenberg, who has done a great job again and I look forward to working with him next year.

Our Patrol Groups performed very well this season considering the challenge of moving to half day patrols. This was quite a change from previous years but proved very effective. I would like to congratulate everyone that patrolled this year for adapting to the change with little or no fuss. I am sure that we all know that change is not nice at times, but in this uncertain world it was great to see the effort made by everyone to accept it and move on.

As one famous person, ME, once said, *Life Is Not Set In Concrete, so the sooner you get over, under, around or through the obstacle then the sooner you can move forward.*

We are all lucky to call Point Lookout SLSC our club, but we need to ensure we encourage and assist in the education and support of new members with communication, enthusiasm and dedication to a worthy cause. This is a role for everyone.

Congratulations to all the members selected to attend the Club, Branch, State and National development and leadership programs to improve their skills, and in turn our Club. The way you have represented Point Lookout was exceptional, and feedback is always full of praise. The knowledge you've learned and connections you've formed will serve you well in coming seasons as we look to you to transition into Club leadership roles.

The following stats are from the end of season report released by SLSQ.

204 Active Membership an Increase of 15%

793 Total Membership an Increase of 8%

244 Junior Membership an Increase of 12%

We have a retention rate of 80%, with 180 new members and 144 members not returning.

These are great numbers considering the size of our club and the challenges we face getting to and from the island each weekend. So well done to each and every member of the Point Lookout Family.

In closing, please keep positive during the off season as this is just a small pothole we are encountering. If

you need to talk to someone please do, as your Lifesaving Family is always here to help.

Take care and make good choices during the off season and above all be safe. See you all in September 2020.

Michael White (Whitey)

YOUTH DEVELOPMENT

This has been my first season as Youth Development Officer for Point lookout SLSC. One of my goals for this season has been to really focus on the "in between" age group [u15's] and trying to get as many junior members involved in the surf club way of life. Before I begin listing all of the incredible achievements that our youth have accomplished throughout the season, I would like to say a few thank yous. I would like to thank everyone who has unknowingly mentored our youth, from helping them complete duties, to showing them the ropes with gear set up and pack up, you are the people that are shaping the future leaders of Point Lookout SLSC. I would like to thank all of the U18 members who committed their weekends to our surf club, without you on our beaches, we would not be able to meet the required numbers on many of our patrols. I would also like to thank each member of our surf club, you play an integral part in making our surf club the family that is.

During the season, there were a range of events and theme nights that were enjoyed by all that attended. Thank-you to everyone involved and we hope to continue these across the seasons to come. I look forward to future seasons filled with more of these fun times.

Throughout the season, our youth were given the opportunity to attend Club, Branch, State and National leadership and development camps though, unfortunately, some were cancelled due to the coronavirus pandemic. These camps are an incredible opportunity for our members to meet likeminded lifesavers and make lifelong friends whilst personally developing themselves in a fun and engaging

environment. The UQ SLSQ Leadership Excellence Program held at UQ. Here our members completed complex lifesaving scenarios, learned about leadership and the finer points of how to grow their surf club and their members. All of the members that attended represented the club with pride and really showed how unique and diverse leadership can be and, that dependent on the situation and dynamic, it is important to employ adaptability. We also had great interest in the Youth Excellence Program 2020 with seven participants, a leader and a mentor participating. This was also the same with the Annual Youth Excellence Ball. I hope that, in coming seasons many of our members get the opportunity to partake in these great programs. Congratulations to members who attended camps across the season.

Across the season, it has been great to see the youth of the club getting into the competition side of surf lifesaving engaging in IRB racing, champion lifesaver, patrol competition, first aid, R&R and other competition. We saw some great results in a range of disciplines. Congratulations to all our members.

Lastly, I would like to take this opportunity to thank Club Captain Alex Langenberg and the management of Point Lookout SLSC for the care, passion, determination, persistence and enthusiasm you all share. This is something that cannot go unnoticed and truly is an asset to making Point Lookout an amazing club. To Katie Price, previous Youth Development Officer, thank you for all your support and being just a phone call away if I needed anything at all. Point Lookout is a unique surf club and each member has a vital role to play. To our youth, you are our future and your commitment and dedication to our surf club is seen by everyone around you. I cannot wait to watch you all grow into the incredible young adults that I know you are all going to be. Thank you to everyone who has shaped this past season. Thank you for all your help, patience and the energy that you all have provided and for the love, laughter and goodtimes that we have had. I feel greatly humbled to be a part of such a great club.

See you all next season.
Hayley Robinson

Mentor- Ann-Sophie Sullivan

UQ SLSQ Leadership Excellence Program

Participants- Alex Langenberg, Jesse Mantell, Kyle Trevor-Jones, Kate Turvey, Sarah Williams

TRAINING

The 2019/2020 season saw another great year at Point Lookout SLSC. Once again my congratulations go out to all members that have achieved a new award this season and indeed all of those that have continued with their annual proficiencies. Our members completed approximately 225 new awards this season not including those of the JA.

This season Caitlin Ferguson stepped up for a third season as Assistant Training Officer with Julie Ward also joining the team. Their help was invaluable as planning for the season kicked off early with us meeting regularly at my office to plan our training schedule. This enabled us to hit the ground running as soon as the season started.

Skills Maintenance went well this year thanks to my assistants, our club assessors and trainers. The proficiency weekends were well attended with most members able to attend the designated dates. Thanks to everyone that came on the designated proficiency weekends and assisted with the smooth running of these days.

This season has seen 25 Bronzies and 24 SRCs gain their awards. Many of these Bronzies actively participated on rostered patrols and it was great to see the U14 SRCs staying at the club and participating in club life as Cadets. One of our U14s actually reached 100 Patrol hours. Well Done Ethen Kulger!

The Traditional September SRC/Bronze camp this season saw the following members; Caitlin Ferguson, Katie Price, Haley Robinson, Cassidy Young, Lilly Morris, Elissa Morris, Ella Montenegro, Kate Turvey, Ashleigh Whelan, Bridget Larnach, Lili Leaney, Kevin Hogan, Ollie Meyer, Jesse Meyer, Jon Bryant, Anne-Sophie Sullivan, Tammy Hagan and myself train up and assess 24 SRCs and 15 Bronzies. Chad Murry also did an awesome job as gear steward driving the tractor and making sure all our equipment got safely to and from the beach each day. Catering was handled exceptionally well by Victoria Carthew and Katie Harris who made sure that we were all well fed. Thank you, ladies, you did an awesome job.

Julie Ward and Calan Lovitt delivered our first 9 week squad this season and Alex Langenberg delivered our second. We just managed to get the second squad through in time before the Covid-19 lock down. Many thanks to Julie, Calan and Alex for your hard work with these two squads.

We have had another massive year for IRB training with 7 new IRB Drivers and 16 new Crewies. A huge thank-you to Michael Stone and David Westby who between them gave up 19 Sundays to train them. Also thank you to all of the IRB Drivers who assisted with their training. We also need to extend our thanks to

Bruce Middleton who performed the role of TACO for our IRB squads.

The 2019/20 season was the "Year of the Assessor" at Point Lookout with another five of our assessors enrolling in their TASASS502 course with an external organization. These people spent many evenings and days at my office working hard to gain their new award. Many thanks to Julie Ward who gave up at least 60 hours of her time to mentor these members through their assessor upgrades. Congratulations to Tammy Hagan, Wayne Cole, David Westby, Michael Stone and Alex Langenberg on your achievement. We also had Julie Ward and John Hagan travel to the Gold coast to gain their Bronze Assessor award. In addition to this we had Gary Morthorpe and John Hagan also travel away from Point Lookout to gain their IRB Assessor awards. Point Lookout now has 13 BM assessors and 7 IRB assessors on the books. I would be very surprised if there is another club in the State that could boast such a strong team of assessors, I could not be prouder of them.

This season I had the honour of delivering the Enterpriser Trainer at South Coast Branch. This is an 'invite only' course for candidates. Point Lookout were lucky enough to acquire two places for students in this branch hosted course. Congratulations to Cassidy Young and Rhett Foreman for putting the work in to successfully complete their Training Officer Award.

Other awards gained this season:-

- 38 Radio Operator
- 7 Observers
- 47 CPR
- 45 First Aid
- 17 ART
- 5 TAEASS502
- 2 Assessor BM
- 2 Assessor IRB
- 2 Enterprise Trainer
- 3 TAF Induction

As you can see, a lot of people have contributed to the training and skills maintenance of our current and new members.

A big thank you to all members who assisted with training this season: Trainers, Assessors, Water Safety, Cooks and those people who did patrols for their friends so they could train. You should be very proud of yourselves when it comes to participating in training either as a participant or training and assessing.

Point Lookout punches way above its weight in the branch which all helps to make Point Lookout the best club to be in.

"Go The Point".
Don Stevenson

SURFSPORTS

Reflecting back on the 2019/20 surf sports season there were very contrasting highs and lows. Highs with our pool rescue results particularly with our masters, to the lows of the majority of the second part of the competition season cancelled due to Covid 19. This unfortunately included for the first time I believe in the clubs history, our club championships.

However we did see some competition this season, once again our Surf Rescue & Patrol comp teams performed exceptionally well at both branch and state levels. Branch surf rescue was held back in January at Broadbeach and State surf rescue champs were held at Mooloomba in February, thankfully prior to any covid cancellations. Again there was great representation by the younger members of our club, particularly with Bailey Sommerville coming away with a silver in the u15 male champion lifesaver. Our first Aid teams, mainly made up of our young females, performed again. Congratulations to "Team Muller" (Emma and Libby) for picking up Bronze in the Open First Aid.

Our Patrol Teams also excelled in the areas where our club has always been so strong. It was especially pleasing to see multiple teams making it through to states this year (u15's, u17's). Big thanks goes to Matthew "Emu" Robinson, who I must thank for his assistance throughout the season. The future of our youth is in good hands under his watch.

Boardriding was another event that was held at a state level before the lockdowns, and once again Point was well represented. Congratulations to Ryan Heisig (Silver) and Ethan Kugler (Bronze) at this years state boardriding champs held at Alexandra headland.

To our IRB team that are always flying the Red, White & Blue proudly, and this past season was no different. Once again, a relatively young team that had some amazing results under the guidance of their coach Jason Nankervis, and Louise Brier as team manager. I really believe this team is destined for some BIG things in the coming seasons. Congratulations to the Open Female Teams Rescue team consisting of Kara, Hayley, Rhys, Laura, Ann-Sophie and Will for picking up a Bronze at the 2019 IRB States that were re-scheduled to August last season.

