The Members of Point Lookout Surf Lifesaving Club Inc. would like to Acknowledge the Quandamooka First Nations people, Nunukul (Noonuccal, Nunukal), Ngugi (Nughi) and Gorenpul as the Traditional Custodians of the lands and seas where we patrol.

We acknowledge and pay respect to all Elders past, present and emerging, for they hold the memories, traditions and hopes of their people.

NOTICE OF ANNUAL GENERAL MEETING

Notice is hereby given that the 73rd Annual General Meeting of the Point Lookout Surf Life Saving Club Inc. will be held on Sunday 11th July 2021 at 10.30am at the Cleveland RSL, Passage Street, Cleveland.

AGENDA

1. Attendance, Apologies and proxies
2. Confirmation of previous Annual General Meeting Minutes
3. Presentation and Adoption of Annual Report
4. Presentation of and Adoption of Auditor's Report and Financial Statements
5. Notices of Motion
6. Election of Officers for the 2021/22 Season
7. Appointment of Non-Voting Members
8. Endorsement of Branch Councillor (Club President)
9. Appointment of all Committees as deemed required by the Club Council
10. Membership Fees
11. Election of Life Members (if any)
12. Affiliation
13. General Business

PLEASE NOTE: VOTING RIGHTS – relevant sections included as per CONSTITUTION Section 25 (p21):

25.VOTING AT GENERAL MEETINGS

25.1 Members entitled to Vote

Each Member over the age of 15 years and entitled to vote as set out in clause 12.1 shall have one vote at General Meetings which, subject to this Constitution, shall be exercised by that Member.

25.2 Casting Vote

Where voting at General Meetings is equal, the chairman may exercise a casting vote.

26. Proxy Voting

(a) Proxy voting shall not be permitted at any General Meeting

Thank you,
Karen Bodger
Honorary Secretary

The Point Lookout Surf Lifesaving Club Inc. mourns the loss of members who passed away during the season.

Their memory and efforts will always be remembered. The Officers and members of this Club also extend their deepest sympathy to those members who have lost dear ones during the past twelve months and offer their condolences to their family and friends.

THANK YOU - SPONSORS AND SUPPORTERS

Without the support of our Sponsors and Supporters, it would not be possible to operate our service and facilities.

Our appreciation is sincerely extended to the following for the support shown during the 2020/21 season.

PRESIDENT

In this, the 73rd season of the Point Lookout Surf Life Saving Club, the Club has grown in so many ways; some for the positive and some negative.

The Club is made up of many assets both tangible and intangible, the biggest and most important Club asset is of course you; *our members*. After that we have our buildings, our vehicles, our rescue equipment such as IRB's, boards, trailers etc.

On the intangible side, we have the biggest and most important asset and that is our Club spirit; our willingness to volunteer, our willingness put Club before man, our willingness to train and learn and then to spend countless hours on the beach always watching and very occasionally acting on our training. Another intangible which is critical to the Club is that of our friendships, our mateship, our banding together so that we are not one single person, we are a collective of many who act together to make everything, and possibly anything, happen.

Our Club Priorities are Patrols, our Facilities, Fundraising, Administration and Competition.

Patrols: Alex Langenberg, Gavin Kugler, our Vice Captains Jesse Mantell and Lana Burke and our dedicated band of Patrol Captains have risen to the challenge. Our patrols have generally been of a good strength, our standards kept strong with our members standing at the water's edge, our patrol inspections have gone well but, above all else, our beaches have been kept safe.

Facilities for the Members: We have been well served by Andy Pryor who, in his role as Clubhouse Director, has also fed from 2 members to 40 every weekend and also keep the Club buildings in good order. Will Hagan, as you all know, has slaved over the Point Lookout SLSC Strategic Plan and which, at the time of writing this report, was due for imminent release. We have good levels of rescue gear, the vehicles are all in good running order and we have finished the season with very few scratches and dents in the Clubhouse and on the vehicles.

Fundraising: This Club priority has been much more challenging than in recent seasons, Covid has certainly wreaked havoc with our efforts but we have seen a triple whammy, Covid curtailing events together with less money coming in from long standing sponsors and donors such as Sibelco and then much increased expenses such as building maintenance and insurances. Nadene Kugler as our Treasurer, Will

Hagan as Finance Director and Ann-Sophie Sullivan as Membership Director have done their very best to keep the money coming in and watching and controlling the money going out. We had to approach our traditional house to house collection day with no knocking on doors, though Will came up with a contingency plan, we ran a fridge raffle and much delayed Prawns at the Point. Thanks to all involved for helping and selling and serving to keep these funds rolling in. Between Nat May and Nadene Kugler we have been chasing grants all season with reasonable success.

Junior Activities and the IRB team have also been very active and good at keeping all income and expenses in balance so that it is not a drain on the Club's bank balance.

Administration: This takes many forms, by far and away Nat May is the glue that keeps it all together for the Club, she punches through so much work for us and always with a smile and a great attitude. Nat and Karen Bodger, as Club Secretary, have kept the whole show moving forward. Administration is also about ensuring the patrols logs are all up to date, insurances paid, food ordered and paid for, competition and training paperwork completed, grant monies applied for, actioned and accounted for. The business of running the Club is now a joint effort between volunteers and our paid administrator. Paperwork is the bane of everyone's existence, it has now becoming a major workload for the Club especially in areas such as training, proficiencies, risk management and approvals for camps and carnivals.

Competition: Scott Stephenson is back on the Management team this season and has been steering Surf Sports for the Club. Whilst we are never going to be a powerhouse, we compete solidly. It is amazing to hear the results from both the individuals and teams on behalf of the Club. Thank you for your dedication in your continued training effort, paying for your expenses and getting out there competing and having fun.

Patrols: The table on the following page shows patrolling statistics for the last 6 seasons. As you can see the amount of hours per person has been increasing over time.

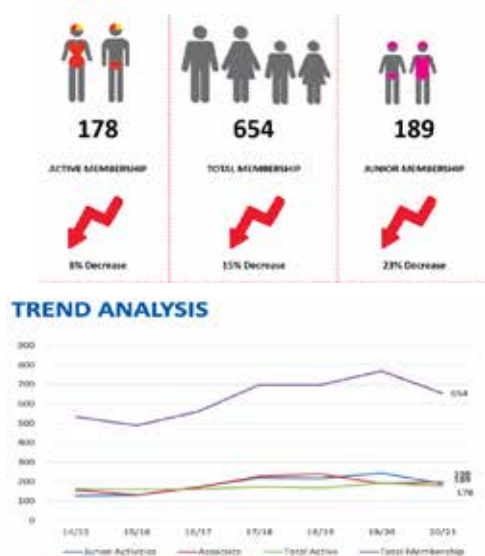

Given the impact of Covid and reduced overall membership numbers, this season has shown a strong increase in patrolling members at 220 members who patrolled for the season for an average of 55 hours per patrolling member. I believe that this is a strong endorsement for the current roster system (2 shifts

per day) and also for the selflessness or altruism of our members.

Season	Total Patrol Hrs	Members	Hrs/Person
2020-2021	12,071	220	55
2019-2020	10,921.50	241	45
2018-2019	8,304	212	39
2017-2018	9,062	212	43
2016-2017	8,171.25	208	39
2015-2016	7,668.75	177	43

Membership: The table below shows what our Club was looking like at the mid-season point, the full year result would show the membership in a better light. To me this indicates a drop off due to Covid and the constraints on numbers for Junior Activities, once again, primarily due to Covid. You can see from the above graph that we continue to hold our strong membership base when you look back 5-6 years ago.

Assets: The buildings are in need of continued

expenditure for their maintenance. This season commenced with our new roof in place, pleasingly we are now leak free, hence the damage to ceilings and paintwork could then also be rectified. In the off-season the girls bunk room was also given a major overhaul with a new locker and wet room, new access to the bathrooms, a relay of bunks, curtains and flooring, ceiling repairs and painted, from what I have heard the consensus is that it's much appreciated. We also managed to get the columns to South Gorge replaced and considerably updated – this was a major piece of work. Works have also gone on at the Cylinder shed. If you refer back to last year's report this delivers on all proposed works for the season.

Club Finances: The above all comes at a major cost to our bank balance, and, of course we planned for

the works. We sought and gained several grants and had donations from Bluescope Steel (thanks again to Peter Burke) BUT this is unsustainable. Our Club finances are suffering and the continued cost of keeping the clubhouse in a habitable, functionable and safe state is chewing up our reserves. At the current rate of spend we have 2-3 years of reserves left if we do not find a solution. I am sure Nadene will expand upon the Club finances.

I strongly feel that we need to pause and reflect on what we have and where we are going.

Strategic Plan: Will Hagan has steered the Club through an incredible piece of work, namely the Strategic Plan, this is a critical document for the Club. At the time writing this report we will be launching the Plan to the members over the coming weeks. Like all good plans it is a living document so it will adjust and change over time. We have held numerous open sessions in the lead up to the launch for everyone to have their say. What the plan does is map out a possible future sustainability for the Club. It focuses in on our lifesaving services, our membership, external engagement, our facilities and infrastructure and our finance and administration. In essence all of the elements we need for a healthy functional and functioning Club.

This also heralds changes so please engage with us, don't sit back and comment to the walls, tell us what you are thinking. I would like to call out Darren Woodward, Wayne Cole, George Hill, Pete Josefski and Matthew 'Emu' Robinson for their continued input, attendance and support for Will during this two-year process.

As we head to the AGM, there are some gaps in our membership nominations but I am confident that as always, the Club will thrive and survive no matter what the challenge. Please consider what you can do for your Club, as it's always been Club before person and now more than ever we can use that support.

The Club continues to uphold its tradition of keeping the beaches of North Stradbroke Island safe for everyone, the growing influx of day trippers who are unsure of the sea and, in particular Straddie, continues to keep us busy.

Thank-you time:

On behalf of the membership and the public, thank you to:

- All Club members for your support and altruism,
- Our Management Committee and officer bearers,
- The Junior Activities Committee,
- The Old Boys Committee and
- The Supporters Club Committee.

Deputy President - Matthew Robinson – Emu has been there for me again right through the season, we have our daily 7am phone calls just about every day of the week all season, he is across so much. Thanks Emu and Jen for your support of the Club and your friendship along the way.

Secretary - Karen Bodger – your knowledge of the history of the Club's decisions, why it is the way it is and the constitution and by-laws is excellent, your input is appreciated as always.

Nadene stepped as Treasurer at the last AGM, she has always got the best interests of the Club at heart. It seems like she has been in the role forever as she has slotted straight in. As I mentioned we have our share of money problems at the moment due to the Clubhouse maintenance costs. Nadene is steering us through this situation with careful planning and control of expenses.

Thank-you Alex, another season under the belt as Club Captain. Well done for your tireless hours running the patrols and keeping the beaches safe. The effort of a Club Captain is non-stop for the whole season, so understandably Alex has indicated that he needs a change of pace. Thank you for your years of involvement with the Club, we have been very lucky to have your guiding hands and selflessness.

Don Stevenson our Director of Training once again produced a very big start to the season with a well organised series of proficiencies and training several new bronze medallion holders. Part-way through the season Don stood down from this position leaving behind a lasting legacy of assessors and trainers through his 5 years in the role. Julie Ward graciously agreed to take on the Director of Training role and excelled putting through numerous Bronzies, IRB drivers and crews.

Will and Ann-Sophie have stepped into the gap created by the lack of a Surf Girl and driven extra income from additional raffle sales and fund-raising as well as producing a Strategic Plan. They have also been active in their respective roles as Finance and Membership directors.

Andy Pryor has had a huge year working on our Club and also fulfilling the role of CHD. Once again the role is unrelenting and very drawn out across the whole season. Thank-you Andy and the rest of the building committee for your efforts in giving us a far better surf club.

Gil, thank-you for standing up and taking on the role

of Junior Activities Director, it has been a challenging season with Covid threatening at every stage. You and your team have done an excellent job in putting together a great season for those Club members in your charge.

Gavin Kugler also stepped up to take on the Director of Lifesaving role this season. He has been a dedicated leader and he has continually and actively taken part in pushing for a better outcome for the Club and its members.

We had some new faces as Patrol Captains this season,

congratulations to you all for stepping up and providing this valuable service to the Community.

To Calan Lovitt and the lifeguard team, thank you for your support and efforts in and around the Club. It is a proven partnership that has been tested on many occasions during many of the recent rescues across the season and for many years.

Thanks, also, to Fran Wilson for stepping into the Merch role. Fran has brought ideas and enthusiasm to the table and we look forward to great things in the merch world in coming seasons.

Old Boys: These gentlemen are an amazing asset to the Club. They are always delivering on behalf of the Club through their great sense of camaraderie, fundraising at the Trailer Boat Club, Moreton Island camps and their building efforts and working bees at the Club.

Thank you to the Gavin, Woody, Dave and the old boys for again sponsoring the Prawns at the Point and your unquestioned support of the Club.

Building Committee – It's been a big season as mentioned earlier. You have delivered on so much for the Club: a totally new roof, remodelled ladies bunkroom, revamp to the Cylinder shed and the columns down the gorge side of the Club. Thanks to you all for your ongoing efforts.

Supporters Club: Well done to Rick Bodger (Chair), Heidi Roscher, Nadene Kugler, Matthew Robinson and Simon Johnstone for your support of the Club and in driving the opportunities with the bar. The Supporters Club will once again be directing its surplus funds to the Surf Club at the right moment.

Sponsors: We would like to formally recognise all of our sponsors for this season. Thank you to Heather Truman and the crew at Sealink, the team at J.J. Richards, and to Roy and Ed at the Port of Brisbane.

All of your support has meant that we can perform lots of building maintenance and keep all of our rescue equipment up to date. Thank you, also, to Bob and the team at the shop your continued support. You will see a more complete list of sponsors elsewhere in this annual report.

As we said at the finish of season: " Thank you to all who gave up their precious time to wear the red and yellow. Whether you helped with water safety or managed an age group or one hour or 200 of patrol on the beach or radio room or cut up lunches, no matter what your contribution your efforts are appreciated and your sacrifice for the Club and your public service is worthy of praise. Thanks to your help; numerous fathers, mothers, sons and daughters were able to make it home to their families, their lives saved by the skills and knowledge of you, our members."

And my final Thank you goes to my wife Pauline for putting up with me spending so much time in and on the Club.

Yours as always in lifesaving,
 Sean Fallon

SECRETARY

Another patrolling season has drawn to a close and huge congratulations must go to all members for your dedication, participation and efforts this season in ensuring the continued success of Point Lookout Surf Lifesaving Club. It has been challenging in many ways but, as usual, we have managed to pull together to ensure the safety of our beachgoing public.

There are many volunteers within the club and each and every one of you is an integral 'cog in the wheel' that is Point Lookout Surf Club and I'd like to thank you for your involvement. Whether you are on the beach, working behind the scenes or washing dishes at Prawns, every hour you give is valued and greatly appreciated. We couldn't do what we do without you!

There are, however, members within our club I'd like to pay tribute to:

- My fellow management members ably led by President, Sean Fallon. The volunteers whose dedication and enthusiasm keep the club ticking over. While most members enjoy the off season, management members continue to tackle the unending list of things that need doing behind the scenes - clubhouse maintenance, grant applications, ensuring policies and processes are up to date through meetings with Branch, State and Redland City Council.....
- Treasurer, Nadene Kugler. Nadene has

overcome many challenges in her first season as treasurer, putting new processes in place to ensure the longevity of our club despite the difficulties of our present 'pandemic world'.

- Club Captain, Alex Langenberg, and his right hands, Jesse Mantell, Kyle Trevor-Jones, and Lana Burke. You guys are awesome and display great passion for the club upholding the values that we stand for.
- The building committee. This year has definitely been a challenge. Major work was essential in several areas to maintain the building and these guys have stepped up yet again. A big thank-you to all of you, but especially to Andy Pryor who has definitely displayed his red, white & blue heart this season. Not only active on the building committee, Andy stepped up as CHD where he has devoted many, many hours to ensuring the members are fed and comfortable when in the clubhouse.
- Directors of Training, Don Stevenson and Julie Ward. Don and Julie processed 225 awards this season, not including JA awards – an amazing effort considering all the paperwork and co-ordination involved.
- Club Legends, John McInnes and Merv Mears. These guys continue to invest in our club in any and every way they can. They run errands during the week, do those 'little jobs' that need doing around the club and generally epitomize the 'club before man' ethos we strive for.

I'd also like to extend a very big thank-you to our sponsors. In this 'pandemic world' our club requires, more than ever, the good will and generosity of our sponsors and supporters. Fundraising has become so much more challenging and we are very fortunate to have many long-term, core sponsors – we could not do what we do without them.

In closing I would like to say a massive thank-you to our Club Administrator, Natalie May. Nat puts in many, many hours keeping the wheels turning efficiently and with the utmost professionalism. Nat, you are fabulous and a great asset to the running of our club. Your enthusiasm, drive and willingness to learn is inspiring.

Best wishes to our IRB and Pool Rescue teams embarking on their competition season, I know you will do us proud.

For everyone else, enjoy the off season and I look forward to seeing you back on the beach in September.

Karen Bodger
 Honorary Secretary

TREASURER

Challenge, commitment, and culture.

These three words embody my first season as Treasurer for Point Lookout Surf Life Saving Club.

Challenge

The community in which we operate has been faced with extremely challenging times due to the ongoing existence of COVID-19. The Club has not been immune to these

challenges, and we have seen significant impacts on our income streams this season due to this operating environment.

The end of season sees the Club post an operating loss of \$170,745, overall cash position of \$336,984 and total member funds \$960,414.

Our income for 2020/21 has been considerably impacted by limited opportunities to fundraise as the Club traditionally has. Overall, total income for the season was \$369,095 – a decrease of over \$175,000.

Fundraising income was \$46,290 – a decrease of over \$100,000. Recognition and thanks must be extended to Will Hagan, Director of Finance, for thinking outside of the box for House to House (SOS Appeal) and implementing a QR code for a letterbox drop rather than the traditional door knock. Although funds raised were half of what the Club would usually raise (total funds raised \$14,112), the Club was looking at no funds at one stage due to COVID restrictions. Thank you, Will, for your efforts in this regard as well as driving the Summer Celebrations Raffle and raising much needed funds for the Club in a challenging year.

The Club's main fundraising activity Prawns at the Point was postponed from its traditional January timeslot to 1 May 2021 due to a COVID lockdown in January. The income and expenses for this event will be spread over two financial years due to its timing. Despite these challenges, the event raised over \$20,000 for the Club.

The Club once again sold calendars as a fundraising activity. Thank you to Ray White North Stradbroke Island for your continued sponsorship of the calendars.

Pleasingly we were able to secure numerous grants this season. Thank you to our Club Administrator Natalie May and the team at SLSQ Grant Seeking Unit for your hard work in securing these vital grants for the Club.

Grants received included:

BMD Group Community Grant	\$5,000
Department of Sport and Recreation	\$22,000
DES Government Subsidy	\$25,193
Port of Brisbane	\$4,000
Redlands Foundation	\$3,000
SLSA Beach Safety and Equipment Grant	\$5,000
SLSQ QFES Lifesaving Development Fund	\$11,948

Grants were also received from the Department of Social Services, Gambling Community Benefit Fund and Redland City Council totalling \$18,622 which will be carried over to next season.

Despite the decrease in income, the Club still costs over \$500,000 per season to operate. This season saw expenses totalling \$539,840 including \$130,239 on Clubhouse Maintenance and Repairs. Clubhouse maintenance included the installation of a new roof, update to the girl's bunkroom, window repairs and concrete pylons repairs.

Key points to note for expenditure include:

Administration expenses	\$65,150
Beach patrol expenses	\$11,178
Club vehicles	\$12,853
Clubhouse operational expenses including electricity, water/ rates, gas, NBN/ phone	\$21,347
Competition and carnival expenses	\$11,354
Insurances	\$39,742

Numerous grants were received for asset purchases including a new IRB motor, rescue boards, rescue tubes, radios, and CPR manikin. A new tractor was also purchased at the start of this season.

The Club's ice machine also needed to be replaced and we sincerely thank Bob's Shop Foodworks and Four Seasons Airconditioning and Refrigeration Services for your generous donation and assistance in obtaining a new ice machine.

SUMMER CELEBRATIONS RAFFLE 3 PRIZES UP FOR GRABS

**EACH PRIZE INCLUDES:
MEAT TRAY
ALCOHOL
AND A BEACH TENT!**

"Alone we can do so little; together we can do so much"

- Helen Keller

Commitment

The Club is extremely fortunate to have numerous individuals and organisations who continually demonstrate commitment to our Club and put in a huge amount of time and effort to ensure the Club continues its operations and key goal of 'vigilance and service'.

Thank you to our wonderful long-time supporters for your continued commitment to the Club including Sealink, JJ Richards, Bob's Shop Foodworks, Redland City Council, Port of Brisbane, Redlands Foundation, BMD Group, GT Insurance, Ray White North Stradbroke Island and Metabolic Balance.

To my fellow Executive Members, Management Committee members and office bearers, thank you for your commitment this season to our Club. From taking the Club vehicles and IRBs to get repaired or serviced, delivering training courses, managing the Club's uniforms and clothing, boards and equipment, first aid supplies, cooking meals, undertaking maintenance at the Clubhouse, coordinating patrols, selling calendars and raffle tickets or attending meetings, all of you had contributed to the operations of the Club and your commitment is invaluable.

I would like to extend a special thank you to:

- President Sean Fallon your leadership and commitment to the Club during an incredibly challenging year is to be commended. Thank you for your support not only this year but over many years.
- Assistant Treasurer Heidi Roscher for your ongoing commitment to the Club. Heidi contributes enormously to the Club's financial management through her extensive accounting knowledge and experience, working in the background saving the Club thousands of dollars each season. Thank you for your support and assistance this season.
- Deputy President Matt 'Emu' Robinson your commitment and dedication to the Club is undeniable. Always there as a sounding board or to lend a hand in the kitchen with Club events. Thank you for your support this season.
- Pete Josefski and Dave Finter for your ongoing commitment to the roles of Junior Activities Treasurer and Old Boys Treasurer. Your diligence in managing

the finances for the respective areas of the Club is invaluable and appreciated.

- Club Administrator Natalie May your commitment, professionalism and enthusiasm you bring to the role is sincerely appreciated. Nothing is ever too much trouble and I thank you for your support and assistance this season.

Culture

Moving forward, how can the Club reduce its operational expenses in line with its current income levels? How the Club has funded activities in the past may not be viable going forward.

During the season, I have seen some great attitudes and displays of members putting the Club first and willingness to jump in to assist with fundraising without seeking anything in return. I would like to reinforce to members it is your Club.

Respect your fellow members and what they contribute to the Club.

The future of the Club relies on its members to be there to patrol and to fundraise. If we all give a little time and effort, then it is less reliant on a few to do a lot. This is the challenge the Club faces moving into next season and beyond. Some tough decisions may need to be made to ensure continued financial viability.

Nadene Kugler
Honorary Treasurer

CLUB CAPTAIN

What a season! Coming off the back of COVID-19 which messed around with the tail end of last season, it was great to see how many members leapt back into the club eagerly once the lockdowns were finished. Even though we started the season with Covid and snap lockdowns tapping on our shoulders we managed to successfully pull together to ensure our beaches were safe.