And finally to us 'old fellas', Kim Stallard, Tony Langenberg, Simon Johnstone, Emu and myself - Pool Rescue Masters. We can now proudly say that we are 2019 Australian medalists!

Congratulations to our masters team of Simon and Emu (Silver Line Throw) and Tony, Simon, Emy and myself (Bronze Medley Relay) for your amazing efforts at the Australian pool rescue champs. Well done boys!

In closing, I would like to thank all the officials that helped us out at the Carnivals, all the parent

supporters that showed up to watch, not just your own children compete, but also to support other families in the true Point Spirit. Also, to anyone that delivered Training and/or Teaching skills to our competitors I thank you. Many hours go into get to the starting line of these competitions and your efforts don't go unnoticed.

A list of top three competition results is listed on the following pages.

Michael 'Moscov' Stone
Life Member

IRB RACING TEAM

With many 'newbies' joining the team in the 2019 season, our already strong team spirit was further strengthened. Genuinely excited to be part of this growing team, our drivers and crews welcomed the opportunity to reinforce essential lifesaving skills in order to keep our beaches safe throughout the patrol season.

Starting off strong in the first carnival of the Ocean Roar series held at Kirra our newly established teams put in a fantastic effort with many progressing through to finals in what was their first official IRB carnival. It was great to see all the hard work put in by our coach and team members during pre-season training pay off. A huge thank you to Moscov for all his assistance with boat handling during this series. It was much appreciated by all and the team valued his input throughout the season.

Despite some challenging conditions throughout the series, our team continued to band together and gain valuable experience in the lead up to Queensland State Championships. Especially keen to host the 2019 Queensland State Championships, we embraced the prospect of a home ground advantage along with the opportunity to finally show the other clubs what makes our club so great. Unfortunately the 'weather gods' had a different idea though. Treacherous surf conditions resulting in beach closures throughout the state saw the event cancelled. The team would like to extend a special thankyou to all that were involved in the planning of this much anticipated event and reassure that the hard work put in did not go unnoticed by our visiting clubs.

With the State Championships a non-event, our teams worked tirelessly to prepare themselves for the Australian IRB Championship which were hosted by Cudgen SLSC. The Point Lookout IRB team raced some of their best races over these four days with two teams making it all the way to the finals. The first finals event was the Taplan with all 16 competitors putting up a great fight. Following on, the Female Teams team comprising of Ann-Sophie, Laura, Kara and Hayley with Oscar and Rhys as patients gave it their all in what could definitely be described as their 'perfect race' for the finals. Although neither of the two teams placed

in the top 3, we couldn't have been prouder of the way they conducted themselves in the lead up to and during this event and as always, the crowd was proud to be cheering for the red, white and blue.

With the originally planned State Championships were cancelled, a decision was made by the organising committee to reschedule the event to after the Australian Championships. With the date coinciding with the annual Old Boys Moreton Island weekend, but not wanting to miss out on putting a team forward, the difficult decision was made to send just two teams down to stake a claim at this event. A huge thank you to Will and John Hagan who stepped up as coach/manager to coordinate this event. After all the hard work that our team had put in over the season and the many obstacles we encountered on the way, we couldn't contain our excitement when our female teams that narrowly missed out on a medal at the Australian Championships had the chance to stand on the podium and received a bronze medal for their effort in the female teams event. Congratulations Ann-Sophie, Kara and Hayley. You certainly did us proud this season.

2020 was looking like a great year for the team with a sponsorship from Metabolic Balance and a strong commitment to training positioning us for an even better season. Although COVID has put a hold on competition for the 2020 race season a special thank you must go out to our sponsors for being so understanding and continuing their support. We look forward to making everyone proud when racing resumes. Until then though, we will continue to train so we can come back bigger and better in 2021.

Jason Nankervis & Louise Brier
IRB Team Coach & Manager

As mentioned in the above report, unfortunately the State IRB Championships were cancelled due to dangerous surf conditions across the State. The Club would like to extend a huge thank-you to all the members who volunteered to assist at this event. There are too many to name individually but please understand that your support did not go unnoticed and that this level of commitment is what makes our club unique.

A huge thank-you goes out to:

- Matthew 'Emu' Robinson & the JA for food sales on the beach
- John Gardiner & the kitchen crew for looking after the Officials and club members
- Old Boys for providing the workforce
- Brent May for being the 'gofer' and driving all over Brisbane to collect cold rooms and other vital supplies
- Natalie May for all the admin stuff
- Club Officials and First Aid personnel
- Natasha Dennis-Weller & Karen Bodger for the co-ordination of the event.

2019-20 SPORTS RESULTS

2019 QLD POOL RESCUE CHAMPIONSHIPS

2019/20 QUEENSLAND CHAMPIONSHIPS

2020 AUSTRALIAN SURF LIFE SAVING CHAMPS

CLUBHOUSE DIRECTOR

Another season 'Done and Dusted' and I am very pleased to present this report as Clubhouse Director. After serving my apprenticeship under Mike 'Moscov' Stone for the last couple of seasons taking over from him was a daunting task. One of the biggest changes adopted this season was the change to half day patrols and this change brought new challenges to

keeping everyone fed and the club running smoothly. Due to the new half day roster, the club introduced lunches for patrol members and, by all reports, this was graciously received. Each Patrol Captain was responsible for co-ordinating the preparation of meals and supplying lunches for their patrol on their set weekend. Well done to all the Patrol Captains and patrolling members for your assistance with this new measure.

Big thanks, also, to Matthew 'Emu' Robinson. Your advice and assistance was invaluable, not to mention your culinary skills. Thanks Chef, you CAN teach on old dog new tricks!

The maintenance of the Clubhouse continues to be a major challenge. This season the roller doors to the gear sheds were replaced with aluminium hinged doors. While the initial cost of the new aluminium doors was significantly more than just replacing the rollers doors, the savings in the long term will far outweigh the initial cost. The new doors also provide additional security for the Clubhouse. Special thanks to Tyson Loskill for the manufacturing and installation and to Moscov for painting the doors.

Another major upgrade for the Clubhouse will be replacing the entire roof during the off season. The girls bunkroom will also be redesigned and refurbished. Thank you to everyone who has helped out this season. Your help is most appreciated. Remember, the running of the club is only possible if everyone contributes.

While it has been a big learning curve and challenging at times, I am looking forward to next season.

Andy Pryor

COMMUNICATIONS

Well, what else can I say but, what a great season! Luckily we managed to get through most of it before the storm that is Covid-19 arrived. I trust we are staying safe. Point Lookout Surf Lifesaving Club has completed the 2019-20 season with another year of excellence offering vigilance and service, as part of the lifesaving community, while looking after the swimmers, craft users and public on North Stradbroke Island. Every member has shown that they are capable and willing

to assist the club in patrols, keeping the club running and maintaining high spirits even in the face of adversity.

Over the last season, communications performed as a critical service for Point Lookout SLSC. We face many challenges on a day to day basis due to the nature of our beaches and terrain so a major factor of our operations is communication across a wide area. While the equipment performed as required, the radios had more of a hard time this season with most handhelds needing an antenna or battery replacement. As equipment ages, the upkeep required increases so with care, it will last a little longer and, subsequently, keep the club's costs down. Also, due to the extended capabilities of the Pt Lookout network, we need to ensure that our messages are professional, accurate and concise.

I wish to thank Don 'Jacko' Jackson and Ella Montenegro, as Comms Assistants, for your support and for keeping things moving in the right direction. Thank you to the radio patrol volunteers throughout the season who have spent huge amounts of time in the radio room, keeping an eye on the beaches and being there when the patrol members needed you. Also, to those who helped keep it clean and tidy, thank you. The club truly appreciates the effort that everyone puts in to keep things running.

To conclude, a huge thank you to the other officer bearers, management, patrol members, supporters and everyone else who has contributed to a fantastic 2019-20 season. Very much looking forward to seeing you all again either at the club or on the beach when we can get back to normal - whatever that will look like!

Gil Rhodes

GEAR & EQUIPMENT

In the patrol season of 2019/2020, Point Lookout Surf Life Saving Club has seen 77 797 people crowd our beautiful beaches. We were able to service all of these patrons, with a high level of confidence knowing that our lifesavers and their equipment would be able to keep these beach goers safe.

This season we have seen multiple grants come through and supply us with new Kracka rescue boards, tents and IRBs.

I would also like to recognise the partnership with the North Stradbroke Lifeguards, who supply us with new Red & Yellow flags, Surf-craft flags, Danger flags, and Report signs and a secondary emergency response vehicle. Lifeguards have been a big help this season in many ways, including the maintenance of the Gear shed and First Aid room during the week.

I would also like to recognise a few of our members for their contributions to helping out with the gear this season; Brent May for taking down Kracka Rescue boards to the Gold Coast for repairs, Calan Lovitt for his continued support and knowledge of all things gear and equipment and Pat Trevor-Jones for breaking out the surf skis to bring over to Cleveland and kick-starting the ski and padding training during the week, we thank you for this incredible effort each week.

Finally, to all of the members who have given their time to patrol, those who have helped keep our equipment and gear in 'rescue ready' condition, taking care to

clean down each piece during pack up, ready to do it all again the following day. Without your continuous commitment and support, which has been evident throughout the season, we would not have operated as smoothly as we did.

Cheers for a great season, have a well-earned break and I look forward to seeing everyone next season.

Jesse Mantell

IRB OFFICER

We had a good start to the season with two brand new motors and boats, both being really popular with the patrolling

members. There was a lot of very positive feedback on the latest series of Thundercat IRB's.

With input from many people the gear shed has operated relatively smoothly for the season with minimal disruptions due to untimely breakages.

The first half of the season was very busy with full driver and crewie's courses being conducted and requiring a full quota of IRB's for training. The second half of the season with the change in island access for everyone, meant most maintenance activities were put on hold. Fortunately with a lot of care from our limited patrolling members we have had few equipment problems.

The replacement of the problematic roller doors with fully galvanized barn type doors was a welcomed addition from a security and maintenance point of view and they look great to boot.

Chris at Neptune Marine has given us great service in repairs and maintenance on our motors and boats during the season. His service has, as with all the previous years, been prompt and good value for

money. Thanks Chris.