Before I go into specifics, I'd like to give a massive thank you to each member who did a patrol this season. You all really are the pieces of the giant puzzle called "Point Lookout SLSC". Everyone who came down in their red and yellow contributed to a whopping total of 12,071 hours of patrolling at Point Lookout. Thank you so much for coming over, helping out and ensuring we had another successful season!

First of all, I could never have made this season work without my vice captains; Jesse Mantell, Kyle Trevor-Jones, and Lana Burke. Between the four of us we had all weekends covered, as all three of these enthusiastic and passionate members ensured the club continued to run efficiently. Always keen to try new things, upskill the members and pass on their knowledge, they all display great passion for the club and uphold the values that we stand for. They brought to their respective weekends their own personal aspects and interests, so each weekend you knew exactly what kind of activities you could look forward to and this ensured that the club was fun, tempting more members to come and stay as long as they could.

This season we continued with the two patrols a day system, that was implemented previously, with great success. We continued with the lunches in the middle of the day for most of the season, however we sadly had to drop back to just sliced fruit after a few attempts at gourmet three course lunch meals cut too deeply into the budget. We also utilised some of our "wise old men of the sea" Wayne Cole, along with Gavin Kugler and Gary Morthorpe to conduct our own internal patrol inspections. This enabled us to see what we needed to improve on throughout the season and what we should begin leading into for next season. Working in partnership with the new South Coast Branch Patrol Inspectors framework, we've seen a massive increase in our patrolling standards due to Coley and his team, as well as Lisa from Branch and her Patrol Inspectors.

We kicked off the season with a Patrol Captains Excellence Weekend, the combined brainchild of Matt "Emu" Robinson, Calan Lovitt and myself. This initiative was designed to improve the Patrolling Captain's understandings of the position, boost their knowledge and skills on the island, which in turn would then be funnelled through to their Patrol Groups. We

had guest speakers, Jamie Findlay and Alana Gore, who spoke about Mental Health in our Surf Life Savers, Ivan Parsons from the Point Lookout Police Beat who spoke about Conflict Resolutions, and members of the North Stradbroke Island Queensland Ambulance Service who assisted us with a complex scenario on Main Beach. Thank you to all of these

guests, the Patrol Captains who attended and all our extra members who came and acted as patients during our scenario. Thank you to all those who made this weekend possible, especially Cal and Emu who ended up running most of the show for me.

A massive thank-you to Andy Pryor our CHD. With the club continuing to be a very expensive building, Andy works tirelessly behind the scenes to keep it standing. He was one of the main driving forces behind the new Female Bunkroom, which has turned into a very fancy new area where many of the girls enjoy hanging out. Andy was also instrumental in organising the pillars under the bar that are crumbling away, to be fixed/replaced. A big thank you, also, to the Trevor-Jones family who did much of the lifting work, as Andy was constantly injuring himself.

Thank you to the clubs 'married old couple', McInnes and Merv, who were always seen wandering around the club, fixing a thousand little things that most people don't even notice, conjuring equipment we need out of thin air, especially McInnes who called me almost every week to see what the club needed. I can't thank these two enough for how much effort they put into the place.

Thank you to Kim Stallard, once again, for his tireless effort in making sure our IRB's were always operational across the season. You've had this position for as long as I can remember, but you always do an incredible job. You are always able to come over and tweak the motors when they've been flipped and work hard behind the scenes, most people don't know how much you put into these valuable assets, but we greatly appreciate your efforts!

Julie Ward stepped up as Training Officer, a position that often goes unthanked. However, it is easily one of the most important positions that can be held within the Surf Club, for without the hard work behind the scenes – organising courses, camps and awards – we wouldn't actually have anyone able to man the

beaches. So huge thanks to Julie, you did a great job. Thanks also go to Don Stevenson, Gary Morthorpe, Matthew Robinson, Calan Lovitt, Sarah Sammut, Rhett Foreman, Dave Westby, Jeremy Tamms, Keith Weinert, Mick Stone, Eddie Retimana, Tammy Hagan and Caitlin Ferguson for assisting with training courses and helping Julie across the latter part of the season.

Thank you to Gil Rhodes for looking after our shiny new radios and making sure that we are able to talk to each other and communicate across North Stradbroke Island. Thanks also to Don Jackson (Jacko) for ensuring there were radio operators almost every weekend and ensuring there were always eyes on the Gorge and someone to help coordinate patrols across the entire season!

Thank you to Gemma Francis, our new First Aid Officer. Gemma was dealing with some health issues through the season but still managed to restock and fix up our First Aid Room. She also did her best to jump onto as many Wave Runner patrols as she could, so on behalf of everyone who was injured, thank you Gemma for keeping us supplied.

Thank you to Sean and the rest of the management team for having my back, for keeping me on track (especially Emu and Nat) and ensuring that everything in the background ran smoothly, so that the Club could keep running. Most members have no idea of the massive amount of work you all put in to keep the club alive and running smoothly. Thank you all!

A very special shout out to Gavin Kugler, one of the more involved Directors of Lifesaving that I can recall. You've kept me honest and on task across the season, picking up the slack while I've tackled some personal difficulties. While you've pointed out problems which I never noticed, often adding to my job, your attention to detail and your passionate enthusiasm for your role has been incredibly refreshing and has definitely improved the club's patrolling operations. You truly have the club's best interests at heart, and you've contributed to so much behind the scenes, it would be remiss of me not to draw attention to it. On behalf of all of our patrolling members, and the beachgoers, who have benefited from what you've brought to the position, a huge thank you.

Thank you to the North Stradbroke Lifeguard Service who have again and again offered our members extra mid-week training and support. I know a few of our members have taken advantage of this and, at the end of the day we do the same job. Mitch Yates, Logan Specht, Sam Cartwright and the team work well with our members and offering help, development and local knowledge so thank you also.

There are possibly members that I have missed, and I apologise if so, but I'd like to say a massive thank you to everyone who has helped in any way to the smooth operation of Point Lookout Surf Club.

I would also like to say a massive thank you to everyone who has supported me, personally, in the position as Club Captain. It's been a hell of a past three seasons, with deaths on the beach, a massive loss of patrolling members and a global pandemic, though I'm pretty confident that we've come through it all pretty well. It's no secret that this was intended to be my last season as Club Captain as I turn my gaze to other ways of helping the club.

The members of Point Lookout SLSC are my family, although I'd also like to take a second to thank, Mum and Dad, Anita and Tony Langenberg, for dealing with my whinging, offering their opinions and keeping me going through the on and off season. You two taught me to always give a job everything I have and I've definitely tried that as Club Captain. So, thank you again to my parents, my fifty-something other island parents, my friends and fellow club members for helping me through these last few years. They've been taxing on everyone, and I, for one, am excited for what is yet to come.

One last thank you to all of our members and sponsors for putting in the hours across the season, on the beach, in the club, with the Nippers, on the mainland or through your wallets. We really couldn't have done it without you. Enjoy your break, put your feet up and we'll see you all next season, hopefully on a COVID-Free island.

Yours in Lifesaving,

Alex Langenberg

Congratulations to the following members:

LIFESAVING

Firstly, I would like to thank all the patrolling members this season for their time and commitment to keeping the beaches safe.

Club Captain, Alex Langenberg, in his third season, has played an integral role for the Club with many challenges to overcome including managing rosters and patrols during COVID lockdowns. A great initiative by Alex was the introduction of a Patrol Captains

weekend. I can see this concept will evolve and improve the standards of our Patrol Captains. Thank you to Alex for your continued commitment to the Club.

Another initiative implemented this season was the introduction of inter Club patrol inspections to help improve the standards of patrols and allow for members to understand the processes involved with patrol inspections. Thank you to Life Member, Wayne Cole OAM, and Gary Morthorpe for their assistance in getting this initiative off the ground and their continued support of our Patrol Captains. We will be reviewing the systems we have in place currently to better equip the Patrol Captains for next season.

On the topic of patrol inspections, congratulations must go to our patrol members who performed admirably with the South Coast Branch patrol inspections. Point Lookout, as a Club, must be highly ranked amongst our branch this season with our outstanding results in these patrol inspections. Well done to all members involved who demonstrated true Club spirit and represented the red, white and blue proudly.

A big thank you also needs to go to Don Stevenson and Julie Ward for the massive undertaking of training of our members. The mountains of paperwork required for members to become proficient and courses conducted to upskill members is a huge amount of time and coordination. Thank you for your time and effort in this role.

I would also like to thank all office bearers who diligently make sure the gear and equipment is serviced and maintained from IRBs, radios, & boards to first aid and vehicles. The Club cannot continue to operate patrols efficiently without well maintained gear and equipment.

The lifesaving operations is a fundamental component of our Club and an area that requires significant on-going financial support. We have been fortunate this season to receive numerous grants to purchase new

rescue boards, radios and an IRB motor. I ask members to be respectful of gear and equipment to ensure their longevity.

The wheels of the Club continue to roll over the 'non patrol' period and will involve stocktaking equipment needs and reviewing our processes to assist our patrol members perform their duties next season. Ideas are always welcome.

Enjoy the 'off season' and I look forward to seeing you in the red and yellow on the beaches next season.

Gavin Kugler

MEMBERSHIP

This was a challenging season for our members. Continued stresses with COVID-19 and social distancing saw our members forced to adapt many times throughout the season, often with late notice. Thank you for still turning up and keeping yourselves, each other and our beaches safe. I would like to thank all members for your resilience and hard work this season, no matter how big or small. Our Point Lookout SLSC family thrives from our passion and diligence and you should all be incredibly proud!

Our patrol groups have once again performed incredibly well, settling into the two patrols a day format and embracing the change from last season. Though towards the end of the season the strain from captains also preparing lunch became a little much and was downsized.

SLSQ released our patrol statistics and unfortunately, we recorded an 6% decrease in active membership overall, a 14% decrease in total membership and 21% decrease in Junior membership. All clubs across the state suffered, post pandemic, as people

reprioritised and revaluated their lives perhaps moving away or taking new roles. Our Nipper contingent also capped their capacity due to the pandemic. Although these percentages seem dramatic, when evaluating our trend analysis over the past 5 years we seem to be maintaining a steady position. This is evident by our 81% retention rate of active members, which is one of the highest in the state.

I would like to congratulate all members who have represented our club in any capacity this season! The visibility of our club pride is stronger than ever before! Members this season representing Point Lookout SLSC at development camps and other events returned home with tremendous feedback from coordinators and plenty of renewed energy for their passion for our organisation.

Finally, our Great Barrier Reef Youth Engagement Program rewards trip is booked and ready to head off! Plans for travel sooner were spoiled by the pandemic but I look forward to finally being able to recognise our incredible youth who have dedicated a fantastic effort to support the club to thrive both in the 2019/20 season and this 2020/21 season.

It has been a pleasure for me to serve as the Director for Membership this season and I have enjoyed the role. I am incredibly grateful to all the mentors I have had, special thank you to Sean, Karen, Will and Nat for your never-ending love and support. I look forward to another season and will see you all between the flags very soon!

Ann-Sophie Sullivan

TRAINING

The 2020/2021 season saw another great year for the Point Lookout SLSC Training team. Once again our congratulations go out to all members that have achieved a new award this season and indeed all of those that have continued with their annual proficiencies. Our members completed approx. 225 new awards this season, not including JA Awards.

This season saw two of us holding the demanding CTO role – where we managed the training over the season and achieved some great results. Planning for the season kicked off early as we had to update all the Trainers/Assessors to the new Bronze Certificate II (PUA20119) before the season started. Our TAF Proficiency for our Trainers and Assessors was a greater challenge due to the restrictions of COVID 19, so instead of it being one night face-to-face for all our Trainers, we had to attend multiple online sessions. Due to updated qualifications being required for this TAF Proficiency also, it took the challenge to a whole new level, so we appreciate and thank the support we received from SLSQ to make this happen.