The plan during the off season, when the regulations are lifted, would be to organize to have the outstanding maintenance items actioned prior to the start of next season.

Have a safe and enjoyable off season and I look forward to seeing you all on the beach and in the water for 2020/2021.

Kim Stallard

MOBILE SERVICES

It gives me great pleasure to present for the fifth time, the Vehicle Officer Report for the Point Lookout Surf Club 2019- 2020 season.

It has been a busy season even with the interruption of COVID-19, and the restrictions that have come with it. Our club continued patrolling with a skeleton roster which still required travel to and from the island and, for this, I would like to thank our great supporter in Stradbroke Ferries/Sealink.

We finished the season with two Toyota Hi-Ace busses, a Toyota dual cab Land Cruiser and a 4x4 tractor. Our fleet also includes our patrol and equipment trailers which are all generously fuelled by our very supportive and long-time sponsor, JJ Richards.

For all of their help and assistance this summer, I would like to thank Darren Edwards, Jeff Paskin and Simon Johnsone as well as Wayne Cole for all things tractor related.

With IRB carnivals and all surf lifesaving activities cancelled for the off season, we will be taking this opportunity to complete major repairs and maintenance to our fleet.

Thanks again for a great and successful season.

Clayton Walker

MERCHANDISE

I stepped into the merchandise role in the middle of the season to assist Pauline Knowles and Sean Fallon. They have run a very tight merchandise ship and, hopefully, they won't mind the mess that I intend to hand back to them.

Before I begin I would like to thank Kirsten Firmin for her assistance with selling swimwear to the Junior Activities members. Her efforts were very much appreciated.

Bronze Jersey sales this year have been very pleasing, and the new Club Hawaiian shirt developed by Nat May will soon be available and, hopefully, worn proudly by those who pre-ordered.

Several years ago we did a review of our club swimwear with input from many members across the age range. The present design was the result so I thought I would take this opportunity to provide some fun facts when considering whether or not to purchase our club swimwear:

Did you know that our club swimwear actually forms part of your patrol uniform?

PATROL UNIFORM

The minimum requirements for the national lifesaving patrol uniform are defined as the following:

- i. Patrol shirt – As supplied by SLSA
- ii. Patrol shorts - As supplied by SLSA
- iii. A red and yellow quartered patrol swimming cap (noddly)
- iv. Swimming costume (if you will be entering the water)

Did you also know that our present club by-laws also actively encourage our competitors to wear our club swimwear?

BY-LAW 9.3 - COMPETITIVE RIGHTS, OBLIGATIONS AND QUALIFICATIONS

h) Members are required to wear the Club swimwear, Club cap and other items as per SLSA/SLSQ regulations when competing.

I hope our members continue to wear our club swimwear with pride and any feedback on the swimwear is welcomed.

Dianne Stevenson

Acting Merchandise Officer

Pauline and Sean Fallon would like to say a big heartfelt thank-you to Dianne, for taking on over as Merchandise officer when they were in their time of need earlier in the season. Dianne has done an amazing job keeping the members supplied with club merch.

FIRST AID

The 2019/20 season was a different and challenging experience for everyone towards the end with the introduction of lockdowns.

However, over the season we still managed to treat a number of First Aid cases including 2 spinal injuries and 5 fractures. At Cylinder Beach we did 255 first aids and at Main Beach we did 350.

A big Thank-you to anyone that helped out this season both on the beach and with cleaning the first aid room, restocking the kits and restocking the cupboards.

Oliver Lawson

FINANCE

I'd like to begin by thanking our sponsors for their invaluable support once again in ensuring the Club continues to meet its operational requirements. Whether monetary or services in-kind, every bit helps. At the beginning of the year we held our Sponsor's Lunch to formally recognise their contributions.

The format was changed from previous years by giving the sponsors a guided tour of the Club and rescue demonstration so they could see their donations in action, the areas we need extra funding in, and a better understanding of what we can give them individually in return.

Even with grants and sponsorship, more money than ever has been spent this season on Clubhouse maintenance, placing an even greater need on members to assist with fundraising. Hence, it was disappointing to see how few senior members turned up to House to House, volunteered to assist our Surf Girl, or put their hand up for other fundraising opportunities like tin-rattling at the barge. So, a very special thank you to those members who did assist with our fundraising efforts. Given our location with minimal exposure and foot traffic, we are one of the few Clubs that operate without a major Supporters Club commercial operation. Certainly, we as a Club, need to be looking towards alternative commercial opportunities to provide regular income, however until we're in such a position, we desperately need all members to be engaging in our fundraising efforts. If everyone does a little, it will greatly add to the few who do a lot to keep our Club standing. Wayne Cole always talks about benevolence being a main character trait required by lifesaver, and fundraising being a necessary lesson in humility – something to take on board perhaps?.

Focusing on the future, much work has been done over the past two seasons to create a Strategic Plan around the Club pillars. This has been a mammoth undertaking, so much thanks is owed to Darren Woodward for facilitating and helping all members turn their passionate views of our Club into an actionable plan for the future. The finishing touches are currently being added to the plan and the resulting structural changes, so expect to see it formally presented and implemented by the end of this year. I'm incredibly proud of everyone that has attended the workshops and given up their time to discuss how we can continue to improve our Club.

This season Ann-Sophie Sullivan represented our Club in the Surf Girl program and raised just over \$60,000 despite several events being cancelled due to COVID-19. The sheer amount of work she put into fundraising, community awareness, and engagement events for the members was incredible, and all whilst maintaining patrol captain duties. Truly an exemplary member!

Thank you's must also go to Heidi Roscher for stepping in last minute in the Treasury department, our Surf Girl Ann-Sophie Sullivan for not only raising a significant amount of money but doing so in such a way that the Club can replicate these events for coming years with or without a Surf Girl, and to Nat May and Sean Fallon for managing all our grant applications.

Will Hagan

SURF GIRL

Over the past year it has been an honour to represent our club through the Surf Girl program, and I would like to extend my sincerest thanks to the entire club for your support throughout the season. This year, as a Surf Girl, I focused on community awareness, fundraising and member engagement activities. In support of the program I am incredibly proud to have run 167 events & activities this season, reaching

over 527,407 people with our surf safety messages over 324 campaign days. I wanted to become a Surf Girl to give back to my Club, as I have seen so many inspiring women do before me. For me, the Surf Girl program provides a platform to reach an incredible amount of people through community awareness - to both share my experiences and save more lives.

Highlights for the season for me began right with my first event as we united the locals of the island for our "Christmas in July". This fun dinner was a great way to bring the island residents together and show them how important our Surf Club is to island life. Many commented that they had never been inside the Surf Club, and had no idea of the logistics behind our patrolling operations despite the significant period of time they had lived on the island. They were, however, well aware of the work our Club had done saving lives on the beaches and many stories were shared over a cheeky mulled wine.

An incredible support this season for our fundraising efforts came from many local businesses who donated their products or services, including Rae Green from Ray White North Stradbroke Island who sponsored the entire cost of our 2020 Straddie Calendar. Thanks to all the local photographers and club members who sent in their snaps, this season's calendars were a sell-out! There is even an island rumour that former QLD premier Anna Bligh purchased one for her home as she loves to holiday on Straddie and support the local lifesavers. Other fantastic fundraisers for our club included the Mega Summer Raffle, 70's & 80's night, Grill'd Local matters month winners, Egg-stra Epic Easter Raffle and of course Prawns at the Point. In total I am incredibly proud to share that over \$60 000 was raised through

the Surf Girl campaign.

For me, my most memorable event was the Guinness World record attempt for the "Largest Beach Safety Lesson" which included nippers, parents, members and public. With a final total of 318 people I am incredibly proud of the amount of community awareness and exposure for our organisation this World record attempt provided in broadcasting our surf safety messages. On 26th June 2020, our record was officially recognised by Guinness World Records and I couldn't be happier.

The 'Anyone Can Be A Lifesaver' campaign went viral online, reaching over 12,000 views alone on Facebook, sharing the message that while some of us are tall, fit, men, all muscles, there is so much more to being a lifesaver. Huge thank you to the members involved for sharing their story and encouraging new members to get involved. These major community awareness drives functioned as high impact campaigns to gain support for our surf safety messages and beach safety campaigns over the summer.

Growing up through the organisation, becoming a Surf Girl has been a personal goal of mine for over 10 years. These were women I looked up to for the incredible amount of passion and drive they had, to develop our organisation. Being a Surf Girl came with no surprises and I am so proud of all I have achieved in such a short time. This program has not only grown my passion for our message but also facilitated personal and professional growth too.

Being a Surf Girl is a mammoth effort, but I could not have made it this far without the incredible support of our club. Thank you to everyone who attended events, bought raffle tickets or showed me how you yell for "help" during my many surf safety talks. Thank you to my incredible committee for encouraging me to reach for my biggest goals. Thank you to all the Surf Girls past who have inspired and mentored me on my journey. A huge thank you to my family who have endured many impromptu meetings and brainstorming sessions. My biggest thanks of all goes to my incredibly supportive, passionate and dedicated partner, Will, who has challenged me to reach higher and achieve more than I ever thought possible. What a journey this year has been for us both! Thank you for helping me grow! And finally, thank you to SLSQ for facilitating the Surf Girl Program and helping to create and inspire the future leaders of our organisation.

Looking forward, as a proud member of Point Lookout SLSC, it has been an honour to help shape the future of our Club by developing our Strategic Plan this season. From this process I have developed a personal goal of becoming Point Lookout's second female president. In the mean time I am looking forward to engaging in the youth and member development space, as I follow through the incredible youth of our club on the Cairns Trip member engagement program, we ran this season.

At the time of printing, there is no new plan to replace the Surf Girl ball, postponed due to COVID-19 restrictions. SLSQ is working on a replacement awards presentation to announce winners and award recipients. I would like to sincerely thank every person who has supported me to achieve all of my Surf Girl program goals. Whilst the program was at times challenging, I feel I have grown immensely, becoming stronger, more resilient, a better leader, and a better surf lifesaver as a result.

Ann-Sophie Sullivan

SOS APPEAL

The 2019 Surf Safe Appeal was held on Saturday the 19th of October and, with a few key helpers unable to assist on the day, we quickly gathered an enthusiastic team to help us get through one of the most important fundraising days on our club calendar.

Amanda Lawson was key coordinator, arranging permits, workforce and SLSQ paperwork to get us on our way. Then there was the case of the missing maps! Kerryn Iacopi and I printed and collated a complete new set, only to have the missing box returned after collection day!

Heidi Roscher and the Old Boys oversaw the coin counting and banking, Matthew 'Emu' Robinson and the Old Boys prepared lunch for our members.

This year we raised a total of \$27,891.65 and had good numbers out collecting. This effort was hampered by a severe mid-morning thunderstorm which had us all ducking for cover and, unfortunately, the weather gods won that day.

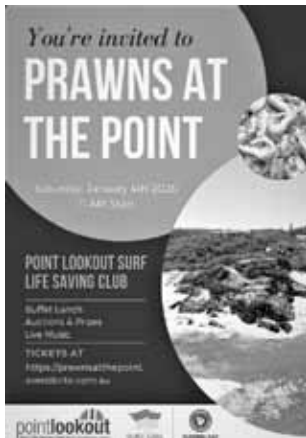

It was great to see some members out collecting in new and different ways i.e. markets, sporting events, seeking business donations and having a wonder through their local pub.

Thank-you to every member who walked the pavement or assisted on this day, especially our JA families who collected the majority of the funds.

And finally, a BIG thank-you to Julie Gillis for allowing us to commandeer her home and use it as our HQ for the day.

Natalie May

PRAWNS AT THE POINT

P@P2020 was once again proudly sponsored by the Point Lookout Old Boys. The Point Lookout Old Boys are very proud to sponsor this event and have been regular supporters for many, many years. They proudly cover the costs of all food on the day.

Once again we raised just over \$20,000 this year, which is an amazing result for our Surf Girl crew.

Thank you to Vic Carthew for being an outstanding MC and to Rick Bodger for his auctioning skills, together they formed an amazing team. They kept the event rolling along and also pulled out all the stops when it came to having a fun day at an important fundraiser for our Surf Girl.

Pauline Fallon again planned our theme for the day – this year we had flamingoes and lots of bright colours & lights and, once again, the hall looked amazing.

As in previous years, we had a complete sell-out. In fact, we even put two tables out on the deck, much to Emu's dismay. The weather was perfect so the deck concept worked really well which was lucky.

We had a lot of the usual faces and also plenty of new faces and there seemed to be a lot of laughter on the day.

We had a very spirited auction, the artwork provided by Macca (Alan McKinnon) and a host of other amazing artists was really sort after. The bidding was fast and furious. Macca and Noreen also donated some pieces to the Club and we thank you for your support!

Thanks to Matthew 'Emu' Robinson and John Gardiner for putting the food together and bringing the crowds back each year. Guys, you turn out great food.

Our Club members show up to assist in big numbers each year and we thank you for your support. The team of prawn skewerers,

assistant cooks, cleaners, waiters, and BBQ'ers always do a great job and it is these hidden jobs that are so important. It's very hot work in the kitchen and hovering over the BBQ, thank you guys. Peter Bayard and the bar crew did really well too, thank you!

There was even a real life rescue in South Gorge which our attendees got to witness first hand. Once the excitement had died down we moved out to the lawn to finish off the afternoon dancing to the sounds of a Caribbean Band.

We had loads of members register to help and a heap more showed up on the day, so, to everyone who took part in making this years Prawns at the Point a huge success – we give you a big thank you on behalf of the Club...

Sean Fallon

OLD BOYS

Firstly, on behalf of the Old Boys I would like to wish all our members and their families all the best and hope you stay safe during this extraordinary time. I am sure that COVID 19 will have an impact on our community in the years to come. It is imperative that in the times ahead we check in on each other.

The Old Boys have been active again this season engaging in numerous fundraising events and providing assistance to the Surf Club where required.

An overview of the Old Boys this season is as follows:

Old Boys Events

The 30th Old Boys Moreton trip was held 2-5 August, 2019 with 37 members attending, including a number of new members. As always, it was a great opportunity for members to reminisce about old times and create some new memories. This year we were unable to enter Tangalooma, introduced a retro round (thanks Hilly) and were very fortunate not to have lost one of our own even though we always take the opportunity to remember and acknowledge our past members.

The Club was invited by the family of former Old Boy, John Hutchinson, to spread his ashes off the headland on 29 September, 2019. Hutcho gained his bronze at Point Lookout SLSC on January 12th, 1963.

The Old Boys Christmas Party held at the MBTBC. It was an opportunity for past and current members to catch up over some festive cheer and a great time was had by all. Thank you to Mark Tonkin for organising this one.

Raffles have gone from strength to strength this season with the introduction of a new roster system. It was great to see so many new and old faces contributing to the raffles which are a vital source of income for the Old Boys. Unfortunately, we had to suspend raffles in March, due to the Federal Government COVID-19 directive, when the MBTBC was required to shut its dining, bar and function areas. We extend our appreciation to the MBTBC for their continued support of the Old Boys and its fundraising activities and we look forward to when we can return and support them. I would, again, like to thank Tonky for his efforts as Raffles Coordinator.

The Old Boys were proud to provide financial support and manpower this season to 2019 State IRB Titles hosted by Point Lookout SLSC, House to House Collection, the Club's Sponsors' Luncheon, the Junior Activities Christmas break up and the Club's annual Prawns at the Point function of which we were the major sponsor. Unfortunately, the 2019 State IRB Titles

were cancelled due to the conditions but it was a great weekend of Old Boys mingling with the younger members of the Surf Club.

I also take this opportunity to acknowledge and congratulate the Club's Surf Girl entrant Ann-Sophie Sullivan. It is a huge role to undertake and we thank her for enthusiasm and commitment in her fundraising and community awareness activities.

Old Boys Committee

The Old Boys have been served well this season by its Committee:

President – Larry Roberts

Deputy President – Gavin Kugler

Secretary – Tony Dodd (until 26 November, 2019)

Gavin Kugler (from 26 November, 2019)

Treasurer – David Finter

Director – Peter Hardisty

Director – Simon Johnstone

Recruitment Officer – Russ Field

Functions & Raffles Coordinator – Mark Tonkin

We thank all office bearers for their contributions this season.

I take this opportunity to extend our sincere appreciation to long standing office bearer Tony Dodd who had to resign from his position due to being appointed to a new role at GT Insurance. Tony first became Assistant Secretary of the Old Boys in the 2005-06 season and has continued to be involved on the Old Boys Committee in various

positions including four years as President. He has been a hard working member organising Old Boys Golf Days, the Moreton trip and the highly successful League of Extraordinary Gentlemen dinner hosted by the Old Boys on 5 March, 2011.

On a final note, this is my last report as Old Boys President as I will be stepping down after three years in the role. I would like to thank our members for the support they have given me in my role over those three years.

Larry Roberts

*Old Boys
President*

CLUB HISTORY - 1988/1989 SEASON

Welcome to another instalment of what life in the club was like 32 years ago – facts and snippets from the 1988/89 Season Annual Report.

Greg Batchelor was again President and George Hill was in his 4th term as Club Captain. Other position holders who you may know included :- Ian Ames (Treasurer & Vice President), Julie Keen

(Secretary), Matthew "Emu" Robinson (Clubhouse Director), Mike Stone (Assist CHD), Matthew Stevenson (First Aid Officer), Shane Modini (Gear Steward), Greg Keen (Radio Officer), & Jeff Daley (Team Manager & Senior Floor member).

Simon Johnstone (53 hrs) and Sharon Wright (65hrs) were Active Juniors.

Our Surf Girl was Kristina Dipple who would soon marry this season's Senior Club Champion & Vice Captain - Darren Woodward. Kristina & her committee raised \$5,000, which was a great effort back in those days.

Captain's Summary:-

1. First place in the Branch Patrol Competition – winners by a country mile.
2. The Bribie two-way carnival where to the shock horror of the Pt. Lookout boys there was a full programme of events but then the beer flowed and flowed and then came Sunday.
3. Members attendance and work around the club.
4. The State Titles, Mackay. First Aid teams - 2 firsts and a third and Brisbane Bitter a far last.
5. Roy Store and the Juniors Association still transforming Nippers into Lifesavers.
6. Surf Girl Night results – Most Outstanding Surf Girl – Krissy Dipple, Ugliest in a photo – Laurie Lawrence & Peter Jackson tied, Worst personality – Agro
7. Beating North Burleigh three times in a row in their pet IRB event.
8. All those members who have wed, engaged or given birth to a new crop of members. Thankyou.
9. And finally, our new Honour Board Opening with all our past Members present.

Two significant events:-

1. Club Captain, George Hill, introduced a Patrol Roster to ensure there were adequate numbers of patrol members over at times when some members would normally choose to return to the mainland. Before this, the Captain relied on the nucleus of members attending to stay for the whole weekend so that all patrol slots were covered and there were sufficient members available for patrol gear pickup and Sunday afternoon

pub raffles.

2. On 30th April, 1989 the Honour Board Reunion was held at the clubhouse with a big weekend involving the Old Boys and Current Members. The magnificent and much talked about honour board became a reality thanks to Terry Daley and the official opening was one of those fantastic "club" functions. Like the "Bridge to Straddie," the honour board has been talked about since 1973, but Terry made it a reality at a minimal cost and his words included "A club and it's members need four main values in order to survive – teamwork, fairplay, comraderie and a sense of history, as without these it would be difficult to face the future".

Membership:-

Senior club – 189

Seniors 32, Juniors 18, Cadets 13, Active Reserve 4, Award 6, Life 15, Long Service 3 & Associate 98

Junior club – Male 91, Female 31.

Nippers Chairman was Roy Store and Vice Chairman was Judy Wright

Total Expenditure of the club was \$120,000 and Income \$141,000

Rescues - Total rescues 31 (30 at Main Beach & 1 at Cylinder Beach)

Breakdown - IRB (10), Board (6). Tube (13) & Swimmer only (2)

First Aid Cases – Major (12), Minor (228), Resuscitation (1)

Competition:- Two carnivals held on our beaches included the Branch Patrol Competition in February which our team of G.Hill, A. Watts, J. Daley, G. Keen, G. Terrell & G. Batchelor came 2nd.

The second carnival was the Point Lookout IRB Classic held late May with 13 teams competing including a team from Auckland, N.Z. Main Beach was unusually rough for a May weekend and the carnival was transferred to Home Beach which was still fairly big, resulting in a few injuries and a medivac.