Skills Maintenance was, and always is, a mammoth effort by all concerned. We would like to thank the administration team of Karyn White, Debbie Caldwell, Dianne Stevenson, and Nat May and the Assessing team for all 5 days of Proficiency. Over 250 members were deemed proficient this season, with some returning after a few years absence. We appreciate all those who attended on these designated proficiency days, as it is always a challenge to be able to put individual members through proficiency on separate days throughout the season.

Certificates earned by members this season:-

- 9 Radio Operator/Observers
- 52 First Aid
- 24 ART
- 18 Tractor
- 33 Bronze Medallion
- 23 Surf Rescue Certificate
- 22 IRB Crew
- 3 IRB Driver

The Traditional September SRC/Bronze camp this season saw Tammy Hagan, Alex Langenberg, and Caitlin Ferguson as lead trainers, with our trainee Trainers being Zac Arnold, Jesse Meyer, Darren Chay, Kate Turvey, Mia Madsen, Neve Walton Smith, Eddie Retimana and Rhett Foreman. We would like to thank them all for a fantastic effort, it is not an easy job, but they all did really well and achieved further Trainer qualifications.

Chad Murry & Brent May also did an awesome job as gear stewards driving the tractor and making sure all our equipment got safely to and from the beach each day. Thanks to Nat May for organising

the uniforms. Catering was led exceptionally well by Victoria Carthew and Katie Harris who ran the kitchen like clockwork to make sure the campers were happy ones.

Our first Bronze crew for the season was run by Don, Cal, Jeremy & Caitlin with 5 members, all achieving great things – everyone in this course went on to complete their Crewies as well, so that was a great achievement to complete this in the one season.

Our second Bronze crew set a new record of 17 candidates – with all achieving their award in challenging conditions. We'd like to send a special thank you to Gary Morthorpe, Jeremy Tams and Cal Lovitt for wrangling these Bronzies into shape for their Assessment. This course was made up of a mix of Nipper Parents and brand new club members, so this was a huge success in increasing active membership for the club.

We have had another massive year for IRB training with 3 new IRB Drivers (who gained their award through blood, sweat and tears – literally) and 22 new Crewies. A huge thank-you to Michael Stone, David Westby, Rhett Foreman and Alex Langenberg who between them gave up 19 Sundays to train them. Also thank you to all of the IRB Drivers who drove/crewed for the many training days. A big thank you to Emu, for crewing fearlessly for the whole IRB Drivers course, and surviving unscathed. (unlike the engines used). A special thank you also to Keith Weinert for sharing his knowledge, support and encouragement for all the IRB Courses.

As you can see, a lot of people have contributed to the training and skills maintenance of our current and new members. A big thank you to all members who assisted with training this season, Trainers, Assessors, Water Safety, Cooks, Administrators and those people who did patrols for their friends so they could attend training sessions.

We are lucky to have such a great supportive network of members who are always willing to share their knowledge, experience and time to encourage new members to become great "Point" worthy patrol members.

Thank you all for one hell of a year,

Don Stevenson
& Julie Ward

NEW AWARDS GAINED 2020/21 SEASON

CPR and/or First Aid:

Vaasa Afa, Lily Arnolda, Stuart Arnolda, Amy Bradley, Andrew Brooks, Luke Campbell, Harry Coorey, Craig Cotter, Bethany Edwards, Gavin Edwards, Elissa Farrow, Josh Faulks, Meg Forbes, Jason Frampton, Hayden Hodges, Amanda Huddle, Paul Huddle, Jack Johnstone, Ethan Kugler, Thomas Love, Sandra Macquire, Amanda Montenegro,

Callum Montenegro, Will Serafini, Jess Watson, Ben Williams, Tahlia Williams, Cassandra Wilton

Advanced Resuscitation: Vaasa Afa, Josephine Beqiri, Callum Brennan*, Andrew Brooks, Luke Campbell, Darren Chay Soy Loon, Alex Cranston, Rhys Daley, Meg Forbes, Bailey Foreman, Amanda Huddle, Paul Huddle, Will Letnic, Satchi Ogilvie, Kayla O'Shea, Aria Retimana, Sophie Saunders, Lucy Serafini, Brody Trevor-Jones, Nena Williamson

Surf Rescue Certificate: Sean Beqiri, Ella Casey, Maeve Dempsey, Ava Earnshaw, Emma Forbes, Tara Frampton, Hannah Healy, Danielle Hooker, Ursula Hopkins, Andy Josefski, Pippa Letnic, Cooper May, Tahira Muckan, Baxter Murray, Nanaia Perry, Oliver Sheil, Robert Swaney, Mischa Templeman, Cameron Toon, Beau Williamson, Ella Wilson, Matthew Winkelman

Bronze Medallion: Vaasa Afa, Lily Arnolda, Stuart Arnolda, Josephine Beqiri, Aaron Bottero, Andrew Brooks, Matthew Burey, Harry Coorey, Craig Cotter, Abbey Dempsey, Gavin Edwards, Elissa Farrow, Josh Faulks, Bailey Foreman, Jason Frampton, Stephanie Healy, Ryan Heisig, Hayden Hodges, Amanda Huddle, Paul Huddle, Kerri Love, Sabella MacRae, Jason Morgan, Satchi Ogilvie, Kaitlin Qualischefski, Aria Retimana, Sophie Saunders, Sol Shilling, Philip Smith, Bailey Somerville, Kathleen Steele, Jess Watson, Nena Williamson

Silver Medallion IRB Driver:

Reuben Cole*, Brent May, Lincoln Somerville, Julie Ward

IRB Crew Certificate: Lily Arnolda, Josephine Beqiri, Callum Brennan*, Abbey Dempsey, James Earnshaw, Josh Faulks, Bailey Foreman, Paul Huddle, Alea Kingi, Alex Marshall, Satchi Ogilvie, Fraser Pappin, Tom Qualischefski, Aria Retimana, Sophie Saunders, Lucy Serafini, Sol Shilling, Bailey Somerville, Jess Watson, Abigail Williams, Nena Williamson

Silver Medallion Beach Management*:

Fraser Pappin

Gold Medallion (Advanced Lifesaving)*:

Aliesha Keuning, Fraser Pappin, Katie Price

IRB Assessor*: Rhett Foreman, Tammy Hagan

Facilitator Resuscitation [AID]*: Julie Ward

New Cert II (Bronze Medallion) ALL Trainers & Assessors:

Sharon Brennan, Wayne Cole, Caitlin Ferguson, Rhett Foreman, Gemma Francis, Sophie Gerry*, Garry Goodey, John Hagan, Tammy Hagan, Alex Langenberg, Bruce Middleton, Gary Morthorpe, Emily Neal, Katie Price, Sarah Sammut, Connor Stevenson, Don Stevenson, Michael Stone, Ann-Sophie Sullivan, Jeremy Tams, Julie Ward, Dave Westby, Michael White

Certificate IV in Training & Assessment*:

Gary Morthorpe

Rescue Water Craft Operator Certificate (Jetski)*:

Rhys Daley, Cody Jensen, Oliver Lawson, Lili Leaney, Jesse Mantell, Fehat Puris, Hayley Robinson

Radio Operator/Observers Certificate:

Kate Chapman, Lila Chapman, Meg Forbes, Terrance Foreman, Les Hopkins, Kerrie Love, Kevin Love, Sandra Maguire, Russell Perry

JA Age Manager Course:

Hannah Bottero, James Earnshaw, Alex Marshall, Trent Pilon, Mark Wilson

Tractor 4WD Induction:

Reuben Cole, James Earnshaw, Darren Edwards, Luke Edwards, Josh Faulks, Meg Forbes, Katie Harris, Les Hopkins, Alex Marshall, Chris Nash, Tom Qualischefski, Edward Retimana, Pat Trevor-Jones, Kate Turvey, Paul Walton, Mark Wilson, Rodney Winkelman

*** Denotes award completed at another location**

SURFSPORTS

As another season passes and we should all be proud of our surf sports competitors, not only for their results but more for their team spirit, their support to each other and the pride they all showed on the beach at all carnivals.

With a delay in the IRB racing season, last year we saw the team competing

only a few weeks before the start of the 20/21 season. With a couple of new faces and a lot of people out due to covid, the team did very well, representing the club throughout the Ocean Roar series and also at the State Titles which were held at Broadbeach. Most of the team came home with a medal in their hand.

Throughout the season the club saw the usual members returning for another year of competition in their favoured events. They did the club proud representing the red, white and blue.

COVID restrictions meant there was a reduced pool rescue season where we saw Point only compete in 2 carnivals. Congratulations to everyone who competed at both the Gold Coast Pool Rescue and the State Pool Rescue Championships, where we came away with, 1 gold, 1 silver and 3 bronze medals from our JA crew. Unfortunately, our elite "dreaming team" masters were unable to compete this season but are primed for a major comeback in 2021.

Surf Rescue Champs were held down the Gold Coast and the club was well represented with a lot of competitors all doing exceptionally well in First Aid, Champion Lifesaver and Champion Patrol. Thomas Love and Jayden Robinson both won gold in their age groups and Charlotte Johnstone 4th in hers for Champion Lifesaver. First Aid was dominated by Point with all teams winning gold in every age group. Emma Forbes & Thomas Love won U15. Sophie Sanders & Josephine Beqiri won both U19 and U17 with Satchi Ogilvie & Aria Retimana taking 2nd in both age groups. Hayley Robinson & Katie Price won the Open event. Hayley and Katie went on to finish 3rd at State and 6th at Aussies: great work girls. It may have had something to do with the new coach, Luke Campbell, as well as Jeff Saunders and Kevin Love. Well done guys! The U17 Champion Patrol team also came away with gold and qualified on to the State Titles held at Broadbeach. Results didn't go their way at that carnival but they were lucky enough to get a start at the Australian Championships where they finished in 6th place. Well done, Charlotte, Jayden, Brodie and Satchi.

Ethan Kugler was the club's soul competitor in the U15 surfing this season at both State and Australian titles. He did well at both carnivals in an average, small surf. Congratulations on your efforts Ethan and, hopefully, next year the surf will be up for you.

It was a turning of age for one of our members this season when we saw Cal Lovitt joining the Masters ranks. He didn't hold back, showing he's still got it! 1st in the 2km beach run at State and 2nd at Aussies. Awesome results mate, hopefully next season, someone will join you in the new event, the 2km relay...

Club champs was held on the last weekend of the season at Cylinder Beach in pretty tricky conditions. The old cylinder sweep caught a few people out in the swim but we also saw some guts it out and battle to get around the cans. Special mention to Gav Kugler, who kept going till he completed the course properly even though he ended up down the beach! Once the swim and boards were done, the cans were moved into the flat gutter for the rest of the events, which I think gave everyone a well, deserved rest. It was also great to see the public coming in to watch the flags events. A big thanks to all that helped out and made it such a great and successful day.

To the members competing in the upcoming 20/21 IRB racing season or pool rescue competition, good luck, go well and I'm sure you will represent the club in a competitive and positive way as you all do each season.

To all the officials that officiated for the club at any carnival this season, Thank you. Without your help and dedication our competitors wouldn't be able to complete.

Personally, I'd like to thank Matt 'EMU' Robinson for all his help this season organising and helping with nominations. You do a hell of a lot around the club, in not just surf sports, but in all areas. Great season, mate, and thanks again.

In closing, I would like to thank anyone who has helped out in anyway: at a carnival, training or supporting our members at carnivals. Hopefully next season we can have a few more competitors - it would be great to see members having a go at some new events.

Scott Stephenson

 - Competing in
 the U17 Champion
 Patrol Competition
 at Branch, States &
 Aussies.

IRB RACING TEAM

As with most sporting events in 2020, COVID-19 had an effect on the IRB racing season. Unfortunately, the Australian Titles that were to be held at Mollymook were cancelled though we were able to hold a reduced Ocean Roar series and the Qld Championships which were held at Broadbeach.