Branch Titles at Southport –
Senior First Aid 1st
Junior First Aid 1st & 2nd

State Titles at Mackay –
Open First Aid (I. Ames & J. Daley) 1st
Junior First Aid (M. Robinson & R. Bostock) 2nd

St. John's Open 100 year Centenary Carnival at Burleigh Heads –
Open Team (Ian Ames & Jeff Daley) – 1st,
Junior Team (Matthew Stevenson & Richard Black) 2nd

Australian Titles at Burleigh Heads –
Open First Aid (Ames/ Daley) 2nd

Club Championships:-

Open Champion - Matthew Robinson
Senior Champion - Darren Woodward
Junior Champion - Matthew Robinson
Cadet Champion - Chris Saffigna

There were plenty of medals won through a variety of IRB carnival events and Master's events throughout the competitive season.

Club's Highest Awards:-

Club Esteem – Julie Keen
Best Trier – Grant North
Outstanding Achievement – Roy Store
Best Patrol member - Greg Keen
Best Fundraiser - Dave Walton
Best Carnival Competitor - Paul Saffigna (Masters)
Most Improved Swimmer – Peter Kugler

On 1st July, 1989, Ian Ames was elected the club's 16th Life Member.

Overall the 41st season of our club was a very good one. A strong Captain and a strong Management and a healthy financial position along with good membership, comraderie and willingness to roll up the sleeves and work around the club, made it a very enjoyable and successful season.

Ian Ames
Life Member

SUPPORTERS CLUB

"Want to be President? It's really easy – a couple of meetings a year and it just about runs itself," he said. And, so it began. Thanks, Sean.....

Firstly, let me say that, at the time of writing this report, the bar is closed and associated functions cancelled due to restrictions around Covid-19.

Unfortunately, while restrictions are being lifted I don't see the bar being re-opened anytime soon. This, however, allows us to have the re-roofing done which will be one nightmare taken care of and will, hopefully, be the basis for a revamped bar area.

Peter Bayard will be relinquishing his managerial duties in May so I would like to thank him, most sincerely, for his time at the club. He's always been there when needed and acted in the best interests of the Club doing all the little jobs nobody else thinks about and being a voice for the Club on the island. I hope Peter and Dale will always feel welcome in our 'house'.

The management rights will be taken over by two Life Members, Dave Westby and Mike 'Moscov' Stone, subject to some formalities being fulfilled. I know they have some plans in place to lift the profile of the venue and wish them every success with their endeavours.

To my committee, Heidi Roscher and Nadene Kugler – together a driving force, Sean Fallon, Simon Johnstone and Mathew 'Emu' Robinson, a very big thank-you. With Len stepping down as Club Treasurer and Heidi stepping into this role the Supporters Club Committee is one member down so if you are interested in filling this spot please contact either myself or one of the above mentioned committee members. Apparently, "It's easy – a couple of meetings a year...."

Finally, let's hope we can all stay safe, get back to our island home and open for business refreshed and revitalised sooner rather than later.

Rick Bodger

Below: some Point Lookout Mums enjoying a drink at the Point Bar

ORDER OF AUSTRALIA MEDAL

In October 2019, our very own Life Member Wayne Cole received the Order of Australia Medal. Wayne was announced in the 2019 Queen's Birthday Honours List on 10 June 2019 by His Excellency the Honourable Paul de Jersey AC, Governor of Queensland for his remarkable contribution to National and State, in this case for his contribution to Lifesaving.

The full announcement was as follows:
Mr Wayne Maxwell COLE, Cleveland QLD 4163 for service to surf lifesaving.

Point Lookout Surf Life Saving Club

- Life Member.
- Past President.
- Club Captain, 1974-1978.
- Regional Examiner, 1976.
- Member, since 1968.

Awards and recognition includes:

- Local Hero, Redland City Council, 2009.
- SLSQ Volunteer of the Year, 2009.
- Silver Medal, Royal Humane Society, 1973.
- SLSA Gold Medallion, 1979, Silver Medallion, 1977, and Bronze Medallion, 1973.

Wayne Maxwell Cole joined the Surf Life Saving movement at Point Lookout - North Stradbroke Island in September 1968. He gained his Bronze Medallion on November, 18 1968. From there he has amassed 147 awards including various Silver Medallions and his Gold Medallion. He still holds over 30 awards and has recorded 640 patrol hours as at the 2018/19 Annual Report but we have no doubt that there would potentially be hundreds of unrecorded water safety hours for junior activities and IRB (Inflatable rescue boat) driver and crew hours from those earlier years. As you all know Wayne is still very actively involved in the Club in Junior Activities, Club Training and Proficiency to name just a few areas of his involvement. Congratulations Wayne, we are all so proud of your achievements!

SLSA MERITORIOUS AWARD

**Taken from SLSA website*

On New Year's Day 2019, Frenchman's Beach at North Stradbroke Island was experiencing rough conditions and its usual multiple rips when tragedy occurred.

At 12.10pm, Lifeguard Logan Specht, on his lunchbreak at the top of Frenchman's Headland was alerted by a member of the public about a struggling swimmer 150m offshore. Logan looked over the cliff edge, saw the swimmer and immediately contacted the Point Lookout station letting them know he was going down to help.

Logan instructed his friend Tim MacDonald to take the soft pack down the steps, took the rescue board from his vehicle and ran down the side of the cliff. At 12.15pm, Logan and the Main Beach IRB driver and crew arrived at the patient who was face down, unconscious and unresponsive, pulled the patient into the IRB and headed back to Frenchman's Beach.

The patient was a 46-year old male whose daughter was also at the beach. At 12.18pm, CPR began with Lifeguard, Surf Life Saving crew Alex Langenberg and Anna Prasek, and members of the public helping. At 12.20pm Gil Rhodes arrived as WR8 Operator and began scene management coordinating resources and SurfCom.

For over an hour, a diverse team consisting of the lifeguard, surf lifesavers – an off duty nurse, supportive members of the public, Queensland Ambulance Service officers, and R500 Flight doctors, did their very best to give the patient every chance of surviving, continuing CPR, staying at the scene, moving him away from the incoming tide, supporting each other and of course, comforting the patient's daughter.

Sadly at 1.30pm, doctors pronounced the patient deceased. This was the first major incident for many involved, so peer support was significant and the debrief acknowledged the remarkable effort by all team members.

Below: Alex, Logan & Anna receiving their SLSQ award at the Annual Lifesaving Excellence Awards Dinner. Alex and Anna were unable to attend the Canberra Award presentation.

LIFE MEMBER - DAVID WESTBY

Nominated By: Sean Fallon

Seconded By: Keith Weinert

Life membership is the Club's highest honour awarded to those who have distinguished themselves by providing extraordinary and conspicuous service to our Club. Dave Westby is one of those rare individuals who typifies the motto of the surf lifesaving movement "Vigilance and Service".

Dave's association with Point Lookout SLSC began in 1996 when he, his then wife Michelle and 3 children joined the Club as a family activity. Like many in our organisation, Dave did not set out with the intention of chasing achievements. However, through his passion, enthusiasm, commitment and tireless work for over two decades he has made an invaluable contribution to our Club and its members.

Becoming a patrolling member in 1996, Dave has progressed from being a "nipper parent" to a point where he is, indeed, a valuable part of our Club on many levels – covering patrols, administration, lifesaving support, examinations and training, nipper education, coordination of fundraising events... the list is endless.

Dave has taken on many roles within our Club over the years, and has always displayed drive and enthusiasm (mixed with larrikin) in his achievements to date.

Dave is one of a few members who have held the roles of Club Captain and Club President, which truly reflects his leadership qualities and the significant impact he has had on our Club. And on top of those achievements, he has continued to be an age leader for our nipper members for in excess of 20 years, long after his own children have progressed through the nipper ranks.

Since attaining his Bronze Medallion on 30 November 1996, Dave has completed 1,750 patrol hours (at the completion of the 2018/19 season). Dave is still an active patrolling member for our Club, sharing his knowledge and expertise in this area with younger members.

He has undertaken the role of Patrol Captain for at least ten consecutive years, from 2007 to 2016. There, he has led teams of countless numbers of lifesavers each season, and has ensured our motto of Vigilance and Service remains strong to this day.

Dave obtained his Silver Medallion Patrol Captain award in the 2004/2005 season and in 2012 obtained his 10 year National Patrol Service Award.

Dave has contributed numerous hours to Operations Support Services with his RWC patrols at Point Lookout, and continues these patrols on a regular basis.

As a vital member of the Club's Management Committee, Dave has held the management position of Director of Lifesaving in 2011/12, 2016/17- 19/20.

Dave has completed numerous rescues whilst patrolling in the red and yellow, with the most notable and more recent being worthy of a bravery award nomination, namely the rescue earlier this year (March 2018) where Dave was instrumental in the rescue of two teenagers, who were swimming on Frenchmans Beach on a day when 2-3mtr swells were running and it was treacherous. The teenagers were very lucky to have survived their ordeal.

Dave held the position of Club House Director in 2007/08 (a shared position that season), which gave him a detailed insight into the maintenance required on the clubhouse and facilities.

His forte in facilities comes from his trade as a qualified plasterer and his ability to render walls and repair ceilings where necessary. The time and effort that Dave has committed to the clubhouse facilities, using the experience and knowledge of his trade background, has saved countless dollars, and ensured that our clubhouse facilities are well maintained and safe to use.

He has served on the Building Committee for many years, a committee with large responsibility but never a large enough budget. Dave was instrumental in renovation/repair work which saw the floor of the girls' bunkroom/roof of the IRB shed being fireproofed, a massive but extremely essential project.

Dave's penchant for volunteering and taking on positions within our Club started in 1999/2000 season, after just four years in nippers, when he was elected as Vice Chairperson for Junior Activities, a position he held for five years.

Usually a member with superb leadership skills would progress from Club Captain to Club President in their lifesaving career. But true to typical to "Westby" style, Dave has done things his way whilst still benefitting Point Lookout SLSC.

Dave held the position of Club President for 3 consecutive years in 2004/05, 2005/06, 2006/07.

Finishing his stint as Club President, Dave then took on the role of Club Captain for three consecutive years in 2008/09, 2009/10, 2010/11 and has served on multiple Committees over numerous years.

Dave has always availed himself for fundraising activities, including the old pub raffles (both mainland and island), and the annual House to House Collection where he notably always collects the big dollars. It is fair to say that Dave has always participated and lead from the front in actively fundraising during his time with our Club.

For several years, Dave attended the Aussie Titles workforce activities at Kurrawa midweek, and then coordinated patrols on the island on the weekends.