As a club we managed to put together a much smaller, but no less dedicated, team to take on the IRB race season. Big thanks to Scott Stephensen for all his dedication and coaching knowledge throughout the carnivals.

While there were some solid performances during the Ocean Roar events, the team really stepped up at the State Titles.

Held in tricky conditions, there was some tight and exciting racing with some amazing performances from all of our team. Big thanks to our officials throughout the IRB season, Judy J and Steppo. Special thanks to Alex Langenberg, Cody Jensen, Jesse Mantell, Sarah Williams and Pat Trevor Jones for your help running patient boats and getting boats to the line, a huge effort. Another huge THANK YOU to everyone who came and cheered on the team over the season. It was great to see so many of the Point crew cheering every race!

Finally, a massive thanks again to our amazing sponsors, Metabolic Balance and Tony Dodd for your support throughout a challenging season.

Matt 'Emu' Robinson

2020-21 SPORTS RESULTS

2020 QLD POOL RESCUE CHAMPIONSHIPS

12/13th August 2020, Burpengary Aquatic Centre

Calan Lovitt

2020 AUSTRALIAN SURF LIFE SAVING CHAMPS

16-24th April 2021, Sunshine Coast

2nd - 30-34yrs 2km Beach Run
- Calan Lovitt

CLUBHOUSE DIRECTOR

What a challenging season.

From Covid restrictions and lockdowns, to lightning strikes and torrential rain closing both Main and Cylinder Beaches, the elements have tested Point Lookout.

While the Clubhouse sits proudly on the hill, maintenance is a constant work in progress.

This season, with the aid of a generous community grant, the Club replaced 6 structural columns on the South Gorge side of the Clubhouse that were in need of major repair. A big thank you to Kybro Constructions for completing these works. This was a complicated process involving supporting the upper storey of the clubhouse while undertaking the repairs to the structural columns and we appreciate the professional expertise of Pat Trevor-Jones and his contractors.

Much needed maintenance and repairs were completed this season to the Cylinder shed with the roller door, personnel door and whirly birds to the roof being replaced. The Club was able to complete the Cylinder Shed repairs with grant funds from the Port of Brisbane Authority.

A big thank you to the Patrol Captains for stepping up on the weekends to provide lunches and meals to patrolling members. It has been much appreciated. Due to budget constraints, as we move into next season, the Club can provide fresh fruit for patrolling members but regrettably cannot continue to provide lunches. I want to take this opportunity to thank Emu and John Gardiner for all of their help and guidance throughout the Season. It turns out, you can teach an old dog new tricks!!

The Club was also able to streamline the payment process for meals for patrolling members by introducing the 'Square'. While, at times, there were some technical issues, overall this system of payment was more efficient than the cash payment system and the Club will be continuing this payment process for next season.

A significant source of revenue for the Club continues to be group bookings for school camps. Renovations to the girl's bunkroom last season continue to benefit the Club for these school camps, providing improved facilities for groups to utilise the Club's amenities. It would be appreciated if all patrolling members could keep this in mind when packing up and leaving on Sunday afternoons to ensure the Club is presented at

its best for any groups that may be booked. Sweeping floors, wiping benches and general tidiness around club all contribute to that first impression when groups arrive and first impressions count!

The next major works on the maintenance list will be repainting the Clubhouse – both interior and exterior. Dulux continue to support surf lifesaving clubs around the country and have supplied 300 litres of paint. Works are expected to be completed within the next 12 months.

The building committee are also reviewing the efficiency of the solar panels to reduce operating costs for the Club. While there have been some issues throughout the season with gas bottles and hot water supply, the problem has been identified and the Committee are formulating a plan to rectify this issue. Thank you for your help and input to my fellow building committee members - Brent May, Jon Bryant, Sean Fallon, Dave Westby and also to Merv and McInnes for their continued work around the Club.

Looking forward to a new season..... without the challenges of a pandemic. Stay safe and swim between the flags.

Andy Pryor

COMMUNICATIONS

Looking back to when I wrote the last season's report, things have changed considerably but we are all still safe and that is the main thing. We have had a successful and fulfilling 20-21 season that has seen lots of good work by our members to keep the beaches safe. Every member including existing and new have coalesced for the club in patrols, training, keeping the club running and maintaining positivity in the face of adversity.

For the last season, communications have performed as a critical service for Point Lookout SLSC as required. We face many challenges on a day to day basis due to the nature of our beaches and terrain and one major factor is comms across a wide area. While the equipment performed as required, the radios have undergone an upgrade to the new Kenwoods in line with SLSQ communications future framework enhancements. Thanks to SLSQ and the various grants for being able to fund these: that saved the club approx. \$15,000 in replacement costs.

Please look after the new equipment as the club cannot simply replace radios if something happens.

Thank you again to Don 'Jacko' Jackson and Ella Montenegro as Comms Assistants for this season for stepping into the roles. Thank you to Jacko especially for his massive effort in coordinating the radio patrol volunteers throughout the season. The radio operators

and observers have spent huge amounts of time in the radio room, coordinating operations, keeping an eye on the beaches and being there when the patrol members needed you. Also, to those who helped keep it clean and tidy, thank you. The club truly appreciates the effort that everyone puts in to keep things clean, tidy and operational.

For the completion of the 20-21 season, thank you to the other officer bearers, management, patrol members, supporters, trainers and everyone else who has contributed. Can't wait to see you all again soon at the club or on the beach. Cheers All!

Gil Rhodes

IRB OFFICER

WOW what a season! Not a week would go by when there seemed to be a group of IRB drivers or crew training, great to see. Statistically that meant, with the heavy use of equipment, there was going to be the inevitable events that effect the reliability and down time for repairs and servicing. Fortunately, with a good turn around at Neptune Marine there was limited interruption to our season. Thanks again to Chris Maas and the crew at Neptune Marine for their support through the season with parts, motor & boat repairs and servicing.

During a year impacted by covid we managed to get sufficient funding for a new motor and a number of fuel bladders, which should put us in a good place for the start of the 2021-2022 season.

With pre-season planning and the help from a number of dedicated club members, we got off to a good start this season with all the gear fully patrol ready.

No more wet life jackets on the floor of boats with the installation of some dedicated hanging racks with nonrusting timber coat hangers supplied by the old boys to complete the project.

As with every season, considering the environment we operate in, ongoing regular maintenance will contribute to the success and smooth running of all equipment, and minimize downtime. Through the dedication of many this contributes to a safer patrol season for both club members and members of the public.

All the best to the IRB racing team for your competition

season.

Have a safe and enjoyable off season and I look forward to seeing you all on the beach and in the water for 2021/2022.

Kim Stallard

GEAR & EQUIPMENT

In the patrol season of 2020/2021, Point Lookout Surf Life Saving Club provided great service to the North Stradbroke Island community having the ability to keep the beautiful beaches safe for the thousands of beach goers who visited our patrolled beaches. Whether members of the public were in need of urgent assistance in the water, requiring First Aid or even in need of directions to find the closest coffee shop, we were there ready to assist.

This season we have seen multiple grants come through and supply us with new Kracka rescue boards, tents and IRBs. A special shout-out to Ben Williams from OLC Metal Design who has supplied the surf club with three new board racks for the storage of our club rescue boards and member's personal boards. These new racks are to be located in the bottom board shed. I would also like to recognise the partnership with the North Stradbroke Lifeguards, who supply us with new Red & Yellow flags, Surf-craft flags, Danger flags, and Report signs and a secondary emergency response vehicle, without these items we would not be able to patrol ANY of our beaches.

I would like to take the time to recognise a few of our members for their contributions helping out with the gear this season;

- Darren Edwards for taking our Kracka Rescue boards to the Gold Coast for repairs,
- Calan Lovitt for his continued support, assistance and knowledge of all things gear and equipment and
- Pat Trevor-Jones for constantly assisting with rescue board repairs and mid week board/ski training.

A big thank you, also, to the other club members in a Lifesaving Operations role within the club for any assistance offered. Whether that be transporting of gear or even notifying us that a board has been damaged, your efforts are appreciated.

Finally, thank-you to all the members who have given their time to patrol. Without your continuous commitment and support throughout the season, especially when considering our friend COVID who had made things interesting for us, we would not have operated as smoothly as we did. Cheers for a great season, have a well-earned break and I look forward to seeing everyone next season.

Jesse Mantell

FIRST AID

Well what a season! We saw a huge change in the world with Covid-19 regulations come into place which considerably reduced our tourism populations to the Island. This meant we were a little on the quieter side of first aid treatments than usual. However, it also meant that it was another successful season with no resuscitations. Unfortunately, when it came to the first aid inspections we did have a few points deducted due to having little to no ice in the freezer.

A big thank you goes to Peter Bayard for sourcing a new ice machine so we could keep our freezer full. Just a special thank you to Don Jackson "Jacko", Di Stevenson and Ulf Winkels for your support and keeping the first aid room in top order. And a big thank you also goes to our Straddie Lifeguards for their ongoing involvement, education and support. We look forward to working with you on the beach next season.

Once again thank you to all of those who worked endlessly on and off our beaches to keep everyone safe. Enjoy the off season and I look forward to seeing you back at the surf club next season to do it all over again.

A full listing of the First Aid Statistics is listed later in this report.

Gemma Francis

MOBILE SERVICES

It gives me great pleasure to present for my first time the Mobile services Officer Report for the Point Lookout Surf Club 2020- 2021 season.

It has been a busy season even with the minor interruptions due to COVID-19, and the restrictions that have come with it. Our club was still patrolling and for getting everyone to the island, I would like to thank our great supporter in Stradbroke Ferries/Sealink. We had completed major repairs and maintenance to Thunderbird 1 and Mobile 1 during the pre-season and took delivery of our new tractor.

We then started the season with two Toyota Hi-Ace busses, Toyota dual cab Land Cruiser and a 4x4 tractor. Our fleet also includes our patrol and equipment trailers which are all generously fuelled by our wonderful and long-time sponsor, JJ Richards. For all of their help and assistance this summer, I would like to thank Jeff Paskin, Don Jackson, Clayton Walker and Simon Johnstone as well as Wayne Cole for all things tractor related.

I would just like to ask that everyone report any damages going forward to make maintenance easier. Thanks again for a great and successful season.

Darren (Eddie) Edwards

FINANCE

I first wish to thank our many sponsors for their generous donations, both monetary and services in-kind, as their ongoing support enables us to successfully deliver our lifesaving services. Thank you to Nadene Kugler who has been a powerhouse as our incoming treasurer this season. While members may not be aware of how much work she's put in to ensure we have the

financial means to continue operations, they should be extremely grateful. Nadene's role was made significantly harder by the impacts of COVID on our grant and event income, coupled with the increasing costs of clubhouse maintenance, yet she's still done a fabulous job ensuring the Club saves money at every turn. Thank you also to Nat May for her work with grant applications, bringing in much-needed funds at a time when grants are harder to come by and more competitively sort after.

As expected, this season was financially challenging due to COVID. Many events were either cancelled or scaled back. For the first time in over two decades we were not knocking on doors asking for donations, instead dropping flyers in letterboxes, the consequence of which was 1/3 of our usual income. Thank you to the small percentage of members who assisted. As I mentioned in my report last year, we desperately need all members – no matter what membership category – to assist with fundraising efforts until we develop larger streams of commercial income. In the future I would also like to see far more members interacting with our external facing social media accounts as likes and comments go an enormous way to increasing post exposure under the current algorithms. This is especially important when the Club runs fundraisers to drive engagement. Sharing these posts to your story or page takes mere seconds.