For many seasons Dave donned the Red, White and Blue nobby to represent Point Lookout SLSC as part of the Masters Surf Boat crew.

He has competed in IRB Racing, crewing for a Master's team in the IRB surf and mass races, and was never afraid of the tough conditions often faced at the pointy end of a boat.

Dave has been a Training Officer for the Bronze Medallion and Advanced Resuscitation awards since 2003, and has taken numerous squads through these awards, ensuring that our members are sufficiently trained in lifesaving skills for patrols. He is also an Assessor for the Bronze Medallion award, ensuring that candidates have been trained to a sufficient standard for our Club.

In 2005, he qualified as a Training Officer for IRB's and went on to become an Assessor in 2017.

There would be many members, past and present, ranging from nippers to nipper parents, who have benefitted from Dave's expertise and knowledge. He has been a nipper age group leader for nearly 20 years, and the kids admire and respect him for the time he invests.

For many years, Dave has helped to conduct Bronze Medallion Camp at the start of the season, which is a week long commitment and an annual fixture on our Club's calendar. Dave has also provided leadership and coordination for the annual Canadian Lifeguard Camp, which is a five day intensive camp for international lifesavers from Canada to obtain their Australian equivalent qualification.

Dave introduced an Education Camp for first year cadets (those members graduating out of Under 14's from nippers) at the start of each season, where they learnt valuable skills to take them into a fresh season, such as local island knowledge and culture, club history and building friendships.

He also initiated a Sydney Youth Trip, with 11 of our younger members visiting other Clubs and representing our club interstate.

Selection for Life Membership includes extraordinary service and personal sacrifice above and beyond the normal duties of a member, as well as displaying loyalty, leadership and commitment to the members and the Club.

Dave Westby has excelled in positions of responsibility for our Club, he is a larrikin with a heart of gold, but is fiercely loyal to the red, white and blue of Point Lookout.

During his 21 year history with the Point Lookout SLC, Dave has held many Executive/Management positions, senior leadership and committee roles and has attained 96 SLSA awards for service, education and competency, some of which are listed below.

DAVE'S ACHIEVEMENTS:

- 1996/97** Joined PLSLC, completed Bronze Medallion, Advanced Resuscitation Certificate
- 1998/99** Age Group Leader, Gear Steward
- 1999/00** Vice Chairperson Junior Activities, U13 Group Leader, Gear Steward, 1st Branch IRB carnival 40+ Assembly Rescue (R Bodger, A McKeown)
- 2000/01** Vice Chairperson Junior Activities, U11 Group co-Leader, 1st Branch IRB carnival 40+ Assembly Rescue (G Keen, A McKeown), 1st Branch IRB 40+ years surf rescue (G Keen, A McKeown), 1st Branch IRB 40+ years rescue tube (G Keen, T Allen)
- 2001/02** Vice Chairperson Junior Activities, U12 Group co-Leader, Senior First Aid Certificate (PUA), Surf Coach Level 1
- 2002/03** Vice Chairperson Junior Activities, U12 Group co-Leader, Champion Lifesaver Coach, Training Officer Bronze Medallion Award, IRB Crew Certificate
- 2003/04** Vice Chairperson Junior Activities, U12 Group co-Leader, Assessor Bronze Medallion Award, Training Officer Advanced Resuscitation, Silver Medallion IRB Driver, Club Championships – 2nd overall Masters
- 2004/05** President, Cadet Officer, Silver Medallion Patrol Captain, Silver Medallion Life Support, Defibrillation Certificate, George Hill Memorial Award, House to House 2nd highest senior collector, John Mayne Trophy for Best Patrol Group
- 2005/06** President, Training Officer IRB, House to House – largest collector
- 2006/07** President, U14 Group Leader, 500 hours patrolling
- 2007/08** Youth Development Officer, Clubhouse co-Director, Vice Patrol Captain, Silver Medallion Beach Management, Qld Training Officer, RWC Induction Award, Skills Trainer TAA Program, 600 Patrol hours, Ran bronze camp
- 2008/09** Club Captain, Youth Development Officer, U14 Group Leader, Vice Patrol Captain, Qld Phase 1 Search and Rescue Course, Apply (Senior) First Aid, James Wilson Club Esteem Award
- 2009/10** Club Captain, Patrol Captain, Rescue Water Craft Operator Certificate, 700 Patrol hours, 800 Patrol hours
- 2010/11** Club Captain, Patrol Captain, TAF Induction, 900 Patrol hours, James Wilson Club Esteem Award, IRB crew Brisbane Floods
- 2011/12** Director of Lifesaving, Youth Development Officer, Patrol Captain, Resuscitation Certificate, Advanced Resuscitation Techniques Certificate, 1000 Patrol hours
- 2012/13** Youth Development Officer, Patrol Captain, 10 Year National Patrol Service Award, Qld Tractor Induction, Qld 4WD Induction, 1100 Patrol hours
- 2013/14** Vice Captain, Patrol Captain, Age Group Leader (13 years), 5 year Patrol Service Award, 5 Year Patrol Captains Award, 5 Year Assessors Award, 1200 Patrol hours
- 2014/15** Vice Captain, Patrol Captain, 10 year Age Manager Service Certificate, 5 year Assessing Service Certificate, 1300 Patrol hours
- 2015/16** Patrol Captain, Resuscitation (AID), First Aid (AID), 1400 Patrol hours
- 2016/17** Director of Lifesaving, Patrol Captain, Assessor IRB, Advanced Resuscitation Techniques (AID), 1500 Patrol hours
- 2017/18** Director of Lifesaving, Patrol Captain, SLSA Meritorious Award for Bravery, SLSA Rescue of the Month, SLSQ Bravery Award, 1600 Patrol hours
- 2018/19** Director of Lifesaving, Patrol Captain, National Service Medal (backdated to 2015/16)

JUNIOR ACTIVITIES

JA PICS

SURF GIRL

JUNIOR ACTIVITIES

It's a huge honour for me to be presenting my first Point Lookout Junior Activities Annual Report for the 2019/20 season.

Throughout this report along with statistics and images, we recognise all the wonderful achievements that our members have been a part of throughout this year.

It is also an opportunity where we can recognise

and acknowledge our very special sponsors and their families, without whom we would not have a nipper program as we know it.

I would like to take this moment to say a special THANK YOU to Steve and Jenny Heisig (Heisig Constructions) who have given incredible financial support to Point Lookout SLSC Junior Activities for the last 8 years, and who have personally dedicated countless hours in helping bring our program to life. Thanks guys! And of course to our other sponsor families - Mark Tadros (Brisbane Rehab), Andy and Janine Bradley (XBÜRO) and Andy and Sandra Heathcote (Migration Buro) - Thank you all so much for your support. I would also like to thank our other major sponsors, Stradbroke Ferries (SeaLink), Redlands RSL and Redlands Sporting Club and our newest sponsors for coming onboard this season IGA Marketplace Cleveland, Redlands Realty and MRK Marketing.

Thank you to our incredibly dedicated and often very patient Age Group Leaders. This band of merry men and women, half of whom no longer have children in nippers, give up their Saturdays between October and March to teach our children the various essential surf awareness and water safety skills. To Shelley and her team THANK YOU!. A special mention to Dave Westby who is our first Age Group Leader to achieve 20 years of looking after our nippers. Well done Dave and we look forward to you guiding our nippers for many years to come. Congratulations also to Richard Smith and Greg Houghton who reached 5 years service as Age Group Leaders. I would also like to thank our water safety coordination team led by Jon Bryant, Simon Johnstone and Gil Rhodes for keeping our children safe through the sometimes challenging ocean conditions that we encountered this season.

Massive thanks also goes to Peter Josefski (PJ), Lunch Coordinators (Cathy Hughes, Jen Josefski, Kate Harris, Kristie Pilon, Jodie Templeman & Lisa Hooker) and all

the parents who have helped out with lunches. Aaron Hughes for drinks, Kirsten Firmin and Sandra Heathcote for merchandise/clothing, Brent May and Chad Murray for always helping out with early morning setup and pack up plus to everyone else that has helped out during the season. Thank you also to Don Stevenson for his support as JA Awards Coordinator. All this helps to make what we do at Point Lookout SLSC so unique.

To the tireless Judy Lobley and her right-hand gal, Julie Verrall; Can you believe their "couple of raffles" up the pub each week raised over \$8,000 for the nippers! Thank you, Ladies and Thank you Stradbroke Is Beach Hotel for your support.

Prior to the 2019/20 season starting, Point Lookout JAC were again asked to support a fundraising initiative for Bris Bricks (LEGO Club) on what was their major Expo of the Year which ran over the October long weekend. With huge support again from our members, we were able to raise over \$4000. Congratulations and thank you to everyone involved.

Junior Activities also strongly supported numerous other fundraising activities which included, the Annual Surf Safe Appeal (House to House), Kozii Iron Challenge and Prawns at the Point.

Our newest fundraising initiative was the Nipper Colour Run, that was run and organised by Michael Firmin. Without Michael's drive and determination to make this event happen it wouldn't have been the success it was. Even though we had a small number of nippers for the event, the nipper families were able to raise over \$7800. Whenever there were vital \$\$ to be made, our dedicated Nipper families were there in numbers.

With the new season starting, we saw our nipper numbers continue to grow to a new capacity record of 243 nippers this year compared to previous years. Once again, this season we had to effectively "close the books". This is a great reflection on the quality of our nipper program and the dedication and commitment of our members who have given many hours throughout this and previous seasons to bring the program to life. This season we were fortunate to have most of our nipper days at Main Beach.

We again saw record numbers of nippers attending our pool swim nights and board training sessions. Thank you to our helpers and coaches that make these sessions happen - Matthew 'Emu' Robinson, Pat Trevor-Jones, Lisa Lower, Darren Edwards and Amanda Montenegro.

Following on the success of the inaugural nipper and

parents' clubhouse sleepover last season and with the support of the senior club management, Club Captain and Club Director, the JA programme were able to arrange 3 age groups (U10, U11 & U12) and parents to stay at the club. Thank you and congratulations to each of the AGL's (Eddie Retimana, Dave Westby, Greg Houghton & Richard Smith) that took charge in ensuring it was an awesome and memorable weekend for everyone concerned. Hopefully, we see this tradition continue with more age groups attending next season and for years to come.

This season our nippers were lucky enough to participate in a Guinness World Record attempt for the largest Beach Safety Presentation. Our very own surf girl Ann-Sophie Sullivan organised and ran this and it was a great success and it set the Guinness World Record. Congratulations Ann-Sophie and to all our nippers and parents who participated in this attempt. You can now say you're world record holders.

As always, at this time of year we bid farewell to our U14's – 23 in total. Some have been together since green caps, some joining in later years. I wish you all the best and I hope to see you on the beach wearing the red and yellow in the coming years.

It was another huge year in the competition arena this season. Point Lookout Junior Activities fielded competitors again in every area of surf sports competition. A big thank you to our Team Managers - Richard "Smiffy" Smith, Shelley Johnstone, Sandra Heathcote and Michelle Perry for your efforts in getting our kids to the line.

Our pool rescue season was again hugely popular, with a number of new competitors testing their skills throughout the various carnivals, seeing numerous personal bests and 4 medals being won at the Queensland Pool Rescue Championships. Some of our competitors even went on to compete at the Australian Championships.

For the rest of our surf sports season, it was "full on". Whether it was the Qld Endurance Champs, Surf Rescue Competition, Little Dudes, Kozii Iron Challenge, Young Guns, Board Riding, Beach Series or Branch Championships - the Red, White and Blue of Point Lookout was there. All our members who competed throughout the season performed extremely well taking home numerous medals and more importantly

lifelong memories. Once again it was an amazing season culminating in over 7 Branch medals. Unfortunately, we didn't get to compete at the Qld Youth Championships (States) this season due to the COVID-19 Pandemic. But, congratulations to all our nippers who competed throughout the season. The way every nipper that has represented the club, supported their peers and performed to the best of their ability every time they don on the Red White and Blue nobby cap makes us extremely proud. We are so lucky to have such amazing nippers and parents who want to be part of and represent Point Lookout SLSC.

Of course, none of these results happen without the tireless dedication of our coaches. Thank you again to Emu, Eddie, Pat, Lisa, and Amanda, Charlotte and Hayley. Thanks also to our dedicated officials who supported our carnivals this season – Mrs Johnstone, Simon Johnstone, Bill and Sue Simpson, Kevin Love, Nerissa Retimana and John Brennen.

Our 2019/20 End of Season Presentation was done a little differently this year as a result of the restrictions being in place due to COVID-19. This year our presentation was done LIVE on Facebook – we would like to make a special mention to Victoria Carthew who MC'ed this event and made it all work. Our nipper families from the comfort of their own homes got dressed up in their favourite beach gear or nipper outfit, grabbed their drinks and nibblies and watched as we went through and recognised all our great achievements this season. Our AGM was also conducted via ZOOM due to COVID 19. Thank goodness for technology.

As this season closes it marks the end of my role of the Junior Activities Director. I would like to take this opportunity to recognise and thank a few very special people. Firstly to Matthew 'Emu' Robinson, who was always there to help out with his advice and knowledge having been the previous JA Director. Without you as my (and the other JA Executives) sounding board, the role would have been a very steep and stressful learning curve.

To my other Junior Activities Executive Committee Members for this season, Peter Josefski, Jeff Saunders and especially Kerrie Love, thank you for all the work you do, especially the extra hours that happen outside a normal Nipper Saturday, and doing whatever was required during the season. This made my role as the JA Director so much easier with that 'whole team' approach and attitude.

THANK YOU to all members, both nippers and parents, for a cracking season. See you all on the beach next season.

Jason Rasmussen

PERPETUAL TROPHIES

TROPHY	MALE	FEMALE
U8-U10 Encouragement Trophy	Ryan Kelley	Anissa Smith
U8-U10 Achievement Trophy	Fletcher Huddle	Sophie Wilson
Most Consistent - Boards	Jackson Brennan	Kate Johnstone
Most Consistent - Beach	Robert Swaney	Kiesha Muckan
Most Consistent - Water	Billy Love	Abigail Kilner
Ironman Award	Jackson Brennan	
Ironwoman Award	Kate Johnstone	
Pool Rescue Competitor Award	Billy Love	
Surf Rescue Competitor Award	Thomas Love	
Board Riding Competitor Award	Ethan Kugler	
U11-U14 Encouragement Award	James Heathcote	Charlotte Roth
Team Managers Club Spirit Award	Andy Josefski	
Gavin Black Special Achievement Award	Billy Love	
Outstanding Achievement	Bethany Edwards	
Nipper of the Year	Thomas Love	Kiesha Muckan

SENIOR CLUB AWARDS

Best Carnival Competitor	Simon Johnstone & Matthew Robinson
Most Dedicated Carnival Competitor	Hayley Robinson
Screw Up Award	"The IRB Officers" Kim Stallard & Jesse Mantell
Trainer of the Year	Julienne Ward
Assessor of the Year	Gary Morthorpe
Official of the Year	Kevin Love
Best Patrol Member	Patrick Trevor-Jones
Best Fundraiser	Ann-Sophie Sullivan
George Hill Memorial Award (Contribution to Junior Activities)	Tony Langenberg & Elisa Morris
Most Improved Member	Ethan Kugler
John Clark Award for Position Holder Excellence	Sean Fallon
Daniel Price Memorial Cadet Club Spirit Award	Aria Retimana & Sophie Saunders
Steven Price Memorial Junior Club Spirit Award	Rhys Daley
Gary 'GT' Terrell Memorial Young Lifesaver Award	Jesse Mantell & Hayley Robinson
Col Turner Outstanding Achievement Award	Donald Stevenson
Darren Mullen Memorial Best Trier Award	Alexander Langenberg
James Wilson Memorial Club Esteem Award	Matthew Robinson

CLUB

Patrol Service Certificates

500 hours	Rhys Daley, Oliver Meyer, Gemma Price, Hayley Robinson, Matthew Robinson, Kyle Trevor-Jones, Julie Ward
600 hours	Rhys Daley, Gemma Francis
700 hours	Oliver Lawson, Katie Price, Andy Pryor
800 hours	Jeffrey Daley, William Hagan, Wade Harrison, Gavin Kugler, Jesse Mantell, Andy Pryor, Ann-Marie Westby
900 hours	Gavin Kugler, Ferhat Puris
1100 hours	John Hagan, Simon Johnstone, Bruce Middleton, Don Stevenson
1200 hours	Alex Langenberg
1300 hours	Alex Langenberg
1400 hours	Michael White
1500 hours	Vince Wildey
1800 hours	David Westby
1900 hours	Keith Wienert
2200 hours	Michael Stone
2700 hours	Calan Lovitt
2800 hours	Calan Lovitt

SLSQ Awards/Certificate

100+ Patrol Hours:

Luke Edwards, Calan Lovitt, Rhys Daley, Alexander Langenberg, Jayden Robinson, Gemma Price, Brody Trevor-Jones, Rhett Foreman, Andrew Pryor, Ferhat Puris, Hayley Robinson, Patrick Trevor-Jones, Gavin Kugler, Lincoln Somerville, Jesse Mantell, Oliver Lawson, Keith Weinert, Michael White, Darren Chay Loy Soon, Kate Turvey, Don Jackson, Julienne Ward, Ann-Marie Westby, Michael Stone, Emily Neal, Kyle Trevor-Jones, Matthew Robinson, Ethan Kugler

100% Patrol Attendance - Andy Pryor

SLSQ Coaching Service Award

15 Years - Gary Morthorpe

SLSQ Assessor Service Award

5 Yrs - Calan Lovitt **15 Yrs** - Bruce Middleton

SLSQ Trainer Service Award

5 Yrs - Katie Price **20 Yrs** - Bruce Middleton
25 Yrs - Garry Goodey **45 Yrs** - Wayne Cole OAM

SLSQ Officiating Service Award

5 Years - Simon Johnstone, Scott Stephenson
25 Years - Jeff Paskin, Patricia Paskin

SLSQ Lifesaving Service Award

3 Years - Donald Stevenson

SLSA - 15 Years National Service Medal

(15yrs Service with Min.30hrs/season)

David Finter, Calan Lovitt, Gary Morthorpe, Richard (Kim) Stallard, Michael Stone, Keith Weinert, Ann-Marie Westby, David Westby, Vincent Wildey

SLSA - National Patrol Service

(Min.16hrs/season)

5 Years National Patrol Service Award

Kane Brady, Rhys Daley, Oliver Meyer, Lilly Morris, Peta Nash

10 Years National Patrol Service Award

Gemma Francis, Don Stevenson

15 Years National Patrol Service Award

Gavin Kugler, Ann-Marie Westby, William Hagan

20 Years National Patrol Service Award

David Westby

SLSA - Long Service (continual membership)

25 Years Long Service Award - Susan Bozoky, Terry Bozoky,

Peta Lawlor, Ingrid Potent, Heidi Roscher, Scott Stephenson

30 Years Long Service Award - Anthony Dodd

40 Years Long Service Award - John Brennan OAM

NEW AWARDS GAINED 2019/20 SEASON

CPR and/or First Aid:

Josephine Beqiri, Anna Bradley, Michael Clarke, Abbey Dempsey, James Earnshaw, Sarah Earnshaw, Stephanie Elliott, Bailey Foreman, Kathryn Harris, Ryan Heisig, Catherine Hughes, Nicolas Hughes, Alea Kingi, Kerrie-Anne Love, Sabella MacRae, David Meyer, Christopher Nash, Satchi Ogilvie, Thomas Qualishefski,

Edward Retimana, Aria Retimana, Samantha Rhodes, Lynette Roth, Sophie Saunders, Lucy Sefafini, Maya Sheil, Sol Shilling, Jack Shone, Bailey Somerville, Eliza Trout, Abigail Williams, Nena Williamson, Darren Woodward

Advanced Resuscitation:

Zac Arnolda, Luke Edwards, Charlie Elliott, Jesse Meyer, Ella Montenegro, Joel Pryor, Michael Clarke, Emma Meyer, Lachlan Stein, Sarah Williams, Christopher Nash, Samantha Rhodes, Edward Retimana, Stephanie Elliott, Charlotte Johnstone, Jayden Robinson, Lincoln Somerville

Surf Rescue Certificate:

Abigail Attridge, Mollie Attridge, Abby Blewitt, Amy Bradley, Riley Brennan, Hardy Bryant, Lachlan Caldwell, Bethany Edwards, Cienna Farthing, Colt Graham, Trae Jarrett, Jack Johnstone, Nicolas Kilner, Ethan Kugler, Ned Leaney, Thomas Love, Chloe Meates, Calum Montenegro, Keisha Muckan, Noah Murray, River Ryan, William Serafini, Jack Shone, Thalia Williams