Capitalising on An-Sophie's successful fundraisers last season as Surf Girl, we again sold calendars and ran another fridge raffle with the support of Redland Sporting Club, with both ventures raising several thousand dollars, strongly boosted by the nipper families who helped sell calendars and raffle tickets. Despite a last minute COVID scare in Brisbane forcing it to be postponed, Prawns at the Point eventually went ahead at the beginning of May. Thanks to some fantastic auction items and a great crowd, we were able to raise as much as previous years despite the smaller attendance. There were many great learnings from all events about future ways to generate greater income for less effort by our members.

Even as a registered charity organisation, we need to

work to make as much money as possible, because that money will ultimately provide us with more equipment and more members with greater skillsets, thereby protecting more lives. Island tourism numbers are continually increasing and we need to remain proactive. To help drive this need for growth I first began the strategic planning process in 2016 with Management, but identified many limitations in that early document. So, in April 2018 after identifying several potential threats to our future sustainability, I began again with what has become a three-year undertaking and countless workshop hours. This time every member has been able to contribute their thoughts and ideas to shape our future, from redefining our priorities to shaping our long-term vision, and to those who took this opportunity, thank you. I'd like to especially call out Darren Woodward for facilitating our discussions over this period, and Sean Fallon, Matthew Robinson, and Ann-Sophie Sullivan for becoming the backbone I could rely upon over this past year and a half to be present at workshops to help synthesise ideas.

I'm incredibly proud this season to have delivered the 2021-2025 Strategic Plan for the Club, the first of its kind that will guide our future decision making. While it has been a mammoth task, I'm especially proud that every Club member was able to provide input to create a document we, as a Club, can get behind. Work was also done to design a new office bearer structure to better support the Strategic Plan implementation, and I look forward to seeing that come into effect over the next season in conjunction with much-needed By-Law updates. While the current structure has served us well these past two decades, the new structure will allow for a group to specifically focus on the Club's future, while a second group focuses on the day-to-day running of the Club. The biggest driver of this proposed restructure was to evenly spread the workload among office bearer whilst creating accountability. Although the majority of members may not be interested or wish to concern themselves with future strategy preferring to leave it to Management to 'deal with,' the Strategic Plan will ultimately shape day-to-day operations so I encourage all members to remain well-aware of what's happening. Unfortunately, some members took issue with the Strategic Plan and proposed office bearer restructure, and to those members I wish to remind them that implementing the solid plan we have and iterating as we go will be significantly more effective than trying to produce a perfect plan before we begin. The Club is currently in a difficult financial situation, and I believe this Strategic Plan is the foundation upon which the new Management can drive future growth. There are many great opportunities we can capitalise on, and many threats we can pre-emptively avoid. It is now up to the incoming Management to develop a Business Plan (set goals) on the back of this Strategic Plan to make that possible. Several fantastic ideas were proposed over the past 3 years and I'm excited to see them actioned

through this process.

If the proposed structural changes are supported, this, and several other Director positions I've previously held over the past 8 seasons will become obsolete. I'd like to thank all those I've had the pleasure of sitting on Management with during this time to better our Club. All said and done, the fundamentals will never change so I'll see you all on the beach next season in the red and yellow.

Will Hagan

PRAWNS AT THE POINT

Covid certainly took its toll on our "Prawns at the Point" plans this season, we came right to the brink in January, Emu had ordered all of the prawns, we had a sell-out crowd, lots of artwork to auction, etc it was the day before Prawns and our Premier shut it all down, we came so close...

Roll on May 1st and we finally got to hold our much needed and loved prawns at the point event.

Prawns '21 was proudly sponsored by our Old Boys, these amazing gentlemen are continued supporters of this event.

We raised just over \$22,000 this year, this is an amazing result for our struggling bank balances due to our continuing Club maintenance costs.

Thank you to Gil Rhodes for being our amazing MC and to Rick, his auctioning skills were an absolute highlight this year, the auction is one of the big highlights each year.

Because of Covid we did not get too much into the planning this year just in case it was called off again, but once again the room looked amazing despite the last minute approach.

As usual, we had a complete sell-out, the weather was not so perfect so we kept all tables indoors this year.

We had a lot of the usual faces and also plenty of new

faces, there was a lot of laughter and much fun had on the day.

There was a very strong auction, the art was provided by Bernadette Mollison, Macca (Alan McKinnon) and Scott Christensen. The bidding was spirited.

Thank you to our guests and the whole team for the support!

Thanks to Matthew (Emu) Robinson, John Gardner and the crew for putting the food together and bringing the crowds back each year you turn out great food.

The prawns seemed to be fresher than ever, they were amazing and a meal in themselves.

As usual our clubbies showed up in big numbers this year – we thank you for your support of the Club – the funds are very much needed.

The team of prawn peelers and skewerers, assistant cooks, cleaners, waiters, and BBQ'ers always do a great job and it is these hidden jobs that really count - thank you guys.

Wooser and the bar crew did really well, thank you!

Below is the list of helpers for this years Prawns at the Point, we had loads of others who showed up on the day to help. To everyone who took part – a big thank-you on behalf of the Club...

Prawns 2021 Helpers

Matthew Robinson	Nat May	Sean Fallon
John Gardner	Gary Morthorpe	Pauline Fallon
Rick Bodger	Carolyn Morthorpe	Clayton Walker
Karen Bodger	Jen Heisig	Michael White
Simon Johnstone	Gil Rhodes	Alissa Farrow
Paul Huddle	Lili Leaney	Fran Wilson
Amanda Huddle	Amanda Montenegro	Gavin Edwards
Tony Dodd	Dean Montenegro	Chris Nash
Andy Pryor	Charlotte Johnstone	Kerrie Love
Gavin Kugler	Anne-Marie Westby	Jacinta Thomas
Aaron Boterro	Thomas Love	Don Jackson
Kaska Hopkins	Carl Saffigna	Sandra Maguire
Peter Burke	John McInnes	Rose O'Connor
Eliza Trout	Darren Edwards	Shelley Johstone
Nadene Kugler	Shelley Johnstone	Eddie Retimana
Gavin Black	Bree Hinchy	Aria Retimana

SUPPORTERS CLUB

It has certainly been a significant and testing year for the bar and the Supporters Club.

Firstly, there were closures, which lasted about 4 months, and then, on reopening, a new lease and new managers.

For reasons beyond our control the club has had to restructure the terms of the agreement and while some of the terms are still in the process of negotiation, I think a basic understanding that all parties have the club at heart will see this matter sorted in the near future. This has been a very involved process, and I wish to acknowledge the huge time and effort by Heidi Roscher, Nadine Kugler, Sean Fallon and Tony Dodd. Your commitment to this has been above and beyond.

Also, to the other members of my committee, Matt Robinson and Simon Johnstone, I thank you.

I would also like to thank the Building Committee for the new roof, being able to have a drink and stay dry on those rainy days goes a long way to improving the presentation of our venue.

Finally, I would just like to say that I think we are over the hump, and I look forward to greater success in the coming seasons.

Rick Bodger
 President Supporters Club

SLSA LIFE MEMBER

In October 2020, club member John (JB) Brennan OAM was honoured with Life Membership of Surf Life Saving Australia (#298) in recognition of his distinguished, sustained and conspicuous service to Surf Life Saving Australia.

John has been an active volunteer lifesaver since 1980 and over the past 4 decades, has made significant contributions to advance Surf Life Saving around Australia and Internationally including advancing the window shop of surf lifesaving through Surf Sports and effective administration. He has always been actively involved in many facets of SLS from grassroots level through to International Lifesaving.

Notwithstanding John's significant contributions at Club, Branch and State Levels, his National contributions has primarily been as a volunteer official, event manager/mentor, coach and team manager.

A few of his achievements at this level include:

- 30 Years Officiating (Level 3) including the Australian

Championships Referee (6 years), Coolangatta Gold Referee (5 Years), Australian Championships Committee (25 years). He is the only member to have been appointed Referee for 4 Australian Championships including IRB Championships, Pool Rescue Championships, Open and Masters Championships.

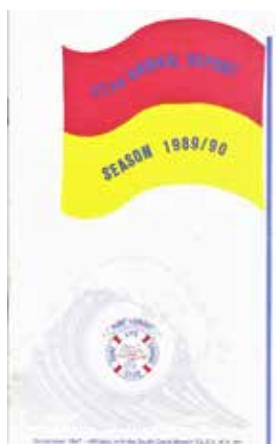

- Key Senior Official who has contributed across all National Surf Sports Events
- SLISA High Performance Squad (6 years) - official.
- Represented SLISA and been recognised with key Senior Official Appointments on the World Stage since 1994. Has officiated at 10 International Lifesaving World Championships including Chief Referee since 2004.
- Australian Lifesaving Team Manager since 2019
- Recipient of the Australian Sports Medal, National Service Medal, Order of Australia Medal.
- Recipient of the International Citation of Merit, International Lifesaving Service Medal (Gold)
- Life Member of Surfers Paradise SLSC, Life Member South Coast Branch.
- Inaugural Chairman of the ILS Asia Pacific Region Sport Committee

John's life has been engrained into Surf Life Saving and his lifelong commitment will ensure that the future of Surf Lifesaving is both positive and progressive.

Congratulations JB on your SLISA Life Membership!

CLUB HISTORY - 1989/1990 SEASON

Welcome to another instalment of what club life was like 32 years ago – photos, facts and snippets from the 1989/90 Annual Report.

Greg Batchelor was President and George Hill was Captain in his 5th term. Other Office Bearers with familiar names were Ian Ames (Treasurer), Julie Keen (Secretary), Matt Stevenson (Vice Captain & First Aid Officer), Darren

Woodward (Chief Instructor & Carnival Manager), Mike Stone & Robert Wilson (Clubhouse Director), Greg Keen (Radio Officer), Jeff Paskin (Branch Delegate), Jeff Daley (Senior Floor Member) and Simon Johnstone (Junior Floor Member).

Cadet members included Gavin Kugler and Tony Dodd.

Active Junior members included Simon Johnstone (53 hrs patrol) & Sharon Wright (67 hrs)

Our Surf Girl was Maree Kendrick who with her committee, raised \$10,000 and would later marry Captain George Hill.

Weddings of club members in 1989 included Ian Ames & Kathy Ford, Darren Woodward & Kristina Dipple, Shane Modini & Alison Lawlor.

The club won the South Coast Branch Patrol competition and First Aid Room competition.

The club ran the Open IRB Carnival for the second year and also ran our first State Patrol Competition.

Major club extensions were completed at a cost of around \$100,000 by Trevor L'Barrow which included the upstairs area above the first aid room, gear shed and male toilet/shower block which housed the female bunkroom, the younger members lounge room, the caretaker's unit and female amenities. The kitchen was also upgraded to commercial standards.

Club Administrator, June Long, left us after 9 years relocating to the Gold Coast.

Captain George Hill spent a stint in Japan on behalf of Qld State Centre training a bronze squad and showing the Japanese how surf life saving is done at the Point. (Hilly-sun).

The patrol season was extended being brought forward from the usual first weekend in October to now coincide with the September school holidays.