Bronze Medallion:

Darren Chay Loy Soon, Luke Edwards, Maddison Parker, Neve Walton-Smith, Eliza Trout, James Earnshaw, Sarah Earnshaw, Alea Kingi, Alexander Marshall, Thomas Qualishefski, Samantha Rhodes, Lynette Roth, Lucy Serafini, Abigail Williams, Anna Bradley, Callum Brennan, Stephanie Elliott, Charlotte Johnstone, Ellise Lower, Mia Madsen, Cody Nash, Jayden Robinson, Lincoln Somerville, Brody Trevor-Jones, Mikka Vende

Bronze Assessor*:

Julienne Ward, John Hagan

Silver Medallion Aquatic Rescue*:

Cody Jensen, Oliver Lawson, Julian Newton, Fraser Pappin, Kyle Trevor-Jones, Lachlan Zarri

Silver Medallion Beach Management:

Rhys Daley, Gavin Kugler, Lili Leaney, Jesse Mantell, Oliver Meyer, Julienne Ward, Sarah Williams, Rodney Winkleman, Darren Woodward

Silver Medallion IRB Driver:

Rhys Daley, Kevin Hogan, Lili Leaney, Edward Retimana, Daniel Stone, Ashleigh Whelan, Rodney Winkleman

Gold Medallion (Advanced Lifesaving)*:

Cody Jensen, Jesse Mantell, Kyle Trevor-Jones, Lachlan Zarri

IRB Crew Certificate:

Zac Arnolda, Anna Bradley, Darren Chay Loy Soon, Luke Edwards, Charlotte Johnstone, Mia Madsen, Brent May, Peta Nash, Cody Nash, Trent Pilon, Jayden Robinson, Lincoln Somerville, Brody Trevor-Jones, Eliza Trout, Mikka Vende, Neve Walton-Smith

IRB Assessor*: John Hagan, Gary Morthorpe

Jetski Drivers Certificate*: Fraser Pappin

Radio Operator Certificate:

Abigail Attridge, Mollie Attridge, Josephine Beqiri, Abby Blewitt, Amy Brandley, Hardy Bryant, Lachlan Caldwell, Abbey Dempsey, Amy Duthy, Bethany Edwards, Cienna Farthing, Colt Graham, Eoin Grondona, Kathryn Harris, Ryan Heisig, Jack Johnstone, Ethan Kugler, Ned Leaney, Thomas Love, Sabella MacRae, Chloe Meates, Noah Murray, Christopher Nash, Satchi Ogilvie, Nerissa Retimana, Aria Retimana, River Ryan, Sophie Saunders, Lucy Serafini, William Serafini, Maya Sheil, Sol Shilling, Jack Shone, Bailey Somerville, Eliza Trout, Kristie Williams, Thalia Williams, Nena Williamson

JA Age Manager Course:

Darren Chay Loy Soon, James Earnshaw, Trent Pilon, Robbie Swaney, Mark Wilson

SS Development IRB Coach*:

Michael Stone

SS Technical Official*:

Judith Johnstone, Patricia Paskin, Natasha Stevenson, Debra Toon, Julie-Anne Verrall

COMMITTEE'S REPORT

Your committee members submit the financial report of the POINT LOOKOUT SURF LIFESAVING CLUB INC ("the association") for the financial year ended 30 April 2020.

Committee Members

The names of committee members throughout the year and at the date of this report are:

President - Sean Fallon
Vice-President - Matt Robinson
Secretary - Karen Bodger
Treasurer - Heidi Roscher

Principal Activities

The principal activities of the association during the financial year was to save lives on the beaches of North Stradbroke Island. Our organisation encompasses lifesaving services, community education, membership services and surf sports.

Significant Changes

No significant change in the nature of these activities occurred during the year.

Operating Result

The surplus/(deficit) of the association for the financial year amounted to (\$83,421) (2019: (\$5,894)).

Signed in accordance with a resolution of the Members of the Committee.

Sean Fallon

Heidi Roscher

Dated this 18 day of July 2020.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act 1981 (Qld). The Committee has determined that the Association is not a reporting entity.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following material accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

Initial application of AASB 15 and AASB 1058

The Association has adopted AASB 15 Revenue from Contracts with Customers and AASB 1058 Income of Not-for-Profit Entities for the first time in the current year with a date of initial application of 1 May 2019.

The Association has applied AASB 15 and AASB 1058 using the cumulative effect method which means the comparative information has not been restated and continues to be reported under AASB 111, AASB 118, AASB 1004 and related interpretations.

There is no significant impact when applying AASB 15 and AASB 1058 given the simplicity of the Association's revenue streams

(a) Plant and Equipment

Plant and equipment are carried at cost less, where applicable, any accumulated depreciation.

The depreciable amount of all fixed assets are depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use.

Leasehold improvements

Leasehold improvements are amortised over the remaining life of the lease.

(b) Income Tax

The Association is a not for profit which is exempt from Income Tax.

(c) Employee Benefits

Provision is made for the association's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits have been measured at the amounts expected to be paid when the liability is settled.

(d) Impairment of Assets

At the end of each reporting period, the entity reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the income statement.

(e) Cash and Cash Equivalents

Cash and cash equivalents includes cash on hand, deposits held at call with banks, and other short-term highly liquid investments with original maturities of three months or less.

POINT LOOKOUT SURF LIFESAVING CLUB INC
 ABN 67 892 838 556
 FOR THE YEAR ENDED 30 APRIL 2020

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES - continued

(f) Revenue and Other Income

Grant income

When the Association receives grant income, it assesses whether the contract is enforceable and has sufficiently specific performance obligations in accordance with AASB 15. When both conditions are satisfied, the Association:

- Identifies each performance obligation relating to the grant;
- Recognises a contract liability for its obligations under the agreement; and
- Recognises revenue as it satisfies its performance obligations. If the contract is not enforceable or does not have sufficiently specific performance obligations, the Association recognises income immediately in the profit and loss

Annual membership subscriptions are recorded as revenue in the financial year that they relate to.

All revenue is stated net of the amount of goods and services tax (GST).

(h) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

(i) Accounts Receivable and Other Debtors

Accounts receivable and other debtors include amounts due from members as well as amounts receivable from donors. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

(k) Accounts Payable and Other Payables

Accounts payable and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the association during the reporting period that remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

Trade and other payables	17,480	(44,801)
	<u>(10,931)</u>	<u>12,867</u>

NOTE 6: EVENTS AFTER THE END OF THE REPORTING PERIOD

No matters or circumstances have arisen since the end of the financial year, except those identified in this note, which significantly affected or may significantly affect the operation of the Association, the results of those operations, or the state of affairs of the Association in future financial years.

Prior to year end the State Of Queensland introduced lockdown restrictions in respects to COVID-19, at the time of signing this report the future financial impacts are unknown.

Subsequent to year end the Association received an invitation to join the National Redress Scheme due to an application naming the organisation in the Scheme. At the time of signing the financials statements, the Organisation had not decided whether to register with the scheme or what, if any, the financial impact of joining could be.

NOTE 7: CONTINGENT LIABILITIES

The committee members are not aware of any contingent liabilities, except those already stated in Note 6, that have arisen since the end of financial year which significantly or may significantly affect the operations of the Association.

Independent Auditor's Report

To the Members of the Point Lookout Surf Life Saving Club Inc

I have audited the financial report of Point Lookout Surf Life Saving Club Inc (the "Club"), which comprises Balance Sheet as at 30 April 2020, and the Income Statement and Statement of Cash Flows for the year ended and notes to the financial statements, including a summary of significant accounting policies and statement by members of the committee

In my opinion, except for the qualifications below, the accompanying financial report gives a true and fair view of the Club's financial position as at 30 April 2020 and of its performance for the year then ended in accordance with the requirements prescribed by the *Associations Incorporation Act 1981*.

Qualification

As common for organisations of this type, cash receipts are a significant source of fundraising revenue for the Club. The Club has determined that it is impracticable to establish complete control over the collection of cash donations prior to entry into its financial records. Accordingly, as the evidence available to me regarding fundraising revenue was limited, my audit procedures with respect to cash receipts had to be restricted to the amounts recorded in the financial records. I am therefore unable to express an opinion whether cash receipts the Club recorded are complete.

In addition, I did not attend the stocktake held. Accordingly, I am unable to express an opinion on the completeness and valuation of ending inventory as at 30 April 2020.

The audit opinion expressed in this report has been formed on the above basis.

Basis for Opinion

I have conducted my audit in accordance with Australian Auditing Standards. My responsibility under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of my report. I am independent of the Club in accordance with the ethical requirements of the Accounting Professional and Ethical Standard's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to my audit of the financial report in Australia. I have fulfilled my other ethical responsibilities in accordance with the Code.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

POINT LOOKOUT SURF LIFESAVING CLUB INC
ABN 67 892 838 556
FOR THE YEAR ENDED 30 APRIL 2020

STATEMENT BY MEMBERS OF THE COMMITTEE

The committee has determined that the association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

In the opinion of the Committee of POINT LOOKOUT SURF LIFESAVING CLUB INC the financial report as

- (1) presents a true and fair view of the financial position of POINT LOOKOUT SURF LIFESAVING CLUB INC as at 30 APRIL 2020 and its performance for the year ended on that date.
- (2) the operations of the Association have been carried out in accordance with the *Associations Incorporation Act Queensland*; and
- (3) at the date of this statement, there are reasonable grounds to believe that POINT LOOKOUT SURF LIFESAVING CLUB INC will be able to pay its debts as and when they fall due.

The statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee by:

Sean Fallon

Heidi Roscher

Dated this 18 day of July 2020

Emphasis of Matter

The financial report has been prepared for the purpose of fulfilling the committee's financial reporting responsibilities under the *Associations Incorporation Act 1981*. As a result, the financial statements may not be suitable for another purpose.

PO Box 3346
MANLY QLD 4179

Responsibilities of Committee for the Financial Report

The committee of the Club is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the *Associations Incorporation Act 1981* and for such internal control as the committee determines is necessary to enable the preparation and fair presentation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Committee is responsible for assessing the Club's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the Committee either intends to liquidate the Club or cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Club's financial reporting process.

Auditor's responsibility for the audit of the financial report

My objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of user taken on the basis of this financial report