Club Captain's Season Highlights:-

- The success of the Point Lookout IRB Classic and it's creator Greg Keen
- Stepping on the tarmac at Brisbane airport after a trip of a life time to the Land of the Rising Sun (it was an honour to be selected)
- Our Cadets and Juniors work and commitment around the Club
- Lax Luthor's support as Clubhouse Dick and Smeg Walton's time and effort he pumps in to the IRB's. Thanks guys
- Winning the Branch Patrol Comp (again)
- Holding the State Rescue Competition
- Easter – Great Fundraising, Great waves outback, Great food, Great food fight, (sorry Mrs Donnelly)
- Seeing the Nippers go around each weekend and becoming bigger and stronger
- 2nd Handicap points core Branch Titls and 6th overall out of 11 clubs
- The clubhouse extensions and improvements – great effort Trevor
- And perhaps at last a Club Captain Heir Apparent

Financial Facts :-

- Expenditure \$198,500 (previous season \$120,000)
- Income \$145,000 (previous season \$141,000)
- Major expenditures Extensions \$100,000; New 23 seat Toyota Coaster bus \$35,500

Membership:-

Senior Club 271 – Life Members 16; Active Senior 37; Active Junior 10; Active Cadet 43; Active Reserve 7; Long Service 2; Award 45; Associates 111.
 Junior Club (Nippers) 128 Male 87 and female 41

Rescues and First Aid:-

Total Rescues 35 (30 at Main Beach and 5 at Cylinder Beach)

Breakdown – IRB 15 rescues; Board 8; Tube 5; No gear 7

Resuscitation cases – 1

First Aid (Major 28) (Minor 197)

Competition:-

Branch Titles at Miami

Handicap points 2nd Overall points 6th

Open First Aid

(I. Ames/J. Daley) 1st

(M. Stevenson/R. Black) 2nd

Female sprint – Sharon Wright 2nd

Cadet Flags – Gavin Kugler 3rd

Junior and Cadet Beach relay 3r

State Titles at Marcoola

Open First Aid

I. Ames /J. Daley) 2nd

(M.Stevenson/R. Black) 3rd

Australian Titles at North Wollongong N.S.W.

Open First Aid

(I.Ames/ J. Daley) 5th

Club Championships

Open Champion – George Hill

Senior Champion – Greg Batchelor

Junior Champion - Peter McGarry

Cadet Champion – Gavin Kugler

Club's Highest Awards:-

Club Esteem – George Hill

Best Trier – Tony Blake

Outstanding Achievement – Paul Walton

Best Patrol Member – Simon Johnstone

Best Fundraiser – Maree Kendrick

Best Carnival Competitor – "A: Grade IRB Assembly

team – D. Woodward, G. Keen, G. Hill, P. McGarry

Overall the club's 42nd season was a very successful one with a large number of Cadets coming through

and a very high standard on patrols and first aid.

The club hosted two carnivals (Point Lookout IRB Classic with 15 clubs competing and the State Patrol Competition) and saw the completed extensions and kitchen upgrade and purchased a bigger, safer bus.

142 awards were gained and 83 members becoming proficient and in the words of Captain George Hill "The club is firing on all cylinders".

OLD BOYS

The Old Boys, like the whole community, has seen many challenges this season due to COVID 19. The COVID restrictions and lockdowns has significantly impacted on one of the Old Boys main objectives – fundraising. A highlight this season was the hosting of the 2nd League of Extraordinary Gentlemen event in March 2021.

An overview of the Old Boys this season is as follows.

Fundraising

With continued restrictions and lockdowns, the Old Boys needed to generate new ideas for fundraising. Thank you to Mark Tonkin for coordinating a 200 Club raffle to raise some much needed funds. A common theme in any volunteer organisation is trying to engage members to contribute their time. Support of the 200 Club raffle was great but could have been better and I ask all Old Boys members to provide assistance where they can to assist in our fundraising activities.

With the lifting of restrictions in February 2021, we were once again able to conduct raffles on Friday nights at the Moreton Bay Trailer Boat Club (MBTBC) albeit slightly different to previously. The changes saw the introduction of technology for electronic payments via an iPad and Square device, with the Old Boys needing to adapt to the times with people carrying less cash. We thank the MBTBC for their continued support of the Old Boys and its fundraising activities.

Old Boys Events

After months of lockdowns and restrictions, it was with great excitement that the Old Boys were able to host the 31st Old Boys Moreton trip 31 July to 3 August with 40 members attending. This trip is a highlight for many of our members and it did not disappoint with wonderful weather and a great opportunity for fellow Old Boys and patrol members to share some stories. As is tradition, we were able to visit the Cape to remember and acknowledge our past members.

December 2020 saw the Old Boys Christmas Party held at the MBTBC. Always a great day with many laughs. Thank you to Mark Tonkin for organising this event and the MBTBC for their support of this event.

The Club's annual Prawns at the Point was postponed from its usual January timeslot due to COVID lockdown restrictions. Thankfully, the Club was able to host this event on 1 May and the Old Boys were once again proud sponsors of the day.

Old Boys Committee

The Old Boys have been served well this season by its Committee:

President – Gavin Kugler

Deputy President – George Hill ESM

Secretary – Darren Woodward

Treasurer – David Finter

Director – Tony Dodd

Director – Matt Stevenson

Recruitment Officer – Merv Meares

Functions & Raffles Coordinator – Mark Tonkin

We thank all office bearers for their contributions this season. And a personal thank-you to my wife Nadene for acting as my personal assistant this season.

Sadly, we have lost a few of our members this season including:

* Old Boys members Russ and Ann Field tragically lost their son Matthew and his partner Kate

* Former Club Captain Lindsay Tompkins

* Old Boys member Bob Dempsey

* Foundation member Alan Gunn

* Foundation member and the first Club Captain Tony Durbidge

Our thoughts are with their families and friends during this sad time.

Thank you to our members for their support this season and we look forward to hopefully a more prosperous year ahead.

Gavin Kugler
Old Boys President

THE LEAGUE OF EXTRAORDINARY GENTLEMEN

The Old Boys Committee determined the timing was right for another 'A League of Extraordinary Gentlemen' given it had been 10 years since the first event. The purpose of the event is to recognise the significant contribution to the Point Lookout Surf Life Saving Club and surf life saving in general.

A luncheon, attended by 120 guests, on 21 March 2021 at the Redlands RSL celebrated the achievements and contributions of:

- * Foundation Member Len McAfee
- * Life Members John McInnes, Jim Comerford and Terry Daley
- * Club stalwarts Greg Litherland and Ernie Stevenson

Len McAfee is a Foundation Member of the Surf Club and a founding bronze medallion holder, awarded 24 January 1948 (Bronze number 25566). Len held the position of Chief Instructor 1949/50, Club Secretary 1951/52 and was the first Open Club Champion 1949/50.

Terence 'Terry' Daley was awarded his bronze medallion 28 February 1959 (Bronze number Q1843). Terry was Club Captain 1963/64, awarded Life Membership in 1973 and SLISA 60 year Long Service Award in 2018/19. Terry has been President of the Old Boys and is the unofficial Club historian.

James 'Jim' Comerford was the 70th Club member to achieve his bronze medallion on 13 January 1962 (Bronze number Q3156). Jim was one of the early pioneers for competition for Point Lookout and had a passion for competing in first aid. A quiet achiever for the Club but always there to contribute and lend a hand. Jim was Chief Instructor in 1967/68, awarded Life Membership in 2014 and SLISA 50 year Long Service Award in 2018/19.

Ernest 'Ernie' Stevenson achieved his bronze medallion on 30 January 1965 (Q539). Ernie contributed immensely to the various building/renovations of the Clubhouse sourcing donated materials and labour. He has been a supporter of the Club and the Old Boys for 45 years.

Greg Litherland (pictured centre) achieved his bronze medallion on 12 June 1966 (Bronze number

Q5269). Greg was awarded the Club Esteem Award on two occasions – 1965/66 and 1992/93. He enjoyed competition and competed in masters events including the world championships. Greg is an iconic character of the Club and the Island recognised by his hard hat. Greg contributed immensely to building the Clubhouse and its maintenance. Greg is also widely recognised for his wooden ski building expertise, used by Club members and early pioneers of Surf Life Saving competition.

John McInnes achieved his bronze medallion 1 January 1968 (Bronze number Q5824). John was Club Treasurer 1969/70 to 1975/76 and through his creativity in fundraising, contributed to the Club being in a strong financial position. He was awarded Life Membership in 1978 and recognised with a SLISA 50 year Long Service Award in 2018/19.

Events cannot be held without the support and the hard work of a number of people. I would like to thank:

- * My fellow Old Boys Committee members for their work in organising this event - Tony Dodd, Dave Finter, George Hill, Matt Stevenson and Darren Woodward
- * John Gardiner for assistance with scanning and finding photos
- * Ian Ames and George Hill for interviewing the gentlemen
- * Kevin Hogan and Darren Chay for the audio visuals
- * Fellow "Man Walk" member Mark Bishop for his assistance with background information on our guests and the Surf Club
- * Queensland Origin great and current coach Paul Green for his tales on our guests
- * Maree Hill, Bayside Picture Framing for the gifts for our extraordinary gentlemen
- * Redlands RSL for hosting the event

And finally, a huge thank you to our extraordinary gentlemen and their families. We appreciate the sacrifices you made and contributions to the development of the Club we still enjoy to this day.

Gavin Kugler

JUNIOR ACTIVITIES

I feel very privileged to be presenting my first Point Lookout Junior Activities Annual Report for the 2020/21 season. Well, what a season and we made it with style. The new season started with the challenge of dealing with COVID – 19, with all sports and weekend activities being cancelled without knowing what the future would hold. But with the commitment and

dedication of our executive, committee members and all the nipper families, we were able to get the season up and running with the tools and information required. The general consensus from all involved is we have had a fabulous season. Safe to call it the most challenging season for Nippers as an organisation, one that will certainly go down in history and will be remembered and talked about for many, many years.

Annual reports are all about recognition. Throughout this report along with statistics and images, we recognise all the wonderful achievements that our members have been a part of throughout this last year.

Each year we take the opportunity to recognise, acknowledge and thank our very special sponsors and their families, without whom we would not have a nipper program.

To our new GOLD sponsor this year – Adam and Lyn Roth at Polyman. Our new pink rashies look awesome and we appreciate your amazing support. Thanks to our other major sponsors, Stradbroke Ferries/ Sealink for getting us safely across to Straddie and back each weekend, as well as Redlands RSL and Redlands Sporting Club.

To the amazing team at IGA on Bloomfield for our new food and beverage partnership, thanks for the great food throughout the season.

To MRK Marketing for our JA merch, thank you for the impressive Youth Championship Kit created this season.

To Dr Mark Tadros and Brisbane Rehab, thank you for your amazing 6th year of sponsorship of the Point Team at Qld Youth Championships.

And, finally, to Pete and Jen Josefski of 3Wood Hospitality for their sponsorship and introduction to Imagetec (Trevor) and their CENSUS QR Code System.

The season would have been very different without you and we all know now, to look out for it at every event. It has certainly made our lives easier and, cheers for taking on the first season's costs as well.

A huge thanks, also, to our very patient and energetic Age Group Leaders. You guys and girls give your all every weekend to teach our children the various essential surf awareness and water safety skills. To Jason and your team THANK YOU! A big congratulations to Jenny Heisig who has completed 10 years as an Age Group Leader – thank you for giving your time every weekend to help and teach our children. Congratulations also to Brenda Casey, Luke Casey and Matthew Robinson who reached 5 years service as Age Group Leaders.

I would also like to thank our water safety coordination team led by Jon Bryant for keeping our children safe through this season's sometimes challenging ocean conditions. It was great to have so many Main Beach days. Jon and a small team of parents were there early for setup and late for pack-up too.

Massive thanks to our Lunch Co-Ordinators, Jen Josefski, Ann Hutchinson, Michelle Perry, Celine Burns-Hind and Giovanna Fera, you guys are awesome. These ladies with the help of all our volunteer families ensured our nippers and their families were fed each week while meeting our requirements for COVID safe food preparation and serving.

Once again, a huge thank you to Judy Lobley and Julie Verrell – thank you for your passion and dedication to Point Lookout SLSC Nippers. Can you believe their "couple of raffles" up the pub each week raised just over \$12,500 for the nippers? Thank you also to the nipper parents who also jumped in and helped these ladies out some weeks.

We also thank our fantastic photographers Meg Forbes, Kristie Williams-Pilon and Jason Rasmussen who captured all those magic moments, the energetic, courageous and fun times had at nippers or carnivals by our wonderful children/nippers. I am sure most of us have saved these fabulous pictures as treasured memories.

Last, but certainly not least, a massive thank-you to all the parents who have helped with lunches, drinks, setup and pack up and everything else that makes what we do at Point Lookout unique. Without everyone pitching in, our days would not happen and our club would not be where and who we are today, so a big pat on the back for all.

The interest for our season was high but unfortunately due to COVID we had to restrict our numbers. This

season we had 193 nippers with a mix of returns, transfers and island families.

Our season commenced with record numbers of nippers again attending our pool swims nights, board and beach training sessions. Thank you to our helpers that make these sessions happen mid-week - Emu, Pat Trevor Jones, Lisa Lower and Shelley Johnstone. We also thank JB, Pat, Shelley and Fraser who coached our competition kids through our Athlete Development Program in January. Your intensive training and your tips were all greatly appreciate by the kids. Thank you.

It was another huge year in the summer competition area this season. Point Lookout Junior Activities fielded competitors again in every area of surf sports competition and it was "full on". Whether it was the Surf Rescue Competition, Little Dudes, Kozii Iron Challenge, Board Riding, Branch Championships and Qld Youth Champs (States)... the Red, White and Blue of Point Lookout and their supporters were there. All our members who competed throughout the season did so in true Point Lookout spirit, they performed extremely well and made life long memories. It's been a great season culminating in 8 Branch Medals (2 Gold, 3 Silver and 3 Bronze). Of course, none of these results happen without the tireless dedication of our coaches. So, a huge special thanks to our Team Managers, Vaasa and Ann Hutchinson, Richard "Smiffy" Smith, Sandra Heathcote and Alison Casey for your efforts in getting our kids organised and to the line. To our dedicated coaches, Pat, Lisa, Shelley, Emu, Luke, Kevin and Jeff thank-you for your coaching in the various disciplines. There is one more group of people who need a very special thank you as without these people our children would not be able to compete. A massive thank you to our Officials, Bill and Sue Simpson, Judith Johnstone, Simone Johnstone and Kevin Love. Thank you to our parents and the Seniors who do our water safety at these carnivals as well. We also acknowledge the Age Group Managers for getting the kids to the start line for each event.

Once again, the Point had a member in the South Coast Branch Representative Team which competes at the Queensland Interbranch Championships. Congratulations Billy Love (pictured right) , what a great achievement!!! Well done.

We would also like to congratulate the parents that completed the many training opportunities which are made available to us. Courses such as first aid, radio operators certificate, tractor course, IRB crewies and drivers. Well done and thank you.

A special mention to the 11 nipper parents who took up the challenge of completing their Bronze Medallion. Awesome work and we look forward to seeing you all helping out in orange as part of our water safety team or as an Age Group Leader or assistant and patrolling

our beaches. A huge congratulations for starting your future as a qualified and patrolling lifesaver. We encourage all parents to look out for these training opportunities as gaining these extra skills is not only rewarding on a personal level but enables you to become more involved in our nipper program which in turn keeps our program running. Not to mention how excited and proud your kids are to have you enjoying and participating in what they love doing. As always, this time of year sees us bid farewell to our u14's - 24 in total. Some have been together since green caps, some joining in later years but you became an amazing group of kids. We wish you all the best and we hope to see you on the beach wearing the red and yellow in the coming years and/or coming back and helping out at Nippers.

Our 2020/21 End of Season Presentation held at St Mary MacKillop School Hall was a great success. It was great to see so many families attend to celebrate all the wonderful achievements of our nippers/members. Thank-you everyone for what was an amazing season.

As this season closes, I would like to take this opportunity to recognise and thank a few very special people. To my other Junior Activities Executive Committee Members, Peter Josefski, Kerrie Love, Jeff Saunders and Amanda Huddle, a huge thank you for all the work you do, especially all those meetings and hours spent juggling the goal posts with the ever-changing restrictions of COVID-19. Then continually doing the extra hours that happen outside a normal Nipper Saturday as well as doing whatever was required during the season. This made my role as the JA Director so much easier, that whole of team approach and attitude.

THANK YOU to all the members both nippers and parents for what will go down as a season to remember. See you all on the beach next season.

Regards
 Gil Rhodes

POINT LOOKOUT SURF LIFESAVING CLUB INC
ABN 67 892 839 556
FOR THE YEAR ENDED 30 APRIL 2021

COMMITTEE'S REPORT

Your committee members submit the financial report of the POINT LOOKOUT SURF LIFESAVING CLUB INC ("the association") for the financial year ended 30 April 2021.

Committee Members

The names of committee members throughout the year and at the date of this report are:

President - Sean Fallon
Vice-President - Matt Robinson
Secretary - Karen Badger
Treasurer - Nadene Kugler

Principal Activities

The principal activities of the association during the financial year was to save lives on the beaches of North Stradbroke Island. Our organisation encompasses lifesaving services, community education, membership services and surf sports.

Significant Changes

No significant change in the nature of these activities occurred during the year.

Future Developments and Economic Dependence

Whilst uncertainty as to the future impacts of the COVID-19 pandemic continues to exist, since 30 April 2021 and the date of this report there were no other events that have the potential to significantly affect the ongoing structure and financial activities of the Association in the opinion of the Committee, other than already disclosed in the Notes to the Financial Statements. The Association expects to maintain the present status and level of operations, however, the Association is dependent upon the ongoing receipt of grants to ensure the ongoing continuance of all its programs. Management have no reason to believe that this financial support will not continue.

Operating Result

The surplus/(deficit) of the association for the financial year amounted to \$(170,745) (2020: \$(83,421)).

Signed in accordance with a resolution of the Members of the Committee:

Sean Fallon

Nadene Kugler

Dated this 7th day of July 2021.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act 1981 (Qld). The Committee has determined that the Association is not a reporting entity.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following material accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

Initial application of AASB 15 and AASB 1058

The Association has adopted AASB 15 Revenue from Contracts with Customers and AASB 1058 Income of Not-for-Profit Entities for the first time in the current year with a date of initial application of 1 May 2020.

The Association has applied AASB 15 and AASB 1058 using the cumulative effect method which means the comparative information has not been restated and continues to be reported under AASB 111, AASB 118, AASB 1004 and related interpretations.

There is no significant impact when applying AASB 15 and AASB 1058 given the simplicity of the Association's revenue streams.

(a) **Plant and Equipment**

Plant and equipment are carried at cost less, where applicable, any accumulated depreciation.

The depreciable amount of all fixed assets are depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use.

Leasehold improvements

Leasehold improvements are amortised over the remaining life of the lease.

(b) **Income Tax**

The Association is a not for profit which is exempt from Income Tax.

(c) **Employee Benefits**

Provision is made for the association's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits have been measured at the amounts expected to be paid when the liability is settled.

(d) **Impairment of Assets**

At the end of each reporting period, the entity reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the income statement.

(e) **Cash and Cash Equivalents**

Cash and cash equivalents includes cash on hand, deposits held at call with banks, and other short-term highly liquid investments with original maturities of three months or less.

POINT LOOKOUT SURF LIFESAVING CLUB INC
ABN 67 892 838 556
FOR THE YEAR ENDED 30 APRIL 2021

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES - continued

(f) Revenue and Other Income

Grant Income

When the Association receives grant income, it assesses whether the contract is enforceable and has sufficiently specific performance obligations in accordance with AASB 15. When both conditions are satisfied, the Association:

- Identifies each performance obligation relating to the grant;
- Recognises a contract liability for its obligations under the agreement; and
- Recognises revenue as it satisfies its performance obligations. If the contract is not enforceable or does not have sufficiently specific performance obligations, the Association recognises income immediately in the profit and loss

Annual membership subscriptions are recorded as revenue in the financial year that they relate to.

All revenue is stated net of the amount of goods and services tax (GST).

(h) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

(i) Accounts Receivable and Other Debtors

Accounts receivable and other debtors include amounts due from members as well as amounts receivable from donors. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

(k) Accounts Payable and Other Payables

Accounts payable and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the association during the reporting period that remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

NOTE 6: EVENTS AFTER THE END OF THE REPORTING PERIOD

No matters or circumstances have arisen since the end of the financial year, except those identified in this note, which significantly affected or may significantly affect the operation of the Association, the results of these operations, or the state of affairs of the Association in future financial years.

NOTE 7: OTHER LIABILITIES

The Club has signed lease terms with the Radcliffe City Council for the current site at Lot 73 Crown Plan 826165 Point Lookout Stradbroke to 31 October 2022. The lease renewal includes an annual rental fee of \$500. As this lease is a peppercorn lease, it has not been recognised on the balance sheet.

NOTE 8: CONTINGENT LIABILITIES

The Club has been formally declared as a participant of the National Redress Scheme during the year and as a result it may have contingent liabilities under this scheme. As at balance date there have been no accepted claims and therefore no liability has been included in the balance sheet.
There is currently one request for information that has been responded to, but not assessed by the National Redress Scheme Operator. Although the Club has disputed claims made, if these claims were successful, the potential liability could be up to \$150,000.

FOR THE YEAR ENDED 30 APRIL 2021

STATEMENT BY MEMBERS OF THE COMMITTEE

The committee has determined that the association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

In the opinion of the Committee of POINT LOOKOUT SURF LIFESAVING CLUB INC the financial report as

- (1) presents a true and fair view of the financial position of POINT LOOKOUT SURF LIFESAVING CLUB INC as at 30 APRIL 2021 and its performance for the year ended on that date;
- (2) the operations of the Association have been carried out in accordance with the the Associations Incorporation Act Queensland; and
- (3) at the date of this statement, there are reasonable grounds to believe that POINT LOOKOUT SURF LIFESAVING CLUB INC will be able to pay its debts as and when they fall due.

The statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee by:

Sean Fallon

Nadene Kugler

Independent Auditor's Report

To the Members of the Point Lookout Surf Life Saving Club Inc

I have audited the financial report of Point Lookout Surf Life Saving Club Inc (the "Club"), which comprises Balance Sheet as at 30 April 2021, and the Income Statement and Statement of Cash Flows for the year ended and notes to the financial statements, including a summary of significant accounting policies and statement by members of the committee

In my opinion, except for the qualifications below, the accompanying financial report gives a true and fair view of the Club's financial position as at 30 April 2021 and of its performance for the year then ended in accordance with the requirements prescribed by the Associations Incorporation Act 1981.

Qualification

As common for organisations of this type, cash receipts are a significant source of fundraising revenue for the Club. The Club has determined that it is impracticable to establish complete control over the collection of cash donations prior to entry into its financial records. Accordingly, as the evidence available to me regarding fundraising revenue was limited, my audit procedures with respect to cash receipts had to be restricted to the amounts recorded in the financial records. I am therefore unable to express an opinion whether cash receipts the Club recorded are complete.

In addition, I did not attend the stocktake held. Accordingly, I am unable to express an opinion on the completeness and valuation of ending inventory as at 30 April 2021.

The audit opinion expressed in this report has been formed on the above basis.

Basis for Opinion

I have conducted my audit in accordance with Australian Auditing Standards. My responsibility under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of my report. I am independent of the Club in accordance with the ethical requirements of the Accounting Professional and Ethical Standard's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to my audit of the financial report in Australia. I have fulfilled my other ethical responsibilities in accordance with the Code.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Emphasis of Matter

The financial report has been prepared for the purpose of fulfilling the committee's financial reporting responsibilities under the *Associations Incorporation Act 1981*. As a result, the financial statements may not be suitable for another purpose.

Responsibilities of Committee for the Financial Report

The committee of the Club is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the *Associations Incorporation Act 1981* and for such internal control as the committee determines is necessary to enable the preparation and fair presentation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Committee is responsible for assessing the Club's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the Committee either intends to liquidate the Club or cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Club's financial reporting process.

Auditor's responsibility for the audit of the financial report

My objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of user taken on the basis of this financial report
